The Antoinette Westphal College of Media Arts and Design curricula include general studies in liberal arts and science, and experiential learning in studio, lab, and classroom settings within the disciplines.

Mission Statement
The Antoinette Westphal College of Media Arts & Design (http://www.drexel.edu/westphal) (The Westphal College) is a community of learning within the areas of media, design, fine arts, performing arts, and the management of creative enterprise that values experiential and immersive education. Students are encouraged to give form to ideas by learning to recognize invention and innovation in a rapidly changing world through creative, critical, and collaborative approaches. The Westphal College’s diverse programs seek to foster innovation and leadership in progressively interconnected disciplines and areas of study.

The academic programs are rigorous, and provide the appropriate balance of a solid foundation with individual creative direction, cultural awareness, strong technical skills, and an understanding of management and professional practice. The College is committed to continual review of curricula, processes and outcomes in order make those improvements and refinements necessary to further enrich the students’ education, and to continue to foster independent thinkers, astute leaders, and creative problem solvers.

Undergraduate Co-operative Education
Co-op is an essential component in defining the “Drexel Difference” in the Antoinette Westphal College of Media Arts & Design. Westphal College students spend a minimum of six months (two terms) applying classroom and studio skills in positions within their chosen professions. Often referred to as “The Ultimate Internship,” a co-op is a valuable, direct way to learn about a career, work with other professionals, and gain skills and experience that set Drexel graduates apart from students who complete their professional education in more traditional academic settings.

Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities.

Special Programs
The Westphal College offers a number of special programs including Study Abroad, Accelerated Dual Degree, Accelerated Summer Courses, Enrichment Programs and Dance for Professionals.

Study Abroad
Many students in the College participate in study abroad ranging from ten days to two terms. Some of the more popular programs are: Drexel in London, Fashion in London, Australia, Rome, France and Prague. Students interested in study abroad should consult with their Program Director, Academic Advisor and the Study Abroad Office, 215-895-1704.

Enrichment Programs
The Department of Architecture & Interiors runs summer study tours abroad to Rome and Paris as elective course offerings in history and theory. These programs focus the travel portion into three-week periods to accommodate student work commitments.
Accelerated Dual Degree Programs

Dual degree programs enable academically qualified students to earn both a bachelor's and an advanced degree in five years.

The following Accelerated Degree Programs are available to qualified High School students entering their freshman year in the Westphal College:

- **BS Music Industry/MBA**: This program offers the highly motivated and musically focused student an opportunity to combine music theory and technology with the MBA degree. The program is available to qualified Music Industry majors.

- **BS Entertainment & Arts Management/MBA**: This program allows high-achieving students preparing for leadership roles in media companies and arts organizations the opportunity to earn their MBA degree. The program is available to qualified Entertainment & Arts management majors.

- **BS in Design & Merchandising/MBA**: This program combines study in the area of fashion retail merchandising with the MBA degree. The program is available to qualified Design and Merchandising majors.

The following Accelerated Degree Programs are available to qualified matriculated students in the Westphal College:

- **BS/MS in Digital Media Programs**: This program allows highly motivated students to complete both the BS (Animation & Visual Effects, Game Art & Production, Interactive Digital Media) and MS degrees in Digital Media programs in five years.

- **BS Interior Design/MS in Interior Architecture & Design**: This program combines the Interior Design undergraduate and the graduate Interior Architecture & Design degrees in an intensive five-year program that provides an opportunity for the student to focus on an area of specialization.

- **BS Dance/MS in Elementary Education**: This career focus, dance in education, prepares students for jobs as elementary school teachers (grades Pre-Kindergarten through 4) who may also serve as school dance specialists. Students choosing this option will earn a BS degree in Dance through the Department of Performing Arts and may elect to continue for a fifth year of study to earn an MS in the Teaching, Learning and Curriculum-Teacher Certification through the School of Education.

- **BS Entertainment & Arts Management/MS in Arts Administration**: While not an accelerated program, students who complete the EAM program may also choose to pursue a graduate degree at Drexel in Arts Administration. Students who apply for the graduate Arts Administration program and graduate with a 3.5 GPA in the last two years of the EAM degree program are automatically accepted into the program.

Accelerated Summer Courses

With departmental permission, students may enroll in Visual Studies accelerated courses over the summer. These typically include courses in Accelerated Design I, II, III, Introductory Drawing and Figure Drawing I. These courses primarily are offered so that new undergraduate transfer students and pre-graduate students can complete their future programs in an economical time frame. Students with some experience in studio coursework may be eligible to take accelerated courses. A portfolio review is required to determine eligibility.

Dance Part Time Professionals

The Part Time Professional Option of the Dance Major is designed for professional dancers interested in pursuing a BS degree in Dance while continuing their performance careers, or at the conclusion of their performing careers. This program grants "professional life experience" credits and an extended period of time to fulfill the remaining required courses.

Ensembles

Choral Ensembles

**University Chorus (MUSC 101/001)** Dr. Steven Powell, Director

As auditioned, 60-voice group which performs concert choir literature, both a cappella and with instrumental accompaniment.

**Chamber Singers (MUSC 102/001)** Dr. Steven Powell, Director

A select group of 18 singers chosen by audition from the University Chorus. They perform "anything that swings," doing a variety of pieces from the 20's to the 40's with a three-piece back-up band.

**All College Choir (MUSC 104/001)** Scott Bacon, Director

A large un-auditioned choir that performs a varied repertoire including light classics, spirituals, and popular music.

**Gospel Choir (MUSC 115/001)** Rev. Greg Ross, Director

The Gospel Choir is a group of approximately 60 singers that is open to all Drexel Students. This ensemble performs contemporary gospel music with its own backup band.

Instrumental Ensembles

**Concert Band (MUSC 105/001)** Dr. Wesley Broadnax, Director

Students who are proficient on woodwind, brass, or percussion instruments may become members of this large instrumental ensemble by auditioning for the director. Membership is based on the student's ability and the instrumental needs of the ensemble.

**The Basketball Pep Band (MUSC 116/001)** Dr. Wesley Broadnax, Director

This band is made up of brass players, saxophone players, and trap drummers drawn from the membership of the Concert Band.

**Jazz Orchestra (MUSC 107/001)** Dr. George Starks, Director

Performs music which is associated with and/or inspired by acknowledged masters of the jazz tradition such as Duke Ellington, Count Basie, Charlie Parker, Dizzy Gillespie, Miles Davis, Charles Mingus, Thad Jones, and others.

**The Jazztet (MUSC 108/001)** Dr. George Starks, Director

This ensemble performs small group masterpieces such as literature associated with Art Blakey, Horace Silver, Clifford Brown, John Coltrane, and others.

**String Ensemble [University Orchestral] (MUSC 109/001)**

This is a full orchestra centered around the nucleus of a full compliment of strings. Winds, brass, and percussionists are drawn from the Concert Band as repertoire demands.
**Fusion Band** (MUSC 112/001) Lynn Riley, Director
A small combo utilizing a rhythm section and any varying combination of saxes and brass. The repertoire includes music of the styles of jazz, Latin, funk, and rock.

**Percussion Ensemble** (MUSC 113/001) Mark Beecher, Director
Students in this group will have the opportunity to play, improve and perform on many instruments of the percussion family including: snare drum, bass drum, xylophone, marimba, timpani- and even hands and feet.

**Mediterranean Ensemble** (MUSC 114/001) Bruce Kaminsky, Director
Students perform traditional music from Southeastern Europe, the Middle East and Northern Africa. All traditional and Western instruments are welcomed including oud, bouzouki and saz along with guitar, violin and sax. Percussionists can play Drexel's wide assortment of traditional drums including doumbek, riq and djimbe. Students will have the opportunity to perform 7/8 and 9/8 rhythms from Greece, 10/8 rhythms from Turkey, learn songs in Greek, Turkish, Arabic and Hebrew. The ensemble also has a dance component.

**Guitar Ensemble II** (MUSC 106/002) Joe Napoli, Director
An auditioned group of approximately ten guitarists plus bass players and a drummer. Repertoire includes a side range of styles utilizing music reading ability and improvisation skills

**Guitar Ensemble I** (MUSC 106/001) Greg Wright, Director
An un-auditioned group of ten to fifteen guitarists who use repertoire to sharpen their musical and technical skills.

**Keyboard Ensemble** (MUSC 110) Wanda Canfield, Director
A group of twelve keyboardists who utilize acoustic and electronic pianos to play a variety of repertoire.

**Rock Ensemble** (MUSC 117) Joe Napoli, Director
A small combo of vocalists, guitarists, bassists, keyboardist, and drummers who perform repertoire ranging from classic rock to alternative.

**Drexel University Dance Program**
Dr. Miriam Giguere, Director, Dance Ensemble (DANC 131)
Elegant, exciting, sophisticated, sleek are all words commonly used to describe the Drexel Dance Ensemble. Performing ballet, jazz, tap and modern dance, the Drexel Dancers are both versatile and original.

The Drexel Dance Ensemble DANC 131
A professional caliber dance company presenting two fully-produced concerts in the Mandell Theater each year. Students participating in the 60 member ensemble are given the opportunity to explore their artistry through working with professional choreographers, both faculty and guests artists, as well as a selection of student choreographers. The diversity of choreographic talent promises a show with dimension and unique perspectives on contemporary and classical dance forms. Entrance into this company is open to any dancers beyond their freshman year by audition twice yearly.

The FreshDance Ensemble DANC 131A
Dance company open exclusively to freshmen at Drexel. The 30 dancers in the ensemble perform two fully produced concerts at the Mandell Theater each year. Works by both professional and student choreographers are performed in a variety of genres including ballet, modern, jazz and hip-hop. Entrance into the company is open twice yearly by audition.

**The Youth Performance Exchange Touring Ensemble DANC 131**
This 8-10 member dance troupe performs assembly style lecture demonstration programs introducing student K-8 to the art of dance. Students learn the program each fall and perform for 15-20 elementary and middle school each Friday morning in winter and spring terms. Open by audition each fall term.

**Drexel University Theatre Program**
Mr. Nick Anselmo, Director of Theatre Programs
Main Stage Performance (THTR 131/001)
Studio Performance (THTR 131/002)
Theater Performance Ensemble (THTR 131/002)
Main Stage Production (THTR 132/001)
Late Night Open Mic (THTR 132/002)
Studio Production (THTR 132/003)

Students participate in all aspects of theatre performance and production, including; acting, directing, design, costumes, lighting, sets, sound, publicity, and box office.

**Facilities**
Designed to be an incubator for tomorrow’s creative leaders, The URBN Center is the award-winning home for many of the programs in the Antoinette Westphal College of Media Arts & Design, providing students with rigorous, studio intensive instruction with the latest technological resources. Undergraduate majors that share this space include Animation & Visual Effects, Architecture, Design & Merchandising, Entertainment & Arts Management, Fashion Design, Game Art & Production, Graphic Design, Interactive Digital Media, Interior Design, Music Industry and Product Design. Graduate programs include Arts Administration, Digital Media, Fashion Design, Interior Architecture + Design and Museum Leadership

The URBN Center also provides a black box theater for our Theatre program, a 3,500 square foot Leonard Pearlstein Gallery, two MIDI labs and MAD Dragon Records Suite, a Motion Capture studio, a Hybrid Making Lab featuring Universal Laser Cutters and 3D printing for prototyping, the Robert and Penny Fox Historic Costume Collection, the Charles Evans Fashion Design Library, a multi-use screening & lecture room, and offices for the College’s administrative functions.

The Paul Peck Problem Solving & Research Building is home to our Photography major and Department of Art & Art History. Within this facility, the Westphal College occupies a 10,000- square-foot photography lab, lighting studios, two digital imaging labs, as well as six lecture/ laboratory spaces for our Visual Studies courses.

In University Crossings, a 25,000 square foot space houses offices for Film & Video, Screenwriting & Playwriting and Television faculty. Also in this building are two state-of-the-art digital editing facilities, a shooting studio with special effects capability, two screening rooms, a digital audio post production studio, several multi-media classrooms, and a well-stocked equipment room.

MacAlister Hall serves students in the Westphal College with: digital audio labs and recording studios for Music Industry; The Mandell Theater, a 420-seat proscenium theater with scene shop and dressing rooms; the Ellen Forman Memorial Dance Studio; and a high-definition television studio space for our college-operated television station, DUTV, which reaches over 400,000 households.

### Animation and Visual Effects

**Bachelor of Science Degree: 186.0 quarter credits**

**About the Program**

The animation & visual effects major provides students with the technological, story-telling and design skills to succeed as animators and visual effects artists in the highly competitive entertainment and design worlds.

Animation and visual effects are no longer used only when creating animation or big budget theatrical films. Today, these production techniques are widely used in feature films, medical research, engineering, television, web content, the performing arts, corporate communications and higher education. While an understanding of the multiple facets of digital media remains important to students' educational development, the depth and complexity of the field necessitates a rigorous course of study specifically focused on animation and visual effects.

To best prepare students for the demands of careers in these cutting-edge disciplines, they will pursue a foundation of design and technology, taking core courses in all aspects of digital media, completing a six month co-op and delving into rigorous coursework in many areas of specialization. Students will learn the underlying principles of animation, along with industry-standard software technology. The entire creative pipeline from storyboarding through modeling and animation is covered in depth, allowing students to experience all aspects of production.

**Additional Information**

To find out more about this major, visit the Westphal College's Animation & Visual Effects Major (http://www.drexel.edu/westphal/undergraduate/ANIM) web page.

### Dual/Accelerated Degrees
The accelerated degree program enables academically qualified students to earn both their bachelor’s degree and a master’s degree in digital media — graduating sooner than they would in traditional programs.

Current Drexel animation and visual effects students may apply for the accelerated BS/MS degree through the Office of Graduate Studies after completing 90.0 credits, but no more than 120.0 credits. Contact the Office of Graduate Studies (http://www.drexel.edu/provost/graduatestudies) for further information.

The Animation and Visual Effects Minor requires the completion of eight courses (minimum 24 credits). The minor provides basic foundation in the technological, story-telling and design skills used by animators and visual effects artists in the highly competitive entertainment and design worlds, with the opportunity for individualized tailoring according to the student’s interests.

#### Required Courses:
- **DIGM 100** Digital Design Tools 3.0
- **ANIM 140** Computer Graphics Imagery I 3.0
- **ANIM 141** Computer Graphic Imagery II 3.0
- **ANIM 152** Multimedia Timeline Design 3.0

### Facilities
Our facilities include more than 100 triple-boot MacPro and Boxx Technology workstations, a 16 camera Vicon motion capture studio, green screen room, a 2-ton motion platform theme park ride, FTIR multitouch displays, laser scanner, stereoscopic projector, eye tracker, fNIR and EEG brain interfaces, and 3D theater, recording studios, etc. Students use
professional software including Unreal, Unity3D, Maya, 3D Studio Max, Houdini, Massive, etc.

More information can be found at Drexel RePlay Lab’s Facilities (http://replay.drexel.edu/facilities.html) page.

**Cinema and Television Faculty**

Glen Muschio, PhD (Temple University). Associate Professor. Digital media, society, communication.

Lise Raven, MFA (New York University). Assistant Professor. Filmmaker.

Philip W. Salas, BS (Temple University). Assistant Teaching Professor. Utilization of advanced set top box data to measure fragmented viewing behavior. Impact of new television distribution technologies on traditional broadcasters and multichannel program providers.

David A. Schwartz, BA (Rider University). Associate Teaching Professor. Steadicam operator; cameraman.

Andrew Susskind, BA (Harvard University) Program Director of TV Production & Media Management. Associate Teaching Professor. Independent television producer and director.

Albert S. Tedesco, MA (University of Pennsylvania) Director of the Paul F. Harron Graduate Program in Television Management. Associate Teaching Professor. Impact of digital media on broadcast television; broadcasters’ response to the challenge of new media; management of publicly and privately held communications companies.

Jervis Thompson, BS (Drexel University). Associate Teaching Professor. Digital media, interactive multimedia.

Gregory S. Wolmart, MFA (University of Pennsylvania). Assistant Professor. Cinema studies; film history.

Jichen Zhu, PhD (Georgia Institute of Technology). Assistant Professor. Developing humanistic and interpretive framework of computational technology, particularly artificial intelligence (AI), and constructing AI-based cultural artifacts; interactive storytelling, games and software studies.

**Interdepartmental Faculty**

Lawrence Epstein, MBA (Cornell University) Interim Department Head, Arts & Entertainment Enterprise. Associate Teaching Professor.

**Courses**

**ANIM 140 Computer Graphics Imagery I 3.0 Credits**

Students learn to represent 3D objects and spaces in 2D media using a variety of drawing and computer graphic techniques. This course lays important foundations for subsequent courses in 3D computer modeling and animation.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** DIGM 100 [Min Grade: D]

**ANIM 141 Computer Graphic Imagery II 3.0 Credits**

This course will introduce students to the principles and techniques of 3D virtual scene building for animation, visualization and game development.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** DIGM 110 [Min Grade: D] or ANIM 140 [Min Grade: D]

**ANIM 152 Multimedia Timeline Design 3.0 Credits**

Introduces basic design concepts and tools to create time based 2D and 3D multimedia. Addresses issues from pre-production planning, through, post-production and delivery; emphasis on time-based multimedia.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** DIGM 100 [Min Grade: D] and VSST 110 [Min Grade: D]

**ANIM 211 Animation I 3.0 Credits**

Explores computer animation with an introduction to concepts of 3D animation. Includes narrative structure, storyboarding, and development. Emphasizes aesthetic, technical and conceptual issues. Requires students to create short animations in timeline based software.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Restrictions:** Cannot enroll if classification is Freshman

**Prerequisites:** ANIM 141 [Min Grade: D] or DIGM 141 [Min Grade: D]

**ANIM 212 Animation II 3.0 Credits**

Builds on topics introduced in ANIM 211 Animation I, incorporating advanced animation techniques such as inverse kinematics and dynamics. Requires students to propose, design, and produce a short animation.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Restrictions:** Cannot enroll if classification is Freshman

**Prerequisites:** ANIM 211 [Min Grade: D] or DIGM 211 [Min Grade: D]

**ANIM 215 History of Animation 3.0 Credits**

Students learn the pre-curors to modern animation and the evolution of the art since the beginning of the 20th century. Concepts in both 2D and 3D animation will be covered.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Restrictions:** Cannot enroll if classification is Freshman

**ANIM 219 Digital Compositing 3.0 Credits**

Examines digital compositing possibilities through the manipulation and recombination of acquired and produced digital imagery, including 3D models/animations, and video.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Restrictions:** Cannot enroll if classification is Freshman

**Prerequisites:** ANIM 211 [Min Grade: D] or DIGM 211 [Min Grade: D]
ANIM 247 Organic Modeling 3.0 Credits
This course will be an intensive exploration of organic modeling. Students will learn the best approaches to modeling organic forms and why these approaches are relevant. There will be considerable emphasis on anatomical forms.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: ANIM 141 [Min Grade: D] or DIGM 141 [Min Grade: D]

ANIM 248 Advanced Lighting 3.0 Credits
Students will learn to integrate production-oriented lighting techniques into animation. Techniques utilizing both point-based and raytraced global illumination will be covered, and how to optimize pipelines for animation. Basic shader development will also be covered.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: ANIM 141 [Min Grade: D] or DIGM 141 [Min Grade: D]

ANIM 314 Character Animation I 3.0 Credits
Examines issues and processed of 3D character development. Addresses various modes of 3D data wrangling for highly detailed, articulated character controls.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: ANIM 212 [Min Grade: D] or DIGM 212 [Min Grade: D]

ANIM 315 Character Animation II 3.0 Credits
Covers advanced techniques of inverse and forward kinematics, full-character skeletal setup, development of animation, and puppeteer controls. Explores levels of reality, and world interaction within scope of character.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: ANIM 212 [Min Grade: D] or DIGM 212 [Min Grade: D]

ANIM 321 Immersive Animation 3.0 Credits
Students will explore and experiment with non-planar multi-perspective projection to develop a unique and powerful immersive animation experience. Focus will be on the production of animations for both irregular architectural surfaces and conventional projection environments such as fulldome.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: ANIM 212 [Min Grade: D] or DIGM 212 [Min Grade: D]

ANIM 388 Spatial Data Capture 3.0 Credits
Students learn about the tools available to integrate components from the physical environment into computer animations and games. Aspects covered will be 3D scanning, motion capture and imaging techniques.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: DIGM 212 [Min Grade: D] or ANIM 212 [Min Grade: D]

ANIM 399 Independent Project in Animation 0.5-12.0 Credits
Supervised planning and execution of a project in the area of Animation.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Cannot enroll if classification is Freshman

ANIM 410 Visual Effects 3.0 Credits
Students learn to create detailed visual effects, and the best methods to integrate them into live-action plates. Drawing on existing compositing and animation knowledge, students will work in groups to produce short visual effects sequences.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: (ANIM 219 [Min Grade: D] or DIGM 302 [Min Grade: D]) and (ANIM 212 [Min Grade: D] or DIGM 212 [Min Grade: D])

ANIM 411 Advanced Animation 3.0 Credits
This course explores a wide range of visual effects assets, both practical and synthetic. Projects focus on the creation of a comprehensive short animation.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: ANIM 410 [Min Grade: D] or DIGM 302 [Min Grade: D] or ANIM 219 [Min Grade: D]

ANIM 435 Technical Directing for Animation 3.0 Credits
Students learn the necessary toolsets for technical direction of animated films and visual effects. The topics covered include Python scripting, pipeline development and integration and creation of custom shaders to streamline production processes.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ANIM 219 [Min Grade: D] or DIGM 302 [Min Grade: D]

ANIM 465 Special Topics in Animation 3.0 Credits
Addresses current topics in Animation. May be repeated for credit if topics vary.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Cannot enroll if classification is Freshman

Architecture
Bachelor of Architecture Degree (BArch): 227.0 quarter credits
About the Program
The practice of architecture requires a unique skill set—creative thinking and aesthetic sensitivity balanced with technical knowledge, cultural understanding, and social responsibility. Critical thinking and communication skills are needed. Drexel's Bachelor of Architecture program encompasses foundation courses in the applied and social sciences, the humanities, and a wide range of professional architecture courses to prepare students for careers in architecture and related fields. At the heart of the curriculum are the design studios where students are challenged to apply their knowledge acquired from the above disciplines to consequential design problems.
Drexel's work/study program is an experiential-based learning model that complements and provides an alternative to traditional full-time academic architecture programs. The Drexel model provides a practical, high-quality education to those students who seek early exposure to daily architectural practice as well as an affordable alternative to students who could not otherwise be able to enter the profession.

At Drexel there are two paths to an accredited Bachelor of Architecture degree, serving two distinct populations: the 2+4 option and the part-time evening option.

The Architecture Program's advising guidelines ([http://www.drexel.edu/westphal/undergraduate/ARCH/Curriculum/#c3](http://www.drexel.edu/westphal/undergraduate/ARCH/Curriculum/#c3)) include scheduling guidelines, studio advancement requirements, and general studio policies.

**Accreditation**

In the United States, most state registration boards require a degree from an accredited professional degree program as a prerequisite for licensure. The National Architectural Accrediting Board ([http://www.nrabb.org](http://www.nrabb.org)) (NAAB), which is the sole agency authorized to accredit US professional degree programs in architecture, recognizes three types of degrees: the Bachelor of Architecture, the Master of Architecture, and the Doctor of Architecture. A program may be granted a 6-year, 3-year, or 2-year term of accreditation, depending on the extent of its conformance with established educational standards.

Doctor of Architecture and Master of Architecture programs may consist of a pre-professional undergraduate degree and a professional graduate degree that, when earned sequentially, constitute an accredited professional education. However, the pre-professional degree is not, by itself, recognized as an accredited degree.

Drexel University, Antoinette Westphal College of Media Arts & Design, Department of Architecture + Interiors offers the following NAAB-accredited degree program(s):

- **2+4 Option**: 6 year program (2 years full-time, 4 years part-time)
  - Bachelor of Architecture
  - 227.0 undergraduate quarter-term credits
- **Part-Time Evening Option**: 7 year part-time program
  - Bachelor of Architecture
  - 227.0 undergraduate quarter-term credits

Next accreditation visit for both tracks: 2018

**About the 2+4 Option**

The 2+4 option is an accelerated route designed for a small class of well-prepared students entering directly from high school. In this program two years of full-time coursework address the basic principles of architectural design and satisfy fundamental University core requirements in the arts and sciences as well as those job-related skills that are needed for entry-level professional positions. A comprehensive review of performance will take place after each year to ensure that students are making sufficient progress in all areas. After successfully completing the minimum requirements of the full-time phase, students find full-time employment in the building industry, including architecture firms, while continuing their academic program part-time in the evening for four additional years. By combining work and study, Drexel students may be able to simultaneously satisfy their required internship for licensure (IDP) while completing their professional degree, thus qualifying for the registration exam on graduation in most jurisdictions.

**About the Part-time Evening Program**

The part-time evening option is one of only two part-time evening architectural programs in the United States, leading to an accredited Bachelor of Architecture degree. Designed for non-traditional and transfer students, this program offers all courses part-time in the evening, enabling students to work full-time. The evening program sequence is seven years, but transfer students with university-level design credits can reduce its length by meeting specific program requirements through transcript and portfolio review.

Both tracks of the Bachelor of Architecture program are accredited by the National Architectural Accrediting Board (NAAB). All Drexel architecture students may be able to receive credit in the Intern Development Program (IDP) for work experience obtained before graduation, which is part of most state licensure requirements.

**Additional Information**

For more information, visit the Architecture Program ([http://www.drexel.edu/westphal/undergraduate/ARCH](http://www.drexel.edu/westphal/undergraduate/ARCH)) website. For advising and transfer information please review the Architecture Program's curriculum ([http://www.drexel.edu/westphal/undergraduate/ARCH/Curriculum](http://www.drexel.edu/westphal/undergraduate/ARCH/Curriculum)) page.

**Facilities**

The Department's offices, studios and teaching facilities are located on the 4th floor of the URBN Center at 3501 Market Street. Additional teaching facilities are located on the ground floor, on the 3rd floor and on the 3rd and 4th mezzanine levels of the same building.

**Note: Architecture vs Architectural Engineering**

Because Drexel University offers two programs with "architecture" in their titles, it is useful to point out the significant differences between them:

- Architects design buildings to meet people's spatial, organizational, and aesthetic needs; they also coordinate the building design process. After earning a Bachelor of Architecture degree, graduates become registered architects by completing the required work experience and state licensing examinations.
- Architectural engineers specialize in the design of engineering systems within buildings. Architectural engineers earn Bachelor of Science degrees and become professional engineers with the required experience and state examinations. Students whose interests are focused on the technological and engineering aspects of buildings should review Drexel's major in architectural engineering offered by the College of Engineering.

Opportunities
Drexel's work/study program is an experiential-based learning model that complements and provides an alternative to traditional full-time academic architecture programs. The Drexel model provides a practical, high-quality education to those students who seek early exposure to daily architectural practice as well as an affordable alternative to students who could not otherwise be able to enter the profession.

Ordinarily, Drexel's architecture graduates continue working for the firms that employed them during the work-study phase of their studies. In time, some architects reach positions of associate or partner in these offices, while others choose to launch their own firms. Urban design, historic preservation, interior design, and facilities management are some of the related careers that architectural graduates also pursue with similar patterns of success.

Drexel is located in University City, a Philadelphia neighborhood that includes several centers of education and research. Philadelphia itself offers an unparalleled collection of landmark architecture and urban planning that spans 300 years of development. The region has always been home to architectural firms of national and international prominence. A rich and varied environment combined with an accomplished and supportive professional community make Philadelphia an ideal laboratory for the study of architecture.

Minor in Architecture
A minor in architecture gives students majoring in other disciplines an opportunity to explore architecture through a coherent sequence of coursework. The minor in architecture can also be used for preparation towards professional graduate study in this field. Interested students should consult the architecture advisor for course selection and scheduling.

The minor requires design studio courses, courses in architectural history, and architectural elective courses. No more than 9.0 credits from a student's major can be used to fulfill the minor requirements.

Required Courses
ARCH 141  Architecture and Society I  3.0
ARCH 142  Architecture and Society II  3.0
ARCH 143  Architecture and Society III  3.0
Elective Architecture Courses *  9.0
Select three of the following: **  9.0
ARCH 191  Studio 1-AE
ARCH 111  Studio 1-1
ARCH 192  Studio 2-AE
ARCH 112  Studio 1-2
ARCH 113  Studio 1-3
ARCH 121  Studio 2-1
ARCH 122  Studio 2-2
ARCH 123  Studio 2-3

Total Credits  27.0

* Chosen from BArch required professional courses, history/theory electives and professional electives appearing on the degree requirements page. Selection should be made after consultation with the Program Director or Academic Advisor.
** Students who have successfully completed INTR 233 should enter the studio sequence at the second-year level (ARCH 121). Students who have successfully completed ARCH 192 should start the studio sequence with ARCH 113.

Architecture + Interiors Faculty
David Ade, AIA, BArch (Drexel University). Adjunct Associate Professor. Principal, SMP Architects.

Ulrike Altenmuller-Lewis, AIA, Dr.-Ing. (Bauhaus Universität Weimar) Program Director. Assistant Professor. Research on educational environments; translations of architectural theory texts. Design studios, lectures and seminar courses.
Stephen Bonitatibus, AIA, MArch (University of Pennsylvania). Adjunct Professor. Principal, Bonitatibus Associates.

Mark Brack, PhD (University of California at Berkeley). Associate Professor. British and American architecture from 1700 to the present; Hispanic colonial architecture in the American Southwest; vernacular architecture; historic preservation.

Michael Burns, RA, BArch (Drexel University). Adjunct Associate Professor. Principal, Michael Burns Architects.

Jon Coddington, AIA, MArch (University of Pennsylvania) Department Head, Department of Architecture + Interiors. Professor. Architecture, urban design and planning.

Rena Cumby, BArch, MS (Drexel University) Associate Department Head of the Department of Architecture + Interiors. Associate Professor. Interior designer; foundation studies and design education.

Eugenia Ellis, PhD (Virginia Polytechnic State University). Associate Professor. Registered architect; interior design, extended-care facilities design, research on spatial visualization, perception and imagination.

Jeff Fama, MArch (State University of New York at Buffalo). Adjunct Associate Professor. Retail, entertainment, and theater design. Graduate interiors thesis advisor.

Gary Garofalo, BS Arch Eng (Pennsylvania State University). Adjunct Assistant Professor. Principal Lighting Design Collaborative. Lighting expert. Lighting design.

Don Jones, AIA, MArch (University of Pennsylvania). Adjunct Professor. EwingCole.

Nicole Kollick, MArch (University of California). Assistant Professor. Researching possibilities for architecture and design through the use of unexpected and innovative interdisciplinary models. Foundation design studios, fabrication and technology seminars.

Karin Kuenstler, MS (Bank Street College of Education and Parsons). Associate Professor. Interior designer; interior design for corporate and commercial facilities, history of corporate interiors, fiber art.

Maria Kuttruff, MS (Drexel University). Adjunct Assistant Professor. Residential interior design. Design studios.

Diana S. Nicholas, AIA, MFA (University of the Arts, Philadelphia). Assistant Teaching Professor. Principal of Switched on Design. Design studios, analog and digital visualization.

Karen Pelzer, BS (Drexel University) Associate Director of the MS in Interior Architecture and Design Program. Assistant Teaching Professor. Interior designer, hospitality design. Design studios.

Marilynne L. Rose, MS (Drexel University). Associate Teaching Professor. NCIDQ interior designer; residential and commercial design. Design studios, lecture and seminar courses.

Debra Ruben, MS (Drexel University). Associate Professor. NCIDQ, Interior designer; residential and commercial design. Research on user participation and the design process.

Paul Salvaggio, AIA, BArch (Pennsylvania State University). Adjunct Assistant Professor. Principal, Arcus Design Group. Foundation design studios.

Joseph Scanlon, BArch (Drexel University). Adjunct Professor. Foundation design studios.

Virginia Smith, MS (Drexel University). Adjunct Associate Professor. Exhibit/graphic design, interior design, interior and architectural visualization.

Erik Sundquist, MArch (Florida International University) Director of the Hybrid Making Lab of AW CoMAD. Assistant Teaching Professor. Design studios, analog and digital architectural representation and fabrication.

Simon Tickell, AIA, MArch (University of Pennsylvania) Associate Director of the Architecture Evening Program. Associate Teaching Professor. Design studios and professional practice/electives; educational and museum buildings.

Ada Tremonte, BS (Drexel University) Associate Director of the BS Program in Interior Design. Assistant Teaching Professor. NCIDQ Interior designer, corporate/commercial design. Design studios, lecture and seminar courses.

Emeritus Faculty

Judith Bing, MArch (Yale University). Professor Emeritus. Design studios, lecture and seminar courses.

Sylvia Clark, MArch (University of Pennsylvania). Professor Emeritus.

Marjorie Kriebel, BArch (University of Pennsylvania). Professor Emeritus.

Courses

ARCH 101 Studio 1-A 4.5 Credits
2+4 Option architecture majors only. Introduces basic architectural design principles. Elementary concepts of space, surface, and form will be explored in two-and three-dimensional abstract exercises. Incorporates observational analysis and graphic skills.

College/Department: Antoinette Westphal College of Media Arts Design

Repeat Status: Not repeatable for credit

Restrictions: Can enroll if major is ARCH.

Prerequisites: ARCH 131 [Min Grade: D] or ARCH 151 [Min Grade: D] or ARCH 155 [Min Grade: D]
ARCH 102 Studio 1-B 4.5 Credits
2+4 Option architecture majors only. Continues ARCH 101. Makes a transition from abstract principles to simple architectural exercises that add issues of function, scale, and structure to concepts of space, surface, and form.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 101 [Min Grade: C-] and (ARCH 134 [Min Grade: C-] or ARCH 151 [Min Grade: C-])
Corequisite: ARCH 132

ARCH 103 Studio 2-A 4.5 Credits
2+4 Option architecture majors only. Continues ARCH 102. Introductory architectural design studio in which simple architectural problems develop issues of context and the use of materials with issues of space and human activity.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 102 [Min Grade: C-] and (ARCH 132 [Min Grade: C-] or ARCH 152 [Min Grade: C-])
Corequisite: ARCH 133

ARCH 104 Studio 2-B 4.5 Credits
2+4 Option architecture majors only. Continues ARCH 103. Introductory architectural design studio in which issues of architectural form are balanced with site and programmatic concerns.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 103 [Min Grade: C-] and (ARCH 133 [Min Grade: C-] or ARCH 150 [Min Grade: C-])
Corequisite: ARCH 161

ARCH 105 Studio 3-A 4.5 Credits
2+4 Option architecture majors only. Continues ARCH 104. Covers intermediate architectural design problems of increasing complexity that emphasize the nature of function, structure, and material and their impact on the design process.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 104 [Min Grade: C-] and ARCH 161 [Min Grade: C-]
Corequisite: ARCH 134

ARCH 106 Studio 3-B 4.5 Credits
2+4 Option architecture majors only. Continues ARCH 105. Continues exploration of intermediate architectural design problems that present a full range of challenges in the areas of organization, context, and expression.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 105 [Min Grade: C-] and (ARCH 134 [Min Grade: C-] or ARCH 153 [Min Grade: C-])
Corequisite: ARCH 142

ARCH 111 Studio 1-1 3.0 Credits
Investigates basic design principles using three-dimensional abstract and applied projects. Exercises heighten observation and graphic skills while establishing an architectural vocabulary. Fall, Winter.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Corequisite: ARCH 131

ARCH 112 Studio 1-2 3.0 Credits
Continues ARCH 111. Architectural problems emphasize the nature of function, structure, and material and their impact on the design process, and therefore their solutions to the problems. Winter, Spring.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 111 [Min Grade: C-] and (ARCH 131 [Min Grade: C-] or ARCH 155 [Min Grade: C-])
Corequisite: ARCH 132

ARCH 113 Studio 1-3 3.0 Credits
Continues ARCH 112. Simple architectural problems investigate the interrelationships of scale, context, and building elements and the nature of materials and structure and their impact on the process of creating architecture. Spring, Summer.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 112 [Min Grade: C-] and (ARCH 132 [Min Grade: C-] or ARCH 156 [Min Grade: C-])
Corequisite: ARCH 161

ARCH 121 Studio 2-1 3.0 Credits
Stresses the impact of function, materials, and the issue of building image on the design process. Fall.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 113 [Min Grade: C-] and (ARCH 133 [Min Grade: C-] or ARCH 150 [Min Grade: C-]) and ARCH 161 [Min Grade: C-]
Corequisite: ARCH 141

ARCH 122 Studio 2-2 3.0 Credits
Continues ARCH 121. Investigates projects of greater programmatic complexity and more stringent site constraints. Projects begin to deal with buildings in an urban context. Winter.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 121 [Min Grade: C-]
Corequisite: ARCH 142

ARCH 123 Studio 2-3 3.0 Credits
Continues ARCH 122. Poses design problems of increased complexity to enable students to explore in greater detail the issues presented in the previous term. Spring.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 122 [Min Grade: C-]
Corequisite: ARCH 143
ARCH 131 Architectural Representation I-Drawing Basics 3.0 Credits
Introduces the basic skills of architectural representation through drawing, including drafted and freehand techniques in a variety of media. Also introduces techniques of digital documentation.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 101 [Min Grade: D], ARCH 111 [Min Grade: D] (Can be taken Concurrently)

ARCH 132 Architectural Representation II-Drawing 3.0 Credits
Continues ARCH 131 Architectural Representation I. Introduces advanced skills of architectural representation through drawing, including drafted and freehand techniques in a variety of media. Also introduces advanced techniques of digital documentation.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 102 [Min Grade: C-], ARCH 112 [Min Grade: C-] (Can be taken Concurrently) / ARCH 101 [Min Grade: C-] or ARCH 111 [Min Grade: C-] or ARCH 131 [Min Grade: C-] or ARCH 151 [Min Grade: C-] or ARCH 155 [Min Grade: C-])

ARCH 133 Architectural Representation III-Digital 4.0 Credits
Continues ARCH 132 Architectural Representation II. Introduces basic digital representation skills in 2D and 3D, the creation and manipulation of three-dimensional architectural models and the resultant two-dimensional drawings as well as renderings using various computer techniques and software programs.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: (ARCH 102 [Min Grade: C-] or ARCH 113 [Min Grade: C-]) and (ARCH 132 [Min Grade: C-] or ARCH 152 [Min Grade: C-] or ARCH 156 [Min Grade: C-])

ARCH 134 Architectural Representation IV-3D Modeling 4.0 Credits
Continues ARCH 133. Further investigates and demonstrates the computer's capabilities in architectural design, 3D modeling and representation using various computer techniques and software programs. May also introduce digital fabrication techniques.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: (ARCH 104 [Min Grade: C-] or ARCH 113 [Min Grade: C-]) and (ARCH 133 [Min Grade: C-] or ARCH 150 [Min Grade: C-])

ARCH 135 Architectural Representation V-Advanced Methods 3.0 Credits
Continues ARCH 134. Examines advanced techniques of architectural representation and visual communications for use in the architectural design process. Emphasizes presentation methods to describe design concepts. Content may vary. Contact Architecture program for details. Professional elective.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: (ARCH 106 [Min Grade: C-] or ARCH 233 [Min Grade: C-]) and (ARCH 134 [Min Grade: C-] or ARCH 153 [Min Grade: C-])

ARCH 141 Architecture and Society I 3.0 Credits
Examines the evolution of Western architectural thought, form, space, and structures in light of changing human values and institutions. Covers Western architecture from the prehistoric era through the Romanesque, and contemporary architecture in Asia and Central America as well as Islamic architecture in the Middle East and Spain.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

ARCH 142 Architecture and Society II 3.0 Credits
Continues ARCH 141. Covers the evolution of Western architecture from Gothic to Baroque, as well as developments in Central and South America, the Middle East, and Japan.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 141 [Min Grade: C-]

ARCH 143 Architecture and Society III 3.0 Credits
Continues ARCH 142. Covers the evolution of Western architecture from the 18th century to the mid-20th century.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 142 [Min Grade: C-]

ARCH 161 Architectural Construction 3.0 Credits
Architecture majors only. Covers basic construction principles and the use of materials in developing architectural assemblies, providing a conceptual framework to integrate construction and design.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: (ARCH 103 [Min Grade: C-] or ARCH 112 [Min Grade: C-]) and (ARCH 132 [Min Grade: C-] or ARCH 152 [Min Grade: C-] or ARCH 156 [Min Grade: C-])

ARCH 171 Design Build 3.0 Credits
Provides an opportunity for students to experience the entire building process of design, construction documentation, cost estimating, and construction of a simple structure. Professional Elective. Spring.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 105 [Min Grade: C-] or ARCH 232 [Min Grade: C-]
Corequisite: CIVE 262

ARCH 191 Studio 1-1 3.0 Credits
Architectural engineering majors only. Covers basic design principles using three-dimensional abstract and applied projects. Exercises heighten observation skills.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AE.
ARCH 192 Studio 1-2 3.0 Credits
Architectural engineering majors only. Continues ARCH 191. Uses design exercises to emphasize the nature of function, structure, and material and their impact on the design process.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AE.
Prerequisites: ARCH 191 [Min Grade: D] or (ARCH 111 [Min Grade: D] and ARCH 131 [Min Grade: C-])

ARCH 231 Studio 3-1 3.0 Credits
Investigates specific building types to help students reach a basic level of competence in the language of architecture, problem-solving, and the means of communicating design solutions. Fall.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 123 [Min Grade: C-] and ARCH 143 [Min Grade: C-] and ARCH 161 [Min Grade: C-] and (ARCH 134 [Min Grade: C-] or ARCH 153 [Min Grade: C-])

ARCH 232 Studio 3-2 3.0 Credits
Continues ARCH 231. Design projects expand students' vocabulary and understanding of the process of creating solutions to the problems of architecture. Winter.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 231 [Min Grade: C-]

ARCH 233 Studio 3-3 3.0 Credits
Continues ARCH 232. Addresses the interaction and coordination between the language of architecture and the languages of the other disciplines that influence the process of design. More complex programs are assigned. Spring.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 232 [Min Grade: C-]

ARCH 241 Studio 4-1 4.0 Credits
Investigates the design relationship between the man-made and the natural environment in a study of large-scale site design and building development in relation to natural forces. Fall.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: (ARCH 106 [Min Grade: C-] or ARCH 233 [Min Grade: C-]) and (PHYS 104 [Min Grade: C-] or PHYS 184 [Min Grade: C-])

ARCH 242 Studio 4-2 4.0 Credits
Continues ARCH 241. Studies the relationship between building and site. A series of smaller-scale problems in site design investigates the architecture of the exterior. Winter.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 241 [Min Grade: D] and CIVE 261 [Min Grade: C-]

ARCH 243 Studio 4-3 4.0 Credits
Addresses architectural problems with specific environmental and site restraints and criteria. Issues of sustainable design will also be explored. Spring.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 242 [Min Grade: D] and CIVE 262 [Min Grade: C-]
Corequisite: CIVE 263

ARCH 261 Environmental Systems I 3.0 Credits
Introduces heating, ventilation, and air conditioning systems and site utility planning. Fall.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: PHYS 104 [Min Grade: C-] or PHYS 184 [Min Grade: C-]

ARCH 262 Environmental Systems II 3.0 Credits
Introduces plumbing systems, including site distribution, water distribution, and waste systems. Fire protection is also covered. Winter.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: PHYS 104 [Min Grade: C-] or PHYS 184 [Min Grade: C-]

ARCH 263 Environmental Systems III 3.0 Credits
Covers application of electrical systems and lighting to architectural design and construction. Spring.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: PHYS 104 [Min Grade: C-] or PHYS 184 [Min Grade: C-]

ARCH 271 Materials & Structural Behavior I 3.0 Credits
Introduces the basics of construction (timber, masonry, steel, and concrete). Covers their behavior as ingredients of the structural system.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: (PHYS 182 [Min Grade: D] and PHYS 184 [Min Grade: D]) or (PHYS 103 [Min Grade: D] and PHYS 104 [Min Grade: D])

ARCH 272 Materials & Structural Behavior II 3.0 Credits
Second part of a three course sequence that introduces students to building structures and materials. The course will introduce structural design methodologies and students will learn how to design wood floor systems, beams, columns, steel beams and tension elements.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 271 [Min Grade: C-] or CIVE 261 [Min Grade: D]

ARCH 273 Materials & Structural Behavior III 3.0 Credits
Third part of a three course sequence that introduces students to building structures and materials. The course will introduce masonry and foundation design. Students will learn how to design concrete beams and columns.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 272 [Min Grade: C-] or CIVE 262 [Min Grade: D]
ARCH 315 Sustainable Built Environment I 3.0 Credits
Provides an overview of contemporary sustainable design principles and systems involved to posit novel solutions to various design challenges. Combining theoretical knowledge, field trips and case studies enabling students to critically assess sustainability as it relates to the built environment through five key subsystems: materials, air, water, energy and life.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman

ARCH 320 Sustainable Built Environment II 3.0 Credits
Students will examine the work of scientists, designers, authors, artists, architects, engineers, planners, etc to gain a deeper conceptual understanding of current and emerging strategies in sustainability and the complex and integrated systems approach to the built environment in the present and near future.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: ARCH 315 [Min Grade: C-]

ARCH 321 General Lecture Series I 3.0 Credits
This course sequence examines areas of intellectual concern from disciplines other than architecture. Guest lecturers discuss significant aspects of the humanities, the sciences, and the arts. Addresses questions of knowledge. Fall. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 322 General Lecture Series II 3.0 Credits
Continues ARCH 321. Addresses questions of creativity in art. Winter. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 335 Professional Practice I 3.0 Credits
This seminar is the first of a two-course sequence that introduces students to varying topics related to architectural practice in today’s society. It addresses the following issues: Community and Social Responsibility, Leadership, Ethics & Professional Judgment, Client Role in Architecture, Basic Principles of Architectural Practice.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH or major is INTR.
Prerequisites: ARCH 243 [Min Grade: C-]

ARCH 336 Professional Practice II 3.0 Credits
This seminar is the second of a two-course sequence that introduces students to varying topics related to architectural practice in today’s society. It addresses the following issues: Practice Management, Project Management, Financial Considerations, Legal Responsibilities, Ethics & Professional Judgment.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH or major is INTR.
Prerequisites: ARCH 335 [Min Grade: C-]

ARCH 341 [WI] Theories of Architecture I 3.0 Credits
Seminar that examines theories and principles of Western architecture before 1700. History/theory elective. Fall. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 342 [WI] Theories of Architecture II 3.0 Credits
Continues ARCH 341. Seminar that examines theories and principles of Western architecture from the Baroque era of the 17th century to the beginning of Modernism in the 20th century. History/theory elective. Winter. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 343 Theories of Architecture III 3.0 Credits
Seminar that examines 20th-century theories of architecture, including analysis and discussion of current theoretical positions. History/theory elective. Spring.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 344 [WI] History of Modern Architecture I 3.0 Credits
Surveys the crucial buildings and thematic development of modern architecture and urbanism beginning in the late nineteenth Century continuing through the mid-20th Century. History/theory elective.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 345 [WI] History of Modern Architecture II 3.0 Credits
Continuation of ARCH 344. Surveys the crucial buildings and thematic development of modern architecture and urbanism from the mid-20th Century to the present. History/theory elective. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 346 [WI] History of Philadelphia Architecture 3.0 Credits
Covers the architecture of the city of Philadelphia from 1682, examining its architects, styles, and sources through lectures, walking tours, and student reports. History/theory elective. Fall. Alternate years. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 347 [WI] Summer Study Tour Abroad 6.0 Credits
An intensive three-week study tour in a major European city. Combines site visits, sketching, and analysis with lectures by local experts. The travel portion of the course is preceded by lectures and reading assignments and is followed by preparation of analytical reports. History/theory elective. Summer. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Prerequisites: ARCH 143 [Min Grade: C-]
ARCH 348 [WI] Studies in Vernacular Architecture 3.0 Credits
A topical survey of world traditions of vernacular architecture, with emphasis on houses and dwelling environments. The survey topics include basics of shelter, construction methods, response to climate, patterns of settlement, social and economic organization, cultural expression, and methods of research and analysis.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** ARCH 143 [Min Grade: C-]

ARCH 351 Studio 5-1 4.0 Credits
Poses problems that address the relationship of form, site, program, and theory within the constraints of the basic systems (structural, mechanical, etc.). Fall.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** ARCH 351 [Min Grade: D] and ARCH 261 [Min Grade: C-]
**Corequisite:** ARCH 262

ARCH 352 Studio 5-2 4.0 Credits
Continues ARCH 351. Emphasizes the strengthening of students’ ability to solve complex problems in architecture. Expects students to demonstrate understanding and control of basic architectural systems. Winter.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** ARCH 351 [Min Grade: D] and ARCH 261 [Min Grade: C-]
**Corequisite:** ARCH 262

ARCH 353 Studio 5-3 4.0 Credits
Continues ARCH 352. Stresses the coordination of all architectural criteria in a large-scale and complex architectural problem. Spring.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** ARCH 352 [Min Grade: D] and ARCH 262 [Min Grade: C-]
**Corequisite:** ARCH 263

ARCH 361 Studio 6-1 4.0 Credits
Introduces problems of urban design. Case studies demonstrate the relationship between the manmade environment and the natural environment as well as the relationship between many buildings and other manmade environments and the natural environment. Fall.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Restrictions:** Can enroll if major is ARCH.
**Prerequisites:** ARCH 353 [Min Grade: D] and ARCH 263 [Min Grade: C-]
**Corequisite:** ARCH 335

ARCH 362 Studio 6-2 4.0 Credits
Continues ARCH 361. A large urban-design project is undertaken to learn the design process required to solve problems of such magnitude. Winter.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** ARCH 361 [Min Grade: D]
**Corequisite:** ARCH 336

ARCH 363 Studio 6-3 4.0 Credits
Continues ARCH 362. Requires students to develop architectural solutions for a portion of the problem addressed in Studio 6-2, demonstrating an understanding of the relationship between buildings and the exterior environment established in the previous course. Spring.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** ARCH 362 [Min Grade: D]
**Corequisite:** PHIL 317

ARCH 399 Independent Study in Architecture 0.5-12.0 Credits
Independent study on a topic selected by the student. Independent study is supervised by a faculty member and guided by a plan of study.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Can be repeated multiple times for credit
**Restrictions:** Cannot enroll if classification is Freshman

ARCH 421 [WI] Environmental Psychology and Design Theory 3.0 Credits
Examines the relationship between human behavior and architecture from the perspective of environmental psychology. Topics include aesthetics, environmental experience, social interaction, social organization, and culture. Seminar. Professional elective. Summer. This is a writing intensive course.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** ARCH 233 [Min Grade: D]

ARCH 431 [WI] Architectural Programming 3.0 Credits
Introduces current techniques of building programming and their relationship to building design. Recommended for students who will attempt their thesis projects in the following academic year. Professional elective. Spring.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit

ARCH 432 The Development Process 3.0 Credits
Introduces the process of land development. Explores traditional and emerging development models (the architect as the equity participant and developer) in relation to new construction and rehabilitation. Covers various methods of initiating building projects and financing and tax issues. Professional elective. Spring.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit

ARCH 441 Urban Design Seminar I 3.0 Credits
Expands the concept of architecture to urban design scale and presents the principles of city planning through a series of case studies. History/Theory elective. Fall. Alternate years.
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** ARCH 353 [Min Grade: D]

ARCH 442 Urban Design Seminar II 3.0 Credits
**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** ARCH 353 [Min Grade: D]
ARCH 451 Advanced Drawing 3.0 Credits
Covers advanced architectural rendering, concentrating on the effects of light, shade, and color using the techniques of water-color rendering. Professional elective. Spring.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 131 [Min Grade: C-] or ARCH 156 [Min Grade: C-]

ARCH 455 Computer Applications in Architecture I 3.0 Credits
Covers two-dimensional and three-dimensional computer representations and applications. Professional elective.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 134 [Min Grade: C-] or ARCH 153 [Min Grade: C-]

ARCH 456 Computer Applications in Architecture II 3.0 Credits
Continues ARCH 455. Further investigates and demonstrates the computer's capabilities in architectural design and representation. Professional elective.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 134 [Min Grade: C-] or ARCH 153 [Min Grade: C-]

ARCH 463 Emerging Architectural Technology 3.0 Credits
A holistic study of design and construction technology of significant buildings by leading architects.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 464 Building Enclosure Design 3.0 Credits
Examines the integrations of aesthetics, building science, and technology in the design of building envelopes. Professional elective. Summer.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 143 [Min Grade: C-] and ARCH 161 [Min Grade: C-]

ARCH 465 Energy and Architecture 3.0 Credits
Creates an awareness of the availability of energy resources and their effect on the built environment. Discusses alternative sources of energy. Professional elective. Summer.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 261 [Min Grade: C-] and ARCH 262 [Min Grade: C-] and ARCH 263 [Min Grade: C-] and ARCH 161 [Min Grade: C-]

ARCH 491 Advanced Topics in Architecture 3.0 Credits
Covers advanced topics in architectural design, practice, technology or history and theory that satisfy professional or historical/theory elective requirements. Course may be repeated for credit when different topics are offered. Fall, Winter, Spring, Summer.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Prerequisites: ARCH 143 [Min Grade: C-]

ARCH 496 Thesis I 8.0 Credits
An individually structured year-long design problem that enables students to work independently and explore complex issues in depth. Periodic individual review sessions are scheduled with faculty adviser. Fall.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is ARCH.
Prerequisites: ARCH 363 [Min Grade: D] and ARCH 143 [Min Grade: C-] and (ARCH 134 [Min Grade: C-] or ARCH 153 [Min Grade: C-]) and ARCH 263 [Min Grade: C-] and CIVE 263 [Min Grade: C-]

ARCH 497 Thesis II 8.0 Credits
Continues ARCH 496. Winter.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 496 [Min Grade: C-]

ARCH 498 Thesis III 8.0 Credits
Continues ARCH 497. Spring.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ARCH 497 [Min Grade: C-]

ARCH 499 [WI] Special Topics in Architecture 3.0 Credits
Covers special topics in architectural history, theory, or technology that satisfy history/theory or professional elective requirements and university writing intensive requirements. Course may be repeated for credit when different topics are offered. Fall, Winter, Spring, Summer. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Prerequisites: ARCH 143 [Min Grade: C-]

Dance

Bachelor of Science Degree: 185.0 quarter credits

About the Program

The dance program at Drexel University provides intensive exploration of dance in its physical, intellectual, creative and therapeutic aspects. The major is designed for students to focus on one of three tracks: Dance/Movement Therapy or Dance in Education or Physical Therapy.

The dance major at Drexel University has a unique curriculum design and focus. Rather than focusing on training performers, this program combines rigorous academic coursework with extensive stage and studio dance experiences to prepare students for three possible career paths within dance: dance/movement therapy, dance in education and physical therapy. Students participating in this major will earn a BS degree in dance with an optional minor in psychology.

Students focused on dance/movement therapy will prepare for jobs as dance/movement therapists. These are psychological counselors working in a variety of settings including hospitals, out-patient clinics and residential treatment centers. Students pursuing this option will earn a BS degree in dance at the Westphal College, through the Department of Performing Arts, for the first four years of study. They will then have the option to continue on to two years of study in the College of Nursing and Health Professions to earn an MA in Creative Arts in Therapy and become a licensed dance therapist.
The second career focus, **dance in education**, prepares students for jobs as elementary school teachers (grades Pre-K through 4) who may also serve as school dance specialists. Students choosing this option will earn a BS degree in dance through the Department of Performing Arts and may elect to continue for a fifth year of study to earn an MS in the Science of Instruction through the School of Education. Students who successfully complete the five year BS/MS option in education will then be recommended to the State for a Pennsylvania Teaching Certificate in the area of Elementary Education for Pre-K to 4 certification, general education.

The third career focus, **physical therapy**, prepares students to work as physical therapists in a variety of settings, including hospitals, treatment centers, schools, and private practice. Students interested in the physical therapy option will complete the four-year BS degree in dance, along with a series of recommended electives in the physical sciences. After completion of the BS degree, students will continue their education for an additional three years in the College of Nursing and Health Professions to earn a DPT and become a licensed physical therapist.

The student who enters the dance major at Drexel University is an academically achieving student who has a passion for dance, but does not see him or herself as necessarily pursuing a career exclusively in performance. He or she is looking for extensive experiences to improve as a dancer, choreographer and performer while being stimulated academically. This student wants to study dance—both physically and cognitively—in college while being offered the possibility of gainful employment after graduation.

For more information about this major, visit the Westphal College’s Dance (http://www.drexel.edu/westphal/academics/undergraduate/dance) page.

Co-op/Career Opportunities

The dance major is designed for students to focus on one of three career options. Each option can lead to graduate study at Drexel or be completed at the end of four years. Each also includes a co-op experience that allows for extended interaction with the professional dance therapy, physical therapy and education communities. Students wishing to change career focus throughout the undergraduate curriculum will have the option to do so.

Students focusing on dance/movement therapy participate in a six month co-op experience during the spring and summer terms of their junior year. These students may participate in co-op with a practicing dance/movement therapist, community dance artist, or mental health professional in a mental health, social service, rehabilitation, medical, special education or community arts setting.

Students focusing on physical therapy, will participate in a six month co-op in which they work in a setting with a physical therapist, such as a hospital, treatment center, school, or private practice. Co-op experiences where students are able to work with physical therapists working on dancers as clients will be encouraged. Students choosing this option may participate in either co-op cycle.

Students focusing on dance in education participate in after school dance clubs, artist in residence school programs and auditorium lecture demonstration programs as part of a community outreach dance company run by the dance program at Drexel, or other dance education focused activities in a school or studio setting, during the fall and winter of their junior year as their co-op experience.

Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities.

Dual-Degree Option

BS/MS Dance and Elementary Education

About the Accelerated Degree Program

Qualified students in Dance have the option of continuing on into the graduate Science of Instruction program to obtain a BS in Dance and MS in Science of Instruction with Elementary Education certification. This program would allow highly motivated students to graduate with both degrees in a total of 5 years. Students apply for this accelerated program when they complete 90 credits of coursework and before completing 120 credits.

BS in Dance

Incoming students, 2014/2015
Bachelor of Science Degree: 185.0 quarter credits

Dance Major Requirements

Foundation and Theory Requirements
### MS in Science of Instruction

A minimum of 45.0 credits is required for students with or without prior certification (including 15.0 credits of professional electives).

### Core Courses

At a minimum, 23.0 pedagogy credits will be required from the core courses for those without prior teacher certification. Students with prior certification or those seeking an add-on certification will select 11.0 credits from the core courses.

* Not available to those with prior teacher certification.

### Content Categories

For students without prior teacher certification, 7 credits are required, selected from the following content categories. (A list of suggested courses is available from the department.) Students with prior certification or those seeking add-on certification select 19 credits from the content categories.

1. Mathematics and science
2. Technological pedagogy
3. Applied pedagogy

Evaluation of transcripts by a program advisor in relation to Pennsylvania state standards determines the required content courses for initial certification and add-on certification. To satisfy state certification requirements, undergraduate courses may be taken in instances where graduate courses are not appropriate. These undergraduate courses will not satisfy graduate degree requirements. However, they will satisfy certification requirements and may satisfy requirements for salary increments in certain school districts. For those with prior certification who do not wish add-on certification, but desire to further professional competence, a distribution of courses from areas A, B, and C is selected under advisement on an individual basis.

### Professional Electives

Students with or without prior certification select 15 credits of professional electives. Professional electives are selected with the advice of a program advisor to strengthen mathematics and science knowledge, to refine and update pedagogy competence, to broaden general education, to gain knowledge about the nature of information and information materials, to develop and refine skills in integrating technology into instruction, and to ensure that certification standards are satisfied. Professional electives may be taken from the core courses or from any course in the content categories. Any graduate course offered in the University may serve as a professional elective if the student has adequate preparation to take the course and it is deemed appropriate by the program advisor. The 15.0 credits of professional electives may comprise a combination of up to three Performance Learning Systems (PLS) courses and/or approved transfer credits. PLS courses must be taken at Drexel to count toward the master's degree.

### Minor in Dance

The minor in dance offers students an opportunity to explore dance in the studio through technique classes, and in the classroom through academic classes in dance. Participation in the dance ensemble class(s) is required.
although performance with the ensemble is not. There is no audition for the dance minor program.

Design & Merchandising majors typically focus study in the areas of fashion and fashion-related retail merchandising, product development and product promotions. Elective credits may be used for a concentration in Retail Buying & Merchandising; Fashion Product Development; Fashion Promotion & Special Events; Merchandising Technologies; and Design Management for Design & Merchandising. Elective credits may also provide students with an option to minor in business administration, another discipline, or to pursue their specific educational goals.

For more information about this major, visit the College’s Design & Merchandising (http://www.drexel.edu/westphal/academics/undergraduate/designmerch) page.

Degree Requirements
Students pursuing the Bachelor of Science in Design & Merchandising may complete a concentration in an area of study using free electives. Students may pursue more than one concentration or combine a concentration with a minor.

Concentration in Retail Buying & Merchandising
This concentration is designed to broaden students’ practical and theoretical understanding of consumption as it relates to retail buying, management and merchandising. With the growth in cross-channel retail, students need to develop their skills not only for careers in traditional brick-and-mortar retailing establishments, but other retail models. These include: print and electronic based retailing (catalog, television, and Internet). In this concentration, students explore all major retail merchandising and marketing channels and their requirements for buying, staffing, technology, logistics, distribution, and organizational behavior.

Concentration in Fashion Product Development
This concentration analyzes the dominant forces shaping 21st century merchandising decisions, including global product sourcing, international retail development, and the increasingly important role of the consumer in product design. Students successfully completing this concentration develop practical applications to critical issues facing industry decision makers, understand supply chain management from the producer and retailer perspective, identify new markets for products and create strategies for entering those markets, implement merchandising strategies in sectors across the design industries and gain exposure to the latest technology and communication tools that support the industry.

Concentration in Fashion Promotion and Special Events
Through the Fashion Promotion and Special Events concentration students who are interested in a career in public relations, special events planning and marketing, creative and media direction within the design industries will have the opportunity to take classes inside and outside the AW College of Media Arts & Design. These partnerships will enhance the students’ background in this area of specialization, and dramatically increase networking and employment opportunities.

Concentration in Merchandising Technologies
Merchandising utilizes technology on the front end for fashion product promotion and on the back end to research, design, source, produce and distribute fashion and home product. In this concentration, students will study topical issues in merchandising technologies through a variety of theory and "hands on" based courses. Upon completion of this concentration students will be familiar with the current technologies in play, analyze the appropriate uses of available technology and be familiar with emerging trends.
Concentration in Design Management in Design & Merchandising

Design management is a relatively new area of study for the design and merchandising student. This concentration is specifically designed to prepare the student to pursue Design Management at the graduate level.

Co-op/Career Opportunities

Opportunities
An education in Design & Merchandising prepares individuals for a wide variety of career paths. Graduates often pursue opportunities in retail operations and buying, fashion and home product development, fashion product promotion. More recently, graduates select careers in merchandising technologies, or design management. Each of these areas is offered as a concentration, or the student may elect to choose a minor opening up an unlimited number of options.

Co-Op Experiences
Some past co-op employments of design and merchandising students include:

• Product Development Assistant, American Merchandising Corporation (AMC), New York, NY
• Assistant Buyer, Urban Outfitters/Anthropologie, Philadelphia, PA
• Product Development Assistant, Charming Shoppes, Bensalem, PA
• Design and Merchandising Assistant, Jones New York, New York, NY
• Public Relations Assistant, QVC, West Chester, PA
• Assistant Fashion Coordinator, Special Events Department, Saks Fifth Avenue
• Marketing Assistant, Lighting Design Collaborative, Philadelphia, PA
• Public Relations Assistant, Neiman Marcus, King of Prussia, PA
• Sales Associate, Neiman Marcus, King of Prussia, PA
• Assistant Buyer, Mothers Work, Philadelphia, PA

Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities.

Dual/Accelerated Degree Program

Only available to Design & Merchandising majors (4-year with co-op), this dual degree program combines study in the areas of fashion retail merchandising and product development with the MBA degree. The program is designed to allow students to complete both the bachelor's degree and the Master of Business Administration degree in five years. Incoming freshmen selected for this program will generally have a minimum of 1350 on the SAT, a GPA of 3.5 or better, and rank in the top 10% of their high school graduating class. A strong candidate for this program will have taken significant AP coursework while in high school.

Degree Requirements
The degree requirements for each program are located on the following pages:

• BS in Design & Merchandising Requirements
• MBA Requirements

Additional requirements for the dual degree program

• A cumulative GPA of at least 3.2 is required throughout the program.
• Students must take the GMAT examination and achieve a minimum score of 570 prior to the end of the tenth term in order to continue in the program. It is recommended that students take the GMAT examination late in the student's third year.
• Students must submit an acceptable plan of study at least three terms before anticipated start of graduate part of the program.

Students should visit the Westphal College of Media Arts and Design (http://www.drexel.edu/westphal) for more information.

Entertainment and Arts Management

Bachelor of Science Degree: 184.0 - 189.0 quarter credits

About the Program

Students in Drexel’s Entertainment and Arts Management major choose an area of concentration in media management, performing arts management, or visual arts management. The curriculum is designed to prepare students to lead and manage in both non-profit and for-profit areas of the field. Concentrations are available in: Visual Arts; Performing Arts; Dance; Theatre; Digital Media; Cinema and Television; and Sports Entertainment. Coursework in the Entertainment and Arts Management program includes general education, core requirements and a minor in business as well as specialized coursework within the student’s chosen area of concentration.

Unlike other undergraduate programs in this field, students are not required to choose a nonprofit or for-profit focus. This allows Drexel students increased flexibility when choosing their career paths, and a distinct professional advantage in today’s ever-changing arts and entertainment industries.

BS/MS Option

Students who complete the Entertainment and Arts Management program may also choose to pursue a graduate degree at Drexel in arts administration. Students who graduate with a 3.5 GPA in the last two years of the program who apply to the MS in Arts Administration are automatically accepted into the MS program.

Dual Degree MBA Option

Only available to students majoring in entertainment and arts management (4-year with co-op), the BS Entertainment and Arts Management/MBA dual degree program combines study in the management of the arts and entertainment industries along with the MBA degree. The program is designed to allow students to complete both the bachelor’s degree and the MBA in five years.

Applying to the Dual Degree MBA Option

Freshman applicants to the Entertainment and Arts Management program with a combined Math and Critical Reading SAT score of 1300 and a 3.5 GPA may apply for the BS/MBA program at the time of their initial application to Drexel University. Students who are accepted into the accelerated program must maintain a 3.2 GPA as an EAM undergraduate, and must submit 2 letters of recommendation and meet minimum GMAT requirements at the time of the application to the MBA program.

For more information about this major, visit the College’s Entertainment and Arts Management (http://www.drexel.edu/westphal/academics/undergraduate/eam) page.

Degree Requirements

Coursework in the EAM program includes general education and core requirements as well as specialized coursework within the student’s chosen area of concentration and, if applicable, within a specific arts or media discipline. For instance, within the media management concentration, students choose coursework in one of two disciplines: film, video, and screenwriting or digital media. In the performing arts management concentration, students choose coursework in a dance, performing arts, or theatre discipline.

The core requirements provide an overview of the student’s future career field and its required key skills and abilities. The core requirements build a foundation for further advanced and specialized courses, taught in the student’s area of concentration. At the end of their freshman year, students select one of the following concentrations:

- (A) Visual Arts Management Concentration
- (B) Performing Arts Management
  a. Dance Concentration
  b. Performing Arts Concentration
  c. Theatre Concentration
- (C) Media Management
  a. Digital Media Concentration
  b. Cinema and Television Concentration
- (D) Sports Entertainment Concentration

### Co-op/Career Opportunities

A major entertainment and arts management prepares students for a variety of careers in both for-profit and nonprofit organizations; from creative, hands-on positions to administrative and management roles.

The career possibilities in this field are extensive and include the following positions:

- Artistic or creative director
- Concert and live events manager
- Gallery owner
- Grant writer
- Marketing coordinator
- Production and development executive
- Promoter
- Publicist
- Talent agent

Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/career) page for more detailed information on co-op and post-graduate opportunities.

### About the Accelerated Degree Program (BS/MBA)

Only available to students majoring in entertainment and arts management (4-year with co-op), this dual degree program combines study in the management of the arts and entertainment industries along with the MBA degree. The program is designed to allow students...
to complete both the bachelor's degree and the Master of Business Administration degree in five years.

Incoming freshmen selected for this program will generally have a minimum of 1350 on the SAT, a GPA of 3.5 or better, and rank in the top 10% of their high school graduating class. A strong candidate for this program will have taken significant AP coursework while in high school.

**Degree requirements**

BS in Entertainment and Arts Management (http://www.drexel.edu/catalog/degree/eam.htm)

MBA

BS/MBA students may be waived from three MBA Enterprise Management courses, assuming a grade of B or better is earned in specified undergraduate courses. Students can review the Waiver Policies for the Statement of Curriculum Standing (http://www.lebow.drexel.edu/PDF/Docs/Grad/CurriculumStanding.pdf) on the LeBow College’s web site for additional information. Students who complete MIS 200 in their undergraduate program will, in addition, be waived from a fourth MBA course (MIS 611).

The above conditions hold only for fully accepted BS/MBA students as identified by Enrollment Management.

**Additional requirements for the dual degree program**

- A cumulative GPA of at least 3.2 is required throughout the program.
- Students must take the GMAT examination and achieve a minimum score of 570 prior to the end of the tenth term in order to continue in the program. It is recommended that students take the GMAT examination late in the student’s third year.
- Students must submit an acceptable plan of study at least three terms before anticipated start of graduate part of the program.

Students should visit the Westphal College of Media Arts and Design (http://www.drexel.edu/undergrad/academics/colleges-schools/westphal) for more information.

Fashion Design
Bachelor of Science Degree: 183.0 quarter credits

About the Program
The Fashion Design Program at Drexel University's Antoinette Westphal College (http://www.drexel.edu/westphal/undergraduate/FASH) of Media Arts & Design educates and trains visionary designers to use an integrated approach toward the creation of contemporary fashion within the context of an expanding, yet converging global economy and society. The fusion of art, design, science and technology serves as a springboard for the production of unique apparel for the 21st century, and represents a trans-disciplinary approach that requires flexibility and focus. Over the past two decades, Drexel's Fashion Design program has developed a stellar, international reputation and is ranked in the top five nationally and 16th worldwide. That is due in part, to a passionate and experienced faculty, novel approaches to pedagogy, and participation in national and international competitions. Faculty and alumni connections to industry leaders strongly augment and catalyze the program, the strength of which is closely linked to the philosophy that each student has a distinct vision and a unique aesthetic that must be cultivated on an individual basis.

Within the beautiful new studios and specialized labs in the URBN Center (http://drexel.edu/IA/URBN/Facilities.html), students learn to
master skills and push the boundaries using those skills. Students can engage in collaborative University wide research through the use of the exCITe Center (http://drexel.edu/excite) located next door and the Hybrid Making Lab (http://www.drexel.edu/westphal/resources/making_spaces/HybridMakingLab) located on the URBN Center’s first floor. They acquire detailed knowledge about industrial productions, advanced technologies in design, collaborative design, materials and processes, and the marketing and merchandising of clothing. Accordingly, our future fashion designers, both undergraduates and graduates alike, develop an intuitive and practical understanding of design through a fine arts foundation, while studying the psychological, social and historical contexts of fashion through the world-renowned Robert and Penny Fox Historic Costume Collection (http://www.drexel.edu/westphal/resources/FHCC) (FHCC). Importantly, the students are provided with commercial studio/ atelier training that goes hand-in-hand with classroom instruction through the University’s cooperative education program (http://www.drexel.edu/westphal/forStudents/co-op) . Cooperative education offers invaluable opportunities for students to observe and participate in the fashion industry at the ground level. Critiques by visiting professionals are included in all upper level courses and provide valuable “real world” input, as well as future career connections. A large percentage of students spend a term studying abroad (http://www.drexel.edu/studyabroad) in the world’s great fashion capitals, including London, England and Florence, Italy. Upon graduation, students show their collections (http://www.drexel.edu/westphal/creative/fash) in the annual fashion show.

### Co-op/Career Opportunities

Drexel Co-op is a renowned collegiate program. Students spend a minimum of 6 months either in the US (http://www.drexel.edu/westphal/forStudents/co-op) or abroad (http://drexel.edu/scdc/internationalcoop) where they can apply their skills in the challenging and exciting fashion industry. Areas of opportunity include garment design, concept design, product development, production, textile design, costume design, technical design, CAD, publishing, curatorial work, promotion and marketing. During the cooperative education program students apply their industry knowledge and gain experience in the diverse, fast paced global world of fashion. Students forge long lasting relationships with alumni and other industry professionals.

### Co-Op Experiences

Some past co-op employers of fashion design students include:

- A Wish Come True, Greater Philadelphia Area
- Abercrombie & Fitch, Ohio
- Althea Harper, New York
- Amsale, New York
- BCBG Max Azria, California
- Bioko Biodiversity Protection Program, Equatorial Guinea
- Blazina International, Philadelphia
- Calvin Klein, New York
- Carole Hochman Design Group, New York
- Charlotte Ronson, New York
- Dennis Basso/Stallion Inc., New York
- Derek Lam, New York
- Destination Maternity Corporation, Philadelphia, PA
- Elie Tahari, New York
- Jordache Enterprises, New York
- Lilly Pulitzer, Greater Philadelphia Area
- Michael Kors, New York
- Milly LLC, New York
- Nanette Lepore, New York
- Priscilla Costa, Greater Philadelphia Area
- Shehu, Philadelphia, PA
Facilities

Drexel University’s Antoinette Westphal College of Media Arts & Design is located in the new URBN Center at 3501 Market Street in Philadelphia. The URBN Center is a 140,000 square foot state-of-the-art facility where the Fashion Design studios are located on the 3rd floor.

Classes are held in fully equipped studios for design and construction, pattern drafting, CAD design, and textile design including a dedicated senior and graduate design studio. Other studios on the 3rd floor include a specialty equipment lab, computer lab, knitwear studio, a fabric dyeing and research lab, fashion drawing studio, and the Charles Evans Library. The Robert and Penny Fox Historic Costume Collection (http://www.drexel.edu/westphal/resources/FHCC) (FHCC), currently estimated to hold more than 12,000 objects, is located on the first floor and is an invaluable library, archive and educational tool for our students as well as scholars, historians, artists and designers in the national and international community. Also located on the first floor is the Hybrid Making Lab (http://www.drexel.edu/westphal/resources/making_spaces/HybridMakingLab). This lab provides collaborative design and research opportunities both within Westphal College and University wide. The exCITe Center (http://drexel.edu/excite) (Expressive and Creative Interaction Technologies), located next door at 3401 Market Street, welcomes students and faculty from across the University as well as the community.

The open environment of the URBN Center provides opportunity for collaboration with all of the programs at the Westphal College. Design & Merchandising is on the first floor, opposite the main lobby where work from all of the College’s students is regularly displayed. Digital Media, Animation & Visual Effects, Game Art & Production, Web Development & Interaction Design, Product Design, Graphic Design, Interiors, and Architecture’s studios and labs are also located in the URBN Center. The Center encourages anyone interested to schedule a visit (http://www.drexel.edu/westphal/contact) to experience the creativity, technology, innovation and resulting excitement.

Courses

FASH 201 Survey of the Fashion Industry 3.0 Credits
Introduces the materials and methods used to design, develop, and market the fashion product, including current vocabulary and foundation of knowledge about industry practices and career opportunities.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
FASH 210 Presentation Techniques in Fashion 3.0 Credits
Introduces the presentation techniques and skills used for communication in the fashion industry.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: (VSST 102 [Min Grade: D] or VSST 105 [Min Grade: D]) and FASH 201 [Min Grade: D]

FASH 211 Fashion Drawing I 3.0 Credits
Examines the fashion figure, fabrication, and conceptual design through the use of black, white, and gray media. Includes classroom drawing from a live model and weekly critiques.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: VSST 111 [Min Grade: D]

FASH 212 Fashion Drawing II 3.0 Credits
Examines fashion forms, fabrication, and conceptual design through the use of color and mixed media. Works toward the development of a personal "fashion look" and an understanding of drawing as it relates to the fashion industry. Includes live model.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 211 [Min Grade: D]

FASH 220 Textile Design 3.0 Credits
Instructs the student in both traditional and digital techniques of textile design. Investigates layout, repeats, and coordinated fabric groups.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: VSST 102 [Min Grade: D] or VSST 105 [Min Grade: D]

FASH 230 Textiles for Fashion Design 3.0 Credits
Examines the textile manufacturing industry and the fundamental processes involved in producing fabrics made of natural or manufactured fibers. Includes basic textile terminology and production processes as well as selection and evaluation of fabrics based on aesthetics, performance and care characteristics.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is FASH.

FASH 241 Construction Skills 4.0 Credits
Develops a proficiency in basic garment construction. Emphasizes facility with industrial equipment. Introduces production techniques and an overall awareness of standards of quality.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

FASH 251 Fashion Design I 4.0 Credits
Poses fashion problems to be solved, with an emphasis on elements of design. Explores use of half-scale experimentation and development of "studies" as an aid in developing design ideas.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: VSST 204 [Min Grade: D]

FASH 252 Fashion Design II 4.0 Credits
Examines fashion forms, fabrication, and conceptual design through the use of color and mixed media. Works toward the development of a personal "fashion look" and an understanding of drawing as it relates to the fashion industry. Includes live model.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 251 [Min Grade: D]

FASH 255 Fashion Design III 4.0 Credits
Examines the fashion figure, fabrication, and conceptual design through the use of black, white, and gray media. Includes classroom drawing from a live model and weekly critiques.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: VSST 102 [Min Grade: D] or VSST 105 [Min Grade: D]

FASH 200 Technical Studies 3.0 Credits
Includes classroom drawing from a live model and weekly critiques.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Junior or Senior.
Prerequisites: Can enroll if classification is Junior or Senior.

FASH 256 Computer Aided Design for Patternmaking 3.0 Credits
Explores sources of inspiration and requires students to translate and develop source material into creative garments. Stresses the extension and elaboration of ideas within a specific market.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 342 [Min Grade: D]

FASH 313 Fashion Drawing for Industry 3.0 Credits
Challenges students to develop a portfolio of original designs executed in a medium of choice. Explores various market segments of the industry and includes project reviews by critics who are specialists in these areas.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: FASH 312 [Min Grade: D]

FASH 314 Fashion Presentation Drawing 3.0 Credits
Develops skills in patternmaking, markermaking, and grading, using the computer as a tool.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 342 [Min Grade: D]

FASH 316 Computer Aided Design for Fashion Design 3.0 Credits
Explores the use of computers in the fashion industry and develops presentation skills using industrial and commercial software.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 313 [Min Grade: D]

FASH 317 Technical Design 3.0 Credits
Technical Design is crucial in managing technical information internally and externally within a fashion design company. The student is trained in the essential skills of creating technical packages using data programs and sketching, conducting fittings, maintaining specs, and grading patterns and how to communicate information efficiently in a global fashion industry.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is FASH.
Prerequisites: FASH 320 [Min Grade: D]

FASH 330 Fashion Design III 4.0 Credits
Explores sources of inspiration and requires students to translate and develop source material into creative garments. Stresses the extension and elaboration of ideas within a specific market.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 313 [Min Grade: D]

FASH 344 Fabric Selection and Evaluation 3.0 Credits
Explores sources of inspiration and requires students to translate and develop source material into creative garments. Stresses the extension and elaboration of ideas within a specific market.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 313 [Min Grade: D]

FASH 351 Fashion Design IV 4.0 Credits
Explores sources of inspiration and requires students to translate and develop source material into creative garments. Stresses the extension and elaboration of ideas within a specific market.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 313 [Min Grade: D]
FASH 341 Flat Pattern Design 4.0 Credits
Explores basic patternmaking techniques and manipulations and establishes comparisons between drafting and draping techniques in the development of standard slopers.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 241 [Min Grade: D]

FASH 342 Draping Design 4.0 Credits
Covers garment development by the draping method. Advances skills of FASH 341.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 341 [Min Grade: D]

FASH 343 Tailoring and Design 4.0 Credits
Provides intensive investigation of materials and construction techniques used in tailoring. Uses a combination of garment production methods, including a strong emphasis on couture practices.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 342 [Min Grade: D]

FASH 351 Fashion Design III 4.0 Credits
Requires development of original designs and execution incorporating draping, drafting, and flat-pattern techniques. Facilitates the development of a realistic approach to garment design in terms of industrial restrictions, and market segmentations. Includes professional critiques.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 252 [Min Grade: D] and FASH 343 [Min Grade: D]

FASH 352 Fashion Design IV 4.0 Credits
Expands and broadens technical skills and lays the groundwork for development of the senior collection. Includes couture evening wear techniques and research processes.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 351 [Min Grade: D]

FASH 399 Independent Study in Fashion Design 0.5-12.0 Credits
Provides individualized study in fashion design in a specialized area of study. May be repeated for credit. Department permission required.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: FASH 351 [Min Grade: D]

FASH 450 Machine Knitting 3.0 Credits
Machine Knitting is an introduction to knitwear design specialization. Students learn to style and draw knit garments to develop a professional portfolio. Technical information regarding yarn analysis, stitch construction, pattern and garment construction are the focus of this class.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 3 times for 9 credits
Restrictions: Can enroll if major is FASH.
Prerequisites: FASH 241 [Min Grade: D] and VSST 112 [Min Grade: D]

FASH 451 Accessory Design 3.0 Credits
This course provides students with concepts and skills to design traditional and contemporary fashion accessories with emphasis in embroidery; applique; hand painting; and clay, plastic and ceramic work.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 241 [Min Grade: D]

FASH 452 Millinery Design 3.0 Credits
Familiarizes students with the techniques and processes involved in hat making. Emphasis will be placed on historical perspectives and materials.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 241 [Min Grade: D]

FASH 454 Advanced Fashion Drawing 3.0 Credits
Through in-class creative assignments with experimental techniques, students learn to respond rapidly, originally, and with increased focus to resolve drawing and design problems.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 212 [Min Grade: D]

FASH 464 Professional Portfolio 3.0 Credits
This course will involve preparation and execution of a finished designer portfolio for couture, 7th Avenue or the boutique American market. Included in the preparation is research of their chosen entry into the market via history, visuals and customer profile.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is FASH and classification is Senior.
Prerequisites: FASH 314 [Min Grade: D]

FASH 465 [WI] Special Topics in Fashion Design 0.5-12.0 Credits
Provides study in fashion design on a special topic or on an experimental basis. May be repeated for credit if topics vary. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Can enroll if classification is Junior or Senior.

FASH 466 Business of Fashion 3.0 Credits
Presents the following topics in seminar fashion merchandising, retail distribution, interpreting consumer demand, merchandise assortment planning, unit and inventory control and pricing, fashion marketing and manufacturing, including the marketing process, components of the fashion industry, market evaluation, demographic and psychological factors, manufacturing components and processes, and case studies.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is FASH and classification is Senior.

FASH 467 Style and the Media 3.0 Credits
Fashion Journalism is reading and writing about all aspects of fashion, including reporting, criticism and commentary about photography related to fashion published in newspapers or magazines, displayed on websites, aired on radio and/or TV. The style of the writers and also the aspects of dress they found significant is examined.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
FASH 477 Fashion Design Seminar 3.0 Credits
Provides reading and discussion of pertinent topics of current concern in the professional area of fashion design.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.

FASH 491 Senior Problem in Fashion Design I 4.0 Credits
The second of a three-part series in which the student develops the senior collection. Requires the student to demonstrate the synthesis of a personal aesthetic and technical acumen.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Senior.
Prerequisites: FASH 352 [Min Grade: D]

FASH 492 Senior Problem in Fashion Design II 3.0 Credits
Requires completion of senior collection and presentation in student fashion show.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FASH 491 [Min Grade: D]

Film & Video
Bachelor of Science Degree: 186.0 quarter credits

About the Program
The film and video major offers a balance of technical craft and artistic vision that prepares students to pursue professional careers in the film industry. The program is hands-on with ample production opportunities from the first year of study supported by a strong emphasis in the liberal arts and foundations of design. There is also substantial coursework in screenwriting and film studies.

This highly competitive program, with only sixty-four freshmen accepted annually, features smaller classes that foster student-faculty interaction and mentoring, as well as ample access to excellent equipment. The unique Drexel co-op and Los Angeles Summer Program enhance education by providing students with professional employment experience.

The Film and Video program also offers minors in film studies and production.

### Co-Op/Career Opportunities

#### Opportunities

Students who study film and video can move on to careers as film or video directors, producers, video or film editors, directors of photography (film), camerawork, as well as grips and special effects coordinators.
Co-Op Experiences

Some past co-op employers of film and video students include:

- USA Network, New York
- Comcast, Philadelphia
- Bad Robot, Los Angeles
- ICM, Los Angeles
- Focus Features, New York
- Law & Order, New York
- NFL Films, Mount Laurel, New Jersey
- Tribeca Film Center, New York
- National Geographic Television, Washington DC
- NBC, New York
- Paramount Studios, Los Angeles
- MTV, New York

Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities.

Facilities

Film and video facilities include a shooting studio with a green screen, large and small screening rooms, a fully equipped television studio; two digital editing facilities; specially outfitted multimedia rooms for all HD courses; digital video cameras; 16mm film cameras, and lighting and audio equipment.

Additionally, the college operates DUTV (http://www.dutv.org), a cable television station reaching over 350,000 households.

Cinema and Television Faculty

Glen Muschio, PhD (Temple University). Associate Professor. Digital media, society, communication.

Lise Raven, MFA (New York University). Assistant Professor. Filmmaker.

Philip W. Salas, BS (Temple University). Assistant Teaching Professor. Utilization of advanced set top box data to measure fragmented viewing behavior. Impact of new television distribution technologies on traditional broadcasters and multichannel program providers.

David A. Schwartz, BA (Rider University). Associate Teaching Professor. Steadicam operator; cameraman.

Andrew Susskind, BA (Harvard University) Program Director of TV Production & Media Management. Associate Teaching Professor. Independent television producer and director.

Albert S. Tedesco, MA (University of Pennsylvania) Director of the Paul F. Harron Graduate Program in Television Management. Associate Teaching Professor. Impact of digital media on broadcast television; broadcasters’ response to the challenge of new media; management of publicly and privately held communications companies.

Jervis Thompson, BS (Drexel University). Associate Teaching Professor. Digital media, interactive multimedia.

Gregory S. Wolmart, MFA (University of Pennsylvania). Assistant Professor. Cinema studies; film history.

Jichen Zhu, PhD (Georgia Institute of Technology). Assistant Professor. Developing humanistic and interpretive framework of computational technology, particularly artificial intelligence (AI), and constructing AI-based cultural artifacts; interactive storytelling, games and software studies.

Interdepartmental Faculty

Lawrence Epstein, MBA (Cornell University) Interim Department Head, Arts & Entertainment Enterprise. Associate Teaching Professor.

Courses

FMVD 110 Basic Shooting and Lighting 3.0 Credits
An introduction to the basics of shooting and lighting for film and video production through demonstrations, lectures, screenings and hands-on use of digital video and still cameras and lighting equipment.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

FMVD 115 Basic Editing 3.0 Credits
Theoretical and practical principles of editing using a computer-controlled and post-production system utilizing sync sound film and video material. This class is a hands-on workshop. Screenings of excerpts from feature and short films are used to demonstrate editorial concepts.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

FMVD 120 Basic Sound 3.0 Credits
A thorough analysis of sound theory and practical applications to give students the tools to understand how sound can be successfully recorded, edited, sweetened and re-recorded (mixed) for film and video.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

FMVD 200 Acting for the Screen 3.0 Credits
This course examines the issues and techniques specific to acting for the camera. Through weekly workshops students address the limitations and relationships actors face in performing for the camera. The class explores various acting styles and schools of thought and involves extensive scene study and performance in a video setting.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

FMVD 202 Directing for the Screen 3.0 Credits
This course provides students with an understanding of the role of a director in film and television. Students focus on the development of comprehensive skills for directing technical personnel, exposure to directing styles, communicating with actors and cinematic choices.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

FMVD 206 Audio Production and Post 3.0 Credits
This course is an introduction to the creation and manipulation of digital audio files. It is geared towards the Digital Media student, with respect to applying soundtrack elements to their images. Topics will include recording dialog, location sound recording, sound effects design, music editing, and multi-track mixing.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

Restrictions: Can enroll if major is DIGM.
FMVD 207 Location Sound Recording 3.0 Credits
This course will focus on training students to record quality sound for films in any location.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Prerequisites:** FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D]  
and FMVD 120 [Min Grade: D]

FMVD 210 Documentary Video Production 3.0 Credits
Builds on the knowledge of cinematic language and basic production technique learned in FMVD 105. Students become familiar with documentary shooting and editing strategies and produce final documentary projects.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Restrictions:** Cannot enroll if classification is Freshman  
**Prerequisites:** FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D]  
and FMVD 120 [Min Grade: D]

FMVD 215 Narrative Video Production 3.0 Credits
This course is designed to build upon the basic skills learned in Shooting and Lighting, Sound & Editing and to develop an understanding of additional production and post-production technologies. Increased emphasis is placed upon the ability of the student to use the resources of the medium in a professional manner.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Restrictions:** Cannot enroll if classification is Freshman  
**Prerequisites:** FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D]  
and FMVD 120 [Min Grade: D]

FMVD 218 Intermediate Cinematography 3.0 Credits
This course provides advanced focus in cinematic concepts and techniques and their use in electronic filmmaking.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Prerequisites:** FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D]  
and FMVD 120 [Min Grade: D]

FMVD 220 Experimental Video Production 3.0 Credits
This course explores experimental theses and techniques in video. Self discovery, working through a process, and developing varied strategies are part of each student's journey that culminates in a finished experimental film.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Prerequisites:** FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D]  
and FMVD 120 [Min Grade: D]

FMVD 235 Intermediate Lighting 3.0 Credits
Emphasizes learning to model figures and shape scenery with light for film and video production. Covers methods of creating mood and atmosphere through light appropriate to the story of a particular film or video.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Restrictions:** Cannot enroll if classification is Freshman  
**Prerequisites:** FMVD 105 [Min Grade: D] or FMVD 110 [Min Grade: D]

FMVD 237 Intermediate Editing 3.0 Credits
This course will give a basic overview of film & video editing history & aesthetics as well as advanced Final Cut Pro (FCP) techniques.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Prerequisites:** FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D]  
and FMVD 120 [Min Grade: D]

FMVD 242 Film Production Design 3.0 Credits
This course is designed to instruct in the techniques and methods of designing a set for film and television.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit

FMVD 286 Producing for Features 3.0 Credits
Producing will cover all aspects associated with producing a feature film in both the Hollywood and Independent arenas.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit

FMVD 291 Film and Video Internship 0.5-3.0 Credits
The student does a non-paying internship in the field of film and video for academic credit, working a minimum of 100 hours in a 10-week term for 3 credits. The student provides an initial informational sheet on the internship and submits a final paper on the experience. May be repeated for credit. The first time the course may be taken for 3 credits. After that, the course may be repeated, but for 1 credit each time. Department permission required.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Can be repeated multiple times for credit  
**Restrictions:** Can enroll if major is FMVD

FMVD 295 Hollywood 101 3.0 Credits
This course will present an overview of how the business of Hollywood is really done. We'll examine the role of producers, agents, managers, entertainment attorneys, publicists, and studio and network executives.

FMVD 305 Special Effects Make-up 3.0 Credits
Introduction to the materials and techniques used in the creation of a character or special effects make-up for film and video. Through demonstrations and hands-on projects, students learn the basics of cosmetic application and more specialized techniques.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit

FMVD 307 Cutting Trailers 3.0 Credits
View, analyze and produce theatrical trailers and promos, as well as study the marketing methods that drive these productions. The history of trailers will also be studied.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Prerequisites:** FMVD 237 [Min Grade: D]
FMVD 310 Camera Operators Workshop 3.0 Credits
A hands-on introduction to the role of the camera operator in filmmaking.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

FMVD 315 Audio Post Production 3.0 Credits
Sound Post-Production is a workshop that allows students to thoroughly focus on the audio portion of editing. In this course, the individual components of sound design are presented and students in order to understand how all the components work together to form a solid soundtrack.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

FMVD 317 Directing the Score 3.0 Credits
This course will provide the filmmaker student with the communication tools to direct a film score composer.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

FMVD 320 Steadicam Workshop 3.0 Credits
A hands-on introduction to the use of the Steadicam as a creative production tool. The course will cover basic theory of operation and setup of the Steadicam with various cameras.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 230 [Min Grade: D]

FMVD 322 Production Workshop I 3.0 Credits
The first of a two-course sequence in which students produce a film or video project.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FMVD 210 [Min Grade: D] or FMVD 215 [Min Grade: D]

FMVD 323 Production Workshop II 3.0 Credits
The second of a two-course sequence in which students produce a film or video project.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Prerequisites: FMVD 322 [Min Grade: D]

FMVD 325 Stop Motion Animation 3.0 Credits
This course will explore the technique and expressive possibilities of traditional Stop Motion Animation. Students will learn to shoot objects or models one frame at a time to create the illusion of movement and life.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

FMVD 327 Advanced Lighting 3.0 Credits
This course expands upon lighting techniques taught in FMVD 235, Basic Lighting.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 235 [Min Grade: D]

FMVD 328 New Technologies in Film 3.0 Credits
This is a hands-on course that instructs in the use of emerging technologies in the film industry.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is FMVD or major is TELE.
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

FMVD 332 Advanced Film 3.0 Credits
This course is designed to further broaden the skills developed in Basic Filmmaking. Students shoot sync-sound, 16 mm films and have the option of working in color. A fine cut of the final project is due at the end of the term.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 230 [Min Grade: D]

FMVD 335 The 16mm Film Project 3.0 Credits
This course will further broaden the skills developed in FMVD 332 - Advanced Film Production and provide students the opportunity to complete a short 16mm film to the fine cut stage by the end of the term.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 332 [Min Grade: D]

FMVD 341 Creating Credits and Opticals 3.0 Credits
This course is designed to present a “real world” introduction to creating open and close title sequences for film and television.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 237 [Min Grade: D]

FMVD 344 Music Video Production 3.0 Credits
This course will study the history of Music Videos. Students will then develop and produce videos for artists represented by MAD DRAGON RECORDS.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

FMVD 365 Special Topics in Production 3.0 Credits
Focuses on a particular aspect of film and video production, such as cinematography, directing, or editing. The course may be repeated for credit if topics vary.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: FMVD 105 [Min Grade: D] or FMVD 110 [Min Grade: D]
FMVD 399 Independent Project in Film and Video 0.5-12.0 Credits
Students plan and produce a project in the area of film and video with faculty supervision. May be repeated for credit. Department permission required.

**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Can be repeated multiple times for credit
**Restrictions:** Can enroll if major is FMVD. Cannot enroll if classification is Freshman

FMVD 400 Advanced Directing 3.0 Credits
This hands-on class explores the communication between actors and directors in the film industry. In a workshop setting, using professional actors, students work on scenes rotating as directors.

**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** FMVD 202 [Min Grade: D]

FMVD 415 Advanced Editing 3.0 Credits
This course builds upon the basic skills taught in Editing, FMVD 115. Students advance towards editing larger scale productions, focusing on aesthetics as well as challenges to specific types of projects, advanced techniques and software.

**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** FMVD 315 [Min Grade: D]

FMVD 420 Advanced Audio Post-Production 3.0 Credits
This course is designed to provide the student with an advanced understanding of the techniques and practices of the sound designer, sound editor, dialogue editor, sound effects editor, music editor, and recording mixer for film and television.

**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** FMVD 315 [Min Grade: D]

FMVD 430 Advanced Cinematography 3.0 Credits
This course provides students with exposure to the principles of advanced cinematography and videography both in theory and practical experiences.

**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Not repeatable for credit
**Prerequisites:** FMVD 230 [Min Grade: D]

FMVD 465 Special Topics in Film and Video 3.0 Credits
Covers special topics in the area of film and video. May be repeated for credit if topics vary.

**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Can be repeated multiple times for credit
**Restrictions:** Cannot enroll if classification is Freshman
**Prerequisites:** FMVD 105 [Min Grade: D] or FMVD 110 [Min Grade: D]

FMVD 490 Directed Studies in Film and Video 0.5-12.0 Credits
Students undertake specified studies in the field of film and video with faculty supervision. May be repeated for credit. Department permission required.

**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Can be repeated multiple times for credit
**Restrictions:** Cannot enroll if classification is Freshman

FMVD 495 Senior Project in Film and Video 3.0 Credits
The student plans and produces a long-term project during the senior year with faculty supervision. The project is expected to integrate the academic and practical knowledge the student has acquired in the area of film and video.

**College/Department:** Antoinette Westphal College of Media Arts Design
**Repeat Status:** Can be repeated 3 times for 9 credits
**Restrictions:** Can enroll if major is FMVD and classification is Junior or Senior.
**Prerequisites:** FMVD 323 [Min Grade: D]

**Game Art and Production**

*Bachelor of Science Degree: 186.0 quarter credits*

**About the Program**

Drexel's nationally-ranked Game Art & Production program combines a strong comprehension of animation and interactivity, along with an understanding of design, programming, and production.

The major mirrors a sector that has seen an explosion in gaming, not just in homes, but throughout industry and the corporate world. The gaming industry has grown from just a source of entertainment to one that also encompasses the use of "serious gaming," where gaming technologies are used in education and training.

Fully immersive games now use new methods of interaction, such as multi-touch displays, motion control and haptic devices. To best prepare themselves for the demands of careers in these cutting-edge disciplines, students pursue a foundation of design and technology, taking core courses in all aspects of digital media, completing a six month co-op and delving into rigorous coursework in many areas of specialization.

To complement the creative focus of the new game art & production major, a sister concentration in game programming and development is offered as part of Drexel's major in computer science.

**Additional Information**

To find out more about this major, visit the Westphal College's Game Art and Production Major (http://www.drexel.edu/westphal/academics/undergraduate/gameartproduction) page.

**Co-Op/Career Opportunities**

Drexel students have broad training in all areas of game design and production, and our students have career opportunities in both entertainment gaming and the broader simulation/training industries.

**Co-Op Experiences**

In an industry where the process of building a career often begins with a few key contacts, the co-op program gives Drexel students the chance to begin meeting people and networking. A recent co-op student at Microsoft Studios worked with producers on several different titles and was offered a job in his junior year that was waiting for him after he completed his senior year.

In addition to the large entertainment companies, students have opportunities to explore how game design is applicable to many local industries ranging from pharmaceuticals to aircraft.

**Career Experiences**

Our students work in leading entertainment companies including Microsoft Studios, Disney, EA Games, Blizzard, Zynga, 343 Industries, Midway, and NCSoft. Other students chose smaller studios or launch their own companies. Many students chose to work outside of the leading studios by applying their game production skills to more serious endeavors for companies including Lockheed, Comcast, Vanguard, and The Ride Works.

Jobs titles range from Technical Artist, Lead Cinematic Animator, Program Manager, Associate Producer, Marketing Manager, Animator, Facial Capture Artist, Motion Capture Associate, Simulation Developer, etc. Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities, or Drexel's RePlay Lab careers (http://www.replay.drexel.edu/careers.html) page.

**Dual Accelerated Degrees**

**BS/MS in Digital Media**

The accelerated degree programs enable academically qualified students to earn both a bachelor's and a master's degree in five years instead of six — graduating sooner than they would in traditional programs. In addition, the graduate-level courses students take in their junior and senior years are included in their undergraduate tuition, which saves almost a year's worth of their MS tuition.

Current Drexel students may apply for the an accelerated degree programs through the Office of Graduate Studies after completing 90.0 credits, but no more than 120.0 credits. Many of our accelerated students have gone on to careers at leading companies including Pixar, Microsoft Studios, Dreamworks, NCSoft, and Disney.

**Facilities**

Our facilities include more than 100 triple-boot MacPro and Boxx Technology workstations, a 16 camera Vicon motion capture studio, green screen room, a 2-ton motion platform theme park ride, FTIR multitouch displays, laser scanner, stereoscopic projector, eye tracker, fNIR and EEG brain interfaces, and 3D theater, recording studios, etc. Students use professional software including Unreal, Unity3D, Maya, 3D Studio Max, Houdini, Massive, etc.

More information can be found at Drexel RePlay Lab's Facilities (http://replay.drexel.edu/facilities.html) page.
Cinema and Television Faculty

Glen Muschio, PhD (Temple University). Associate Professor. Digital media, society, communication.

Lise Raven, MFA (New York University). Assistant Professor. Filmmaker.

Philip W. Salas, BS (Temple University). Assistant Teaching Professor. Utilization of advanced set top box data to measure fragmented viewing behavior. Impact of new television distribution technologies on traditional broadcasters and multichannel program providers.

David A. Schwartz, BA (Rider University). Associate Teaching Professor. Steadicam operator; cameraman.

Andrew Susskind, BA (Harvard University) Program Director of TV Production & Media Management. Associate Teaching Professor. Independent television producer and director.

Albert S. Tedesco, MA (University of Pennsylvania) Director of the Paul F. Harron Graduate Program in Television Management. Associate Teaching Professor. Impact of digital media on broadcast television; broadcasters’ response to the challenge of new media; management of publicly and privately held communications companies.

Jervis Thompson, BS (Drexel University). Associate Teaching Professor. Digital media, interactive multimedia.

Gregory S. Wolmart, MFA (University of Pennsylvania). Assistant Professor. Cinema studies; film history.

Jichen Zhu, PhD (Georgia Institute of Technology). Assistant Professor. Developing humanistic and interpretive framework of computational technology, particularly artificial intelligence (AI), and constructing AI-based cultural artifacts; interactive storytelling, games and software studies.

Interdepartmental Faculty

Lawrence Epstein, MBA (Cornell University) Interim Department Head, Arts & Entertainment Enterprise. Associate Teaching Professor.

Courses

GMAP 260 Overview of Computer Gaming 3.0 Credits
This course presents an overview of computer gaming, including its history, its foundation in traditional games and its contemporary forms. The relationship among genres, platforms and audiences are examined and critical evaluation skills are developed.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman

GMAP 345 Game Development Foundations 3.0 Credits
This course introduces students to the computer game design process. Students also learn how the individual skills of modeling, animation, scripting, interface design and storytelling are coordinated to produce interactive media experiences.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: (ANIM 141 [Min Grade: D] or DIGM 141 [Min Grade: D] or CS 265 [Min Grade: D]) and (DIGM 260 [Min Grade: D] or GMAP 260 [Min Grade: D])

GMAP 347 Serious Games 3.0 Credits
This course explores development of games for education. Goals include understanding and appreciating the psychology of play and the principles of game design in developing educational games.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: GMAP 378 [Min Grade: D]

GMAP 348 Experimental Games 3.0 Credits
This course explores new ideas and innovative gameplay through constraints of team size and shortened development cycles.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: GMAP 377 [Min Grade: D]

GMAP 367 Character Animation for Gaming 3.0 Credits
This course focuses on character animation techniques for real-time graphics, including cyclical animations, procedural animation, motion capture and integration into game engines.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ANIM 212 [Min Grade: D] and GMAP 345 [Min Grade: D]

GMAP 368 Artificial Intelligence in Gaming 3.0 Credits
This course teaches the use and integration of state machines into game engines, as well as other methods for creating and controlling Non Player Characters (NPCs).

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: GMAP 345 [Min Grade: D] and CS 172 [Min Grade: D]

GMAP 369 Mobile Game Development 3.0 Credits
This course explores development of games for mobile platforms. Specifically addressed will be platform issues such as processor speed, screen resolution, user interface and memory.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: GMAP 377 [Min Grade: D]

GMAP 377 Game Development: Workshop I 3.0 Credits
This course examines the roles of the executive producer and the development team in taking a computer game from concept to design document through production. Students will work in small teams to research and plan a production effort that results in a pre-production prototype.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: GMAP 345 [Min Grade: D] or DIGM 345 [Min Grade: D]

GMAP 378 Game Development: Workshop II 3.0 Credits
This course provides an environment in which the pre-production of GMAP 377 Game Development: Workshop I can be taken through a full production effort. Students work in small teams to bring a selected prototype to completion.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: GMAP 377 [Min Grade: D] or DIGM 361 [Min Grade: D]
GMAP 399 Independent Project in Game Art and Production 0.5-12.0
Credits
Supervised planning and execution of a project in the area of Game Art and Production.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Cannot enroll if classification is Freshman

GMAP 421 Advanced Game Art Production 3.0 Credits
This course will step through the various modules of game engines, enabling students to gain access to real-time shaders and materials, particle systems and animation techniques.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: GMAP 377 [Min Grade: D]

GMAP 465 Special Topics in Game Production 3.0 Credits
Addresses current topics in Game Art and Production. May be repeated for credit if topics vary.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Cannot enroll if classification is Freshman

Graphic Design
Bachelor of Science Degree: 183.0 quarter credits

About the Program
The Bachelor of Science curriculum in graphic design provides a balance of traditional and technical artistic studies enhanced by general education coursework in humanities and social sciences. Students develop a sophisticated approach to creative problem solving and develop skills in typography, image generation, corporate identity, information graphics, web design, three-dimensional design and motion graphics. Students experience a broad range of two- and three-dimensional projects and remain current on electronic applications and emerging technologies. Students can also pursue advanced elective coursework in web & motion graphic design, environmental graphic design (wayfinding systems, exhibition design, identity graphics), experimental publication design and other interdisciplinary special topics projects.

Additional Information
For more information about the major, visit the Graphic Design (http://www.drexel.edu/westphal/academics/undergraduate/graphicdesign) program web page.

**Co-op/Career Opportunities**

Potential employers include advertising agencies, publishers, printers, independent and in-house design studios, museums and galleries.
Co-Op Experiences
Some past co-op employers of graphic design students include:

- The Franklin Institute
- Philadelphia Museum of Art
- Quirk Books
- Esquire
- Electronic Ink
- Razorfish
- Philadelphia Union
- McGraw-Hill Publishing
- Comcast
- The Academy of Natural Sciences of Drexel University

Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities.

Facilities
The Graphic Design classrooms are located on the fourth floor of the URBN Center in the Antoinette Westphal College of Media Arts and Design. There are five dedicated classroom workspaces equipped with up-to-date electronic and traditional tools. Classrooms have work surfaces for traditional practices that will accommodate 15 students, and wall surfaces for critiques or posting examples of printed work. In addition, students have access to a dedicated, non-scheduled Graphic Design “Open Lab” equipped with all necessary technology and work surfaces.

Advertising Design Courses

ADGD 200 Introduction to Advertising 4.0 Credits
Examines effective targets advertising and the working relationships between art direction and copywriting. Art direction and graphic design techniques for creative strategies are explored.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: VSCM 230 [Min Grade: D] and VSCM 240 [Min Grade: D]

ADGD 210 Print Advertising I 4.0 Credits
This course examines the creative process and research for creating innovative advertising. Students design and create a series of ads in market segments that include retail, trade, corporate identity, non-profit, and public service.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: VSCM 240 [Min Grade: D] and VSCM 242 [Min Grade: D]

ADGD 310 Television and Web Advertising 4.0 Credits
A concept-focused exploration of the creative process essential to creating effective ads for TV and new media.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: ADGD 210 [Min Grade: D] or WMGD 210 [Min Grade: D]
ADGD 320 Print Advertising II 4.0 Credits
Advanced advertising design class instruction that will result in a portfolio of design work that demonstrates innovative solutions and visual systems.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ADGD 210 [Min Grade: D] and VSCM 230 [Min Grade: D] and VSCM 240 [Min Grade: D]

ADGD 496 Senior Thesis in Advertising Design 3.0 Credits
Students will meet with faculty advisors to create a comprehensive self-described project. Proposals must be approved by faculty.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ADGD 310 [Min Grade: D]

Environmental Graphic Design Courses
EVGD 200 Introduction to Environmental Graphic Design 4.0 Credits
This course is an introduction to the Environmental Graphic Design specialty including wayfinding systems, architectural graphics, signage, exhibit design, and mapped and themed environments.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: EVGD 200 [Min Grade: D] and VSCM 240 [Min Grade: D]

EVGD 210 Architectural Signage 4.0 Credits
Architectural Signage focuses on identification and wayfinding systems within a built environment. This course explores means and methods through class exercises and assigned projects.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: EVGD 200 [Min Grade: D]

EVGD 220 Wayfinding 4.0 Credits
This course explores the discipline of wayfinding in an urban environment through the use of visual clues and directional hierarchy, including typography, symbols, and color.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: EVGD 210 [Min Grade: D]

EVGD 310 Design Techniques and Materials 3.0 Credits
This course introduces a wide range of materials and techniques and explores how they may be applied to develop a successful environmental graphics project.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: EVGD 220 [Min Grade: D]

EVGD 320 Exhibit Design 4.0 Credits
This exploration of exhibit design focuses on communicating a narrative visually through the design of space, graphics, objects, and interactivity.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: VSCM 230 [Min Grade: D] and VSCM 240 [Min Grade: D] and EVGD 200 [Min Grade: D]

EVGD 421 Environmental Branding 4.0 Credits
This course explores the marketing power of a branded identity when it is visually and spatially applied to a retail environment.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: EVGD 320 [Min Grade: D]

EVGD 496 Senior Thesis in Environmental Graphic Design 3.0 Credits
Senior Thesis is a personal investigation that evidences advanced problem solving in Environmental Graphic Design. Proposals must have faculty approval.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: EVGD 320 [Min Grade: D] and EVGD 421 [Min Grade: D]

Graphic Design Courses
VSCM 100 Computer Imaging I 3.0 Credits
This course explores current potentials, limitations, and issues related to use of computer software for design applications. Projects include graphics creation and manipulation; image acquisition, creation and manipulation; text creation and manipulation; typography; input and output options and control; hardware/software/system fundamentals; and troubleshooting.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

VSCM 140 Calligraphy 3.0 Credits
Covers the skills and understanding of letterforms as geometry and type, development of hand/eye skill in letter-forming, investigation of solids and voids, and use of traditional and modern tools and materials. Studio.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSST 110 [Min Grade: D]

VSCM 200 Computer Imaging II 3.0 Credits
Provides continued study of electronic imaging with emphasis on Graphic Design process for print and screen design.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 100 [Min Grade: D]
VSCM 230 Visual Communication I 4.0 Credits
Provides an overview of graphic design as an applied art. Covers the
given, the formal, and the psychological aspects of graphic design.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: VSST 102 [Min Grade: D] or VSST 105 [Min Grade: D]

VSCM 231 Visual Communication II 4.0 Credits
Continues VSCM 230. Covers corporate identity and explores logo
development using the pictorial mark, typographic solution, and abstract
interpretation as symbols of identity.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: VSCM 230 [Min Grade: D]

VSCM 232 Visual Communication III 4.0 Credits
Examines problems in graphic design on the relationship between
designer and client, including solving specific situations of image-making
with emphasis on the total identity of an organization, firm, or publication.
Involves extensive exploration of color and imagery. Studio.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 231 [Min Grade: D]

VSCM 240 Typography I 3.0 Credits
Uses the history of type as the backdrop for the introduction to the art and
craft of conventional through state-of-the-art typesetting as well as the
creative and extraordinary use of type. Focuses on the letter, word, and
sentence. Studio/lecture.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSST 101 [Min Grade: D] or VSST 104 [Min Grade: D] or
VSST 108 [Min Grade: D]

VSCM 241 Production 3.0 Credits
Covers traditional and electronic means of print production. Explores
alternate means of production and various printing and output methods.
Studio.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 240 [Min Grade: D]

VSCM 242 Typography II 3.0 Credits
Continues VSCM 240. Broadens the scope to deal with the paragraph
and the typeset page, with increased attention to the importance of
subtleties and refinements. Explores the differing requirements of type in
relationship to pictorial images.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 240 [Min Grade: D]

VSCM 247 On Screen Typography 3.0 Credits
This course develops a visual sensitivity to typographical compositions on
screen while expanding knowledge of current technologies.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM or major is GRDS.

VSCM 330 Visual Communication IV 4.0 Credits
Examines problems in information graphics, including signage,
environmental graphic design, and exhibit design. Studio.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 232 [Min Grade: D]

VSCM 331 Visual Communication V 4.0 Credits
Focuses on techniques and methods of advanced problem solving.
Through a series of three projects, the student learns to analyze
conceptual and contextual relationships pertinent to any visual
communication assignment. Studio.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 330 [Min Grade: D]

VSCM 340 Typography III 3.0 Credits
Typography III concentrates on the exploration and management of large
blocks of text in specific design problems. Special emphasis will be placed
on the style and readability of typographic treatments.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 242 [Min Grade: D]

VSCM 350 [WI] Graphic Design: 20th Century and Beyond 3.0 Credits
Concentrates on impact and significance of the graphic design profession
in society through the history and movements of the profession and the
work of 20th-century masters of visual communication. Students will
analyze conceptual and contextual relationships and develop greater
awareness of stylistic content and its relevance to the culture. This is a
writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.

VSCM 360 Design on Site 3.0 Credits
Weekly visits to studios of various design disciplines such as small
graphic design offices, environmental graphic design firms, advertising
agencies, book and magazine publishers, and website developers. A
written report is due at the end of the term.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: VSCM 232 [Min Grade: D]

VSCM 399 Independent Study in Graphic Design 0.5-12.0 Credits
Provides individualized study in graphic design in a specialized area of
study. May be repeated for credit. Department permission required.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Can enroll if major is GRDS and classification is Junior or
Senior.
VSCM 430 Visual Communication VI 4.0 Credits
Continues VSCM 331. Explores three-dimensional graphic design processes and techniques for communication, including problems of scale, material, form, and function. Emphasizes package design. Includes point-of-purchase design. Studio.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 331 [Min Grade: D]

VSCM 440 Book Design 4.0 Credits
Investigates design of books, from their pre-Gutenberg origins to contemporary technology of design, binding, paper, and finishing. Includes multiple page formats, production grids, and sequential images. Lecture/studio.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 331 [Min Grade: D] or ADGD 310 [Min Grade: D] or EVGD 220 [Min Grade: D] or WMGD 220 [Min Grade: D]

VSCM 450 Professional Portfolio 3.0 Credits
Focuses on the preparation of a professional Graphic Design portfolio. A critical process that includes the screening of completed projects, reworking or expanding projects, and reconstructing/creating final portfolio components. A formal interview presentation of the portfolio is also explored and refined.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: VSCM 430 [Min Grade: D] or ADGD 320 [Min Grade: D] or EVGD 320 [Min Grade: D]

VSCM 455 Electronic Portfolio 3.0 Credits
Focuses on the design and production of a web based Graphic Design portfolio using web graphics and imagery through visuals, motion and sound within the software programs of Dreamweaver & Flash.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: VSCM 232 [Min Grade: D]

VSCM 460 Professional Practice 3.0 Credits
Covers running a design office, including basic contracts, fee structures, and the design process. Explores types of design offices; working with suppliers, printers, photographers, and illustrators; scheduling; resumes and portfolios; taxes; and marketing of graphic design services. Lecture/field work.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 430 [Min Grade: D]

VSCM 465 Special Topics in Graphic Design 3.0-12.0 Credits
Provides study in graphic design on a special topic or on an experimental basis. May be repeated for credit if topics vary.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Prerequisites: VSCM 340 [Min Grade: D]

VSCM 477 Graphic Design Seminar 3.0 Credits
Provides a forum for discussion of current ideas in design, with a focus on print and broadcast advertising graphics. Includes presentations by invited professionals. Requires board presentation.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Can enroll if major is GRDS and classification is Junior or Senior.

VSCM 478 Graphic Design Seminar: Advanced Techniques 3.0 Credits
An exploration for the subtleties that distinguish excellence in graphic design print, web and motion venues. Selections include: Advanced Typography and Electronic Portfolio.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 3 times for 9 credits
Prerequisites: VSCM 340 [Min Grade: D]

VSCM 479 Graphic Design Seminar: Advanced Media 3.0 Credits
An exploration of advanced media development in Graphic Design as relevancy and currency demands. Selections include: Illustration I and II and Bookmaking.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 3 times for 9 credits
Restrictions: Can enroll if major is GRDS.

VSCM 480 [WI] Graphic Design Seminar: Design Perceptions 3.0 Credits
An exploration of how graphic designers use visual communications tools and how audiences perceive them. Selections include: History of Visual Propaganda and Deconstruction Advertising. May be repeated for credit if topic varies.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 3 times for 9 credits

VSCM 482 Graphic Design for Cultural Organizations 3.0 Credits
Students experience firsthand how design can enhance the mission of cultural organizations, what it takes to develop innovative outreach programs, and how to apply for grants to achieve their creative endeavors. Projects assigned will be live, and will be conducted in and outside of the classroom.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: VSCM 430 [Min Grade: D] or ADGD 320 [Min Grade: D] or EVGD 320 [Min Grade: D] or WMGD 421 [Min Grade: D]

VSCM 485 Annual Report Design 3.0 Credits
Development and analysis of the corporate annual report as a graphic design concept and as a developed marketing tool.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 340 [Min Grade: D]
Web Motion Graphic Design Courses

WMGD 210 Motion Graphics I 4.0 Credits
This course explores fundamentals of graphics in motion, focusing on the use of color, animation, and special effects. Topics include animation, motion design, and design for motion. Students will utilize software such as Adobe Animate, After Effects, or Cinema 4D to develop motion graphics projects. 

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 430 [Min Grade: D]

WMGD 220 Web Graphics I 4.0 Credits
This course focuses on the concepts, issues and techniques related to the design of Websites. Emphasis is on the design and hierarchy of a website. Students will utilize HTML, XHTML, basic JavaScript, dynamic HTML, and Cascading Style Sheets (CSS) skills. 

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: VSCM 230 [Min Grade: D] and VSCM 240 [Min Grade: D]

WMGD 330 Web Graphics II 4.0 Credits
Continues WMGD 220. Increases the complexity and scope of the art direction and design for web graphics. Students will focus on professional quality web pages using dedicated software that adheres to current industry standards. 

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: Can enroll if major is DIGM or major is GRDS.

WMGD 421 Motion Graphics II 4.0 Credits
This course focuses on applying aesthetics and skills learned in the first level to real-world applications that emphasize the graphics design of moving images. 

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: WMGD 220 [Min Grade: D]

WMGD 465 Special Topics 3.0 Credits
Provides study in web & motion graphic design on a special topic or on an experimental basis. May be repeated for credit if topics vary. 

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 3 times for 9 credits
Prerequisites: Can enroll if major is GRDS.

WMGD 496 Senior Thesis in Web and Motion Graphic Design 3.0 Credits
This course is a personal investigation that evidences advanced creative thinking and problem-solving in motion graphics. Thesis will result in an in-depth project that demonstrates professional abilities. 

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is GRDS.
Prerequisites: WMGD 421 [Min Grade: D]

Interior Design

Bachelor of Science Degree: 189.0 quarter credits

About the Program
The undergraduate interior design program explores the behavioral, technological, environmental and aesthetic aspects of interior design within the context of increasingly more complex design projects. Combined with art and art history and general education requirements, a core of interior design courses creates a unique education at the forefront of design. Through academics grounded in problem-solving design studios, cooperative employment, and a dedicated faculty, the Interior Design program prepares students for leadership positions in the interior design industry.

The BS interior design program is CIDA accredited (Council for Interior Design Accreditation).

Program Philosophy and Mission
The interior design program at the Antoinette Westphal College of Media Arts & Design is committed to developing the leaders of tomorrow. We believe that combining a studio-based, sequential interior design curriculum, with broad liberal arts study and the experiential learning of a well-established co-op program develops skillful designers, creative thinkers and potential leaders. We offer each student the opportunity for intellectual and personal growth through a hands-on approach to teaching, advising and collaborating. Developing skilled designers, creative thinkers, responsible citizens and professional leaders through academic, experiential and professional learning is the mission of the interior design program. We seek to cultivate students who acknowledge their responsibilities to the safety and well-being of the public and the stewardship of the environment and who can lead in a multifaceted profession and ever-changing world.

For more information about this major, visit the College's Interior Design (http://www.drexel.edu/westphal/academics/undergraduate/interiordesign) page.

Co-op/Career Opportunities

Interior design is a multi-faceted field and includes careers with interior design firms, architectural firms, and facilities management organizations; in governmental agencies; and in the furniture and textile industries. Full-time paid employment in the profession is an integral component of the program at Drexel. The six-month period of co-operative education, undertaken in the junior year, provides an experience of the office and the daily operation of a design firm. Through workshops offered by the Co-op Office students develop the ability to market themselves and locate potential employers. Students may opt to do their co-op in Philadelphia or in another location of their choosing.

Co-Op Experiences

Some past co-op employers of interior design students include:

- Ballinger Company
- BBG BBGM, New York City
- Children’s Hospital of Philadelphia Facilities
- Daroff Design
- DAS
- Eberlein Design Consultants
- Ewing Cole
- Floss Barber Inc.
- Gensler, New York City
- Granary Associates
- H2L2 Architects/Planners
- Hillier Lewis
- Herman Miller
- Kling Stubbins
- Knoll International
- Marguerite Rogers
- Nelson
- Perkins Eastman, Chicago
- RJMJ
- Stantec
- University of Pennsylvania Facilities
- West Chester University Facilities Office

Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities.

About the Accelerated Degree Program

Qualified students in Interior Design have the option of continuing on into the graduate Interior Architecture + Design program to obtain a dual BS/MS degree. This program allows highly motivated students to graduate with both degrees in a total of five years. Students apply for this accelerated program when they complete 90 credits of coursework, and before completing 120 credits.

Additional requirements for acceptance into the Dual Degree Program:

1. Overall GPA of undergraduate coursework – 3.2 minimum
2. Overall GPA of interior design studio coursework – 3.5 minimum
3. Portfolio Review – interior studio work and foundation visual work
4. Essay – address reason for application, attitude towards profession, professional goals and leadership qualities you possess
5. Two letters of recommendation speaking to your work ethic and leadership skills.

Evaluation Process

A committee of interiors faculty reviews the applications and discusses the merits of the student to undergo the intensity and rigor of the final two years of the program. The Committee consists of no less than three members – Director of the Interiors programs, Associate Director BS Interior Design program and the Associate Director MS Interior Architecture + Design program.

Students should visit the Westphal College of Media Arts and Design (http://www.drexel.edu/undergrad/academics/colleges-schools/westphal) for more information.

Facilities

The interior design program is housed in the new URBN Center, a state of the art design and arts facility on Drexel’s campus. The URBN Center officially opened in September 2012. A hub for creative minds to gather, share ideas and work together to bring those ideas from the mind to the page, and into the world of tomorrow, interiors students benefit from a wide-range of resources including interior design studios, the interior design resource library, a hybrid making lab, and state-of-the-art computer laboratories. College lab equipment includes scanners, printers, plotters, laser cutters, 3-d printers, computer/video projection systems and other peripheral devices as appropriate to each major.

The URBN Annex houses a black box theater, screening room and the Leonard Pearlstein Gallery. Additional studio and classroom space in the Peck Problem Solving and Research Center and the Design Arts Annex accommodate photography, basic design, painting, sculpture and a large woodworking shop with industrial-quality equipment. The woodshop
is available for use by students for three-dimensional coursework or individual projects.

**Architecture + Interiors Faculty**

David Ade, AIA, BArch *(Drexel University)*. Adjunct Associate Professor. Principal, SMP Architects.

Ulrike Altenmuller-Lewis, AIA, Dr.-Ing. *(Bauhaus Universitat Weimar)* Program Director. Assistant Professor. Research on educational environments; translations of architectural theory texts. Design studios, lectures and seminar courses.

Stephen Bonitatibus, AIA, MArch *(University of Pennsylvania)*. Adjunct Professor. Principal, Bonitatibus Associates.

Mark Brack, PhD *(University of California at Berkeley)*. Associate Professor. British and American architecture from 1700 to the present; Hispanic colonial architecture in the American Southwest; vernacular architecture; historic preservation.

Michael Burns, RA, BArch *(Drexel University)*. Adjunct Associate Professor. Principal, Michael Burns Architects.

Jon Coddington, AIA, MArch *(University of Pennsylvania)* Department Head, Department of Architecture + Interiors. Professor. Architecture, urban design and planning.

Rena Cumby, BArch, MS *(Drexel University)* Associate Department Head of the Department of Architecture + Interiors. Associate Professor. Interior designer; foundation studies and design education.

Eugenia Ellis, PhD *(Virginia Polytechnic State University)*. Associate Professor. Registered architect; interior design, extended-care facilities design, research on spatial visualization, perception and imagination.

Jeff Fama, MArch *(State University of New York at Buffalo)*. Adjunct Associate Professor. Retail, entertainment, and theater design. Graduate interiors thesis advisor.

Gary Garofalo, BS Arch Eng *(Pennsylvania State University)*. Adjunct Assistant Professor. Principal Lighting Design Collaborative. Lighting expert. Lighting design.

Don Jones, AIA, MArch *(University of Pennsylvania)*. Adjunct Professor. Ewing Cole.

Nicole Koltick, MArch *(University of California)*. Assistant Professor. Researching possibilities for architecture and design through the use of unexpected and innovative interdisciplinary models. Foundation design studios, fabrication and technology seminars.

Karin Kuenstler, MS *(Bank Street College of Education and Parsons)*. Associate Professor. Interior designer; interior design for corporate and commercial facilities, history of corporate interiors, fiber art.

Maria Kuttruff, MS *(Drexel University)*. Adjunct Assistant Professor. Residential interior design. Design studios.

Diana S. Nicholas, AIA, MFA *(University of the Arts, Philadelphia)*. Assistant Teaching Professor. Principal of Switched on Design. Design studios, analog and digital visualization.

Karen Pelzer, BS *(Drexel University)* Associate Director of the MS in Interior Architecture and Design Program. Assistant Teaching Professor. Interior designer, hospitality design. Design studios.

Marilynne L. Rose, MS *(Drexel University)*. Associate Teaching Professor. NCIDQ interior designer; residential and commercial design. Design studios, lecture and seminar courses.

Debra Ruben, MS *(Drexel University)*. Associate Professor. NCIDQ, Interior designer; residential and commercial design. Research on user participation and the design process.

Paul Salvaggio, AIA, BArch *(Pennsylvania State University)*. Adjunct Assistant Professor. Principal, Arcus Design Group. Foundation design studios.

Joseph Scanlon, BArch *(Drexel University)*. Adjunct Professor. Foundation design studios.

Rachel Schade, AIA, MArch *(University of Pennsylvania)*. Associate Teaching Professor. Principal, Schade & Bolender Architects. Work-study placement. Design studios.

Virginia Smith, MS *(Drexel University)*. Adjunct Associate Professor. Exhibit/graphic design, interior design, interior and architectural visualization.

Erik Sundquist, MArch *(Florida International University)* Director of the Hybrid Making Lab of AW CoMAD. Assistant Teaching Professor. Design studios, analog and digital architectural representation and fabrication.

Feenan Susan, BArch *(Temple University)*. Adjunct Instructor. Institutional and commercial. Design documentation and graduate thesis.

Simon Tickell, AIA, MArch *(University of Pennsylvania)* Associate Director of the Architecture Evening Program. Associate Teaching Professor. Design studios and professional practice/electives; educational and museum buildings.

Nancy Trainer, FAIA, MArch *(University of Pennsylvania)*. Adjunct Professor. Principal, Venturi Scott Brown and Associates, Architects and Planners. Design studios.

Ada Tremonte, BS *(Drexel University)* Associate Director of the BS Program in Interior Design. Assistant Teaching Professor. NCIDQ Interior designer, corporate/commercial design. Design studios, lecture and seminar courses.

**Emeritus Faculty**

Judith Bing, MArch *(Yale University)*. Professor Emeritus. Design studios, lecture and seminar courses.

Sylvia Clark, MArch *(University of Pennsylvania)*. Professor Emeritus.

Paul M. Hirshorn, AIA, MArch, MCP, *(University of Pennsylvania)*. Professor Emeritus. Design studios. Former Department Head.

Marjorie Kriebel, BArch *(University of Pennsylvania)*. Professor Emeritus.
Courses

INTR 150 Issues of the Interior Environment 3.0 Credits
Introduces the interior design discipline. Uses lectures, guest speakers, discussions, and assignments to examine topical issues of the profession, teach professional responsibilities, and develop an understanding of the history and organization of the interior design profession.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

INTR 160 Visualization I: Computer Imaging 3.0 Credits
An introductory course that explores the use of proprietary computer applications for communications and the preparation of visual materials in Interior Design. The course introduces and reinforces classic design principles for expert visual communication of ideas through digital techniques from an Interior Design perspective.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is INTR.

INTR 200 History of Modern Architecture and Interiors 3.0 Credits
Covers development of modern architecture and interiors in the 19th and 20th centuries. Develops a vocabulary for discussing architecture; an understanding of how various factors affect design; and a familiarity with names, movements, and buildings that are part of historical development.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

INTR 211 Textiles for Interiors 3.0 Credits
This course is a comprehensive introduction to textiles and their use in the interior design profession.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman

INTR 220 Visualization II: Orthographic 3.0 Credits
This course explores design communication skills through hand drawing and model building exercises. Orthographic drawing skills are developed through investigation of plan, section, elevation and three dimensional drawings.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is INTR.

INTR 225 Environmental Design Theory 3.0 Credits
This course introduces design students to the relationship between people and the built environment. Understanding how people perceive, interact with, and are affected by their surroundings through readings and design exercises make evident the significance of the psychological, psychosocial, cultural and social concepts of environmental behavior as an integral part of the designed environment.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman

INTR 231 Structure 4.0 Credits
Investigates structure as an organizing principle in design by man and nature. Explores the basic objective and subjective relationships between form and function. Includes professionally juried presentations.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: VSST 103 [Min Grade: C-] or VSST 106 [Min Grade: C-]

INTR 232 Interior Studio I 4.0 Credits
Primary spatial course. Involves conscious recognition of the manipulability of space or spaces within a given volume and small-scale environmental orientation. Includes professionally juried presentations.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: INTR 232 [Min Grade: C-]

INTR 233 Interior Studio II 4.0 Credits
Covers diagramming program requirements, designing for complex spatial requirements with an awareness of building systems (e.g., partitions, heating/ventilating/cooling, lighting), and furniture. Includes professionally juried presentations.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: INTR 232 [Min Grade: C-]

INTR 241 Visualization III: Digital 3.0 Credits
An intensive introduction to two and three dimensional drawing and visualization through the computer. This course explores orthographic and perspective drawing conventions and techniques from a digital perspective.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: INTR 231 [Min Grade: C-]

INTR 245 Visualization IV: 3D Modeling 3.0 Credits
An intensive introduction to advanced modeling and rendering software. Students will explore lighting, materiality, advanced form and spatial experience through realistic three-dimensional digital models.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: INTR 241 [Min Grade: C-]

INTR 250 Interior Materials 3.0 Credits
Introduces basic construction materials and how they may be used successfully by the interior designer. Includes sample materials, visual aids, and guest speakers.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
INTR 300 [WI] Visual Culture: Interiors 3.0 Credits
Visual Culture: Interiors addresses the interior environment by studying the role, history, economics, culture, materials and technological developments, impact decisions made by designers on interior spaces. While comparing historical context with specific knowledge, this course will enable the student to be a more articulate designer by a comprehensive examination of the interiors. This is a writing intensive course.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman

INTR 305 [WI] Visual Culture: Furniture 3.0 Credits
An overview of furniture in relationship to interiors, and its influences reaching from the roots of antiquity to the impact of technology in today’s products. It is the study of artifacts from various time periods and cultures in relation to social and political developments, life and work styles, visual arts, and economic influences.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

INTR 310 Sustainability: History, Theory and Critic 3.0 Credits
Course examines the meaning and implications of sustainable design to develop an informed interpretation and working assessment of this movement. Concepts and methodologies are explored through assigned readings, class discussion, field trips and team research.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman

INTR 331 Residential Design Studio 4.0 Credits
Provides experience with extensive real space. Emphasizes recognizing its aesthetic quality and maximizing its potential to meet the requirements of the inhabitants, by stylistic quality and elaboration in the selection and application of furniture finishes and accessories. Includes professionally juried presentations.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: INTR 233 [Min Grade: C-]

INTR 341 Visualization V: Methods 3.0 Credits
An advanced course in visualization for Interior Design. Hybrid representation strategies and specialized topics in digital and hand rendering will be covered.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 245 [Min Grade: D]

INTR 350 Interior Detailing 3.0 Credits
Covers basic considerations of interior construction and detailing and their application.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 250 [Min Grade: D] and INTR 233 [Min Grade: C-]

INTR 351 Interior Lighting 3.0 Credits
This course analyzes human needs and the perceptual responses of both general and special populations. It introduces the lighting design theory and principles and explores methods of creating mood and atmosphere with light. It develops vocabulary, documentation methods and understanding of energy conservation, lighting standards, and safety.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 350 [Min Grade: D]

INTR 399 Independent Study In Interior Design 0.5-12.0 Credits
Provides individualized study in interior design in a specialized area. May be repeated for credit. Department permission required.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Can enroll if classification is Junior or Senior.

INTR 410 Collaborative Research in Sustainability 3.0 Credits
This cumulative course is the advanced students’ opportunity to participate in a collaborative, interdisciplinary team in which the students will be applying sustainable technical and conceptual education in the context of 3rd party competitions, internally defined design challenges or applied research.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman or Sophomore
Prerequisites: ARCH 320 [Min Grade: C-]

INTR 430 Commercial Design Studio 4.0 Credits
Covers design of institutional-commercial interiors, including space planning, selection of materials and furnishings toward a synthesized environment, and development of specifications. Includes professionally juried presentations.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: INTR 331 [Min Grade: C-]

INTR 435 Topical Issues Studio 4.0 Credits
Investigates topical issues reflective of physical, social, cultural, and psychological needs, addressing special user groups or purposes. Studio.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: INTR 331 [Min Grade: C-]

INTR 441 Furniture Design 4.0 Credits
Covers design of environmental elements, simultaneous concerns with craftsmanship and the application of materials to ideas, and development of prototypes.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: VSST 203 [Min Grade: D]
INTR 442 Hospitality Design Studio 4.0 Credits
Covers design of commercial hospitality interiors, including spatial layout, custom furnishings, lighting, selection of materials, and code requirements. Includes professionally juried presentations.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is INTR.
Prerequisites: INTR 430 [Min Grade: C-]

INTR 445 Contract Documentation for Interior Design 3.0 Credits
Provides an understanding of the basic procedures and techniques for the development of construction drawings and furniture documentation. Requires students to use case studies to produce a set of drawings representative of current interior design industry standards.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: INTR 245 [Min Grade: D] and INTR 430 [Min Grade: C-]

INTR 450 [WI] Professional Practice 3.0 Credits
Surveys contemporary business methods, practices, and procedures in the operation of a design firm, including legal and ethical implications. Examines these practices through case studies and lectures by design professionals. This is a writing intensive course.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: INTR 331 [Min Grade: C-]

INTR 451 Interior Systems 3.0 Credits
Introduces building systems, mechanical, electrical, ceiling and furniture systems, and their effect on the interior environment. Includes visual aids and guest speakers.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: INTR 350 [Min Grade: D] and INTR 430 [Min Grade: C-]
Corequisite: INTR 430

INTR 465 Special Topics in Interior Design 1.0-12.0 Credit
Provides study in interior design on a special topic or on an experimental basis. May be repeated for credit if topics vary.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit
Restrictions: Can enroll if classification is Junior or Senior.
Prerequisites: INTR 430

INTR 470 Competition Studio 3.0 Credits
Competition opportunities from regional to international from professional to philanthropic allow for investigations of diverse contemporary issues surrounding the built environment. Students work under direction of a faculty member(s) to discuss, explore and develop solutions for entry into noteworthy competitions.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 1 times for 6 credits
Restrictions: Can enroll if classification is Junior or Senior.

INTR 491 Senior Project I 3.0 Credits
Part one of the 3-term senior project where students develop a capstone independent design project from concept, research and programming to complete design development.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is INTR.
Prerequisites: INTR 430 [Min Grade: C-]

INTR 492 Senior Project II 3.0 Credits
Part two of the 3-term senior project where students develop a capstone independent design project from concept, research and programming to complete design development.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is INTR.
Prerequisites: INTR 491 [Min Grade: C-]

INTR 493 Senior Project III 3.0 Credits
Part three of the 3-term senior project where students develop a capstone independent design project from concept, research and programming to complete design development.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is INTR.
Prerequisites: INTR 492 [Min Grade: C-]

Music Industry

Bachelor of Science Degree: 189.0 - 191.0 quarter credits

About the Program

The degree in music industry offers the highly motivated and musically talented student a program of study that combines mastery of the art form with career preparation. Two concentrations are offered—Music Industry Business and Music Industry Technology—providing hands-on experience and a strong academic foundation in relevant areas of this rapidly changing industry. The music industry curriculum is divided into four areas which are combined with cooperative experience: general education, music core, music industry core, and concentration requirements.

In an industry where the process of career building often begins with a few key contacts, the cooperative education program provides Drexel students the opportunity to meet industry professionals and network. The program prepares students for careers in the music industry in such diverse positions as recording engineer, music producer, sound designer, music lawyer, business manager or music publisher. The co-op experience during the sophomore and junior year summer terms involves full-time career-related employment, during which students gain valuable insight into how the entertainment industry works.

About the Concentrations

The major offers two concentrations: music industry business and music industry technology:

- The music industry business concentration provides a rigorous academic foundation complemented by a real-world hands-on, highly-intensive business experience. This mission is realized through the students’ participation in the MAD Dragon Music Group, a group of student-run enterprises including: MAD Dragon Records,
DraKO Booking Agency, MAD Dragon Publishing, MADKo Concert Promotions and a BANTIC media.

• The music industry technology concentration focuses on the techniques and technologies of music and audio production. As well as providing the technology-oriented student with the necessary skills to perform as an audio engineer or record producer, the concentration teaches students how to conduct studio management and production company business. The concentration encourages the technology student to interact with the students in the business concentration by recording, mixing and mastering the music for the MAD Dragon Music Group, and engaging in live performance production.

Students can apply for a a minor in business administration after completing their music industry core requirements. This emphasis on business courses as part of the core requirements is one of the foundations of the program.

Special Admissions Considerations

Students wishing to be admitted to the music industry major must meet or exceed the general requirements for admission to the University and the College of Media Arts and Design.

The program no longer accepts hard-copy portfolios. However, when applying to the Music Industry program, applicants can provide links in their application materials to electronic examples of pertinent activities, as well as a resume of music industry related activities. If an applicant chooses, he or she can create a special webpage or site for the Music Industry Program Administration to review. The link should be mentioned in the application essay.

In their major-specific essays, applicants should address their reasons for selecting the music industry major at Drexel and share their passion for this unique area of study.

For more information about this major, visit the College’s Music Industry (http://www.drexel.edu/westphal/academics/undergraduate/musicindustry) page.

Degree Requirements

All students take the same general education, music industry core and business courses. Students choose their concentration at the time of admission; however it is possible to switch as late as the beginning of junior year.

Concentrations:

• Music Industry Business
• Music Industry Technology

Students are also able to take courses in any other concentration as long as they fulfill the prerequisite requirement(s) and there is room in the class to accommodate the student.

About the Accelerated Degree Program

The BS in Music Industry/MBA program offers students a program that combines an undergraduate degree in music business and technology with an MBA degree awarded by the Drexel LeBow College of Business. The program is designed to allow students to complete both the bachelor's degree and the Master of Business Administration degree in five years.

Students selected for this program will generally have a minimum of 1350 on the SAT, a GPA of 3.5 or better, and rank in the top 10% of their high school graduating class. A strong candidate for this program will have taken significant AP coursework while in high school.

BS/MBA students may be waived from two MBA Enterprise Management courses, assuming a grade of B or better is earned in specified undergraduate courses. Students can review the Waiver Policies for the Statement of Curriculum Standing on the LeBow College’s website for additional information.

The above conditions hold only for fully accepted BS/MBA students as identified by Enrollment Management.

Additional requirements for the dual degree program:

- A minimum of 3.2 cumulative GPA must be maintained throughout the entire undergraduate portion of this program or the student will not be able continue on to the MBA.
- Students must take the GMAT examination and achieve a minimum score of 570 prior to the end of the tenth term in order to continue in the program. It is recommended that students take the GMAT examination late in the student's third year.
- Students must submit an acceptable of plan of study at least three terms before anticipated start of graduate part of the program.

Photography
Bachelor of Science: 180.0 quarter credits

About the Program
The photography curriculum is designed to provide the basis for both technical and aesthetic proficiency. Through a hands-on program blending traditional processes with the latest digital technologies, the photography curriculum provides all the tools necessary for aspiring artists/photographers to achieve a breadth of experience not generally developed in traditional fine art or commercial photography programs.

The photography major provides students with a unified fine arts/professional curriculum offering a wide range of studio, real-world, and academic experiences—intermixed with ongoing critiques and evaluation—including the studio, the darkroom, and the computer. The major prepares students to understand photography as a system of visual communication with its foundation in an ever-changing technology. Graduates may be employed in a variety of photo-related businesses, initiate their own photographic enterprises, or choose to go on to advanced studies.

The College’s extensive photographic facilities (http://www.drexel.edu/westphal/undergraduate/PHTO/Facilities) are available to every photography major at Drexel. Incoming students are only required to bring a 35mm film camera that can be used on a manual setting.

Additional Information
For more information about this major, visit the College’s Photography (http://www.drexel.edu/westphal/undergraduate/PHTO) website.

**Courses**

**PHTO 110 Photography 3.0 Credits**
Lecture-laboratory course in black and white photography. Coordinates a photographic visual discipline with comprehensive camera and darkroom/digital lab experience. For PHTO Majors, a manual 35mm film camera is required. For PHTO Minors & non-majors a digital point and shoot camera or DSLR, eight megapixels or higher is required.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**PHTO 140 Digital Photography I 4.0 Credits**
The objective of this course is to give you an introduction to the technical skills necessary to use computers, equipment, and software as a means of visually communicating your photographic ideas.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**PHTO 210 Intermediate Photography 3.0 Credits**
Continues the aesthetic and technical investigations of black and white photography begun in PHTO 110 through a mix of lectures, slide discussions, analytical and creative projects, and group critiques. For PHTO Majors, a manual 35mm film camera is required. For PHTO minors and non-majors, a digital point and shoot camera or DSLR is required.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** PHTO 110 [Min Grade: D]

**PHTO 231 Color Photography 4.0 Credits**
An introduction to the aesthetics and technology of color photography. There is an emphasis on color composition and theory. Class includes a variety of color processes, utilizing analog/film and digital materials.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** PHTO 210 [Min Grade: D]

**PHTO 233 Large Format Photography 4.0 Credits**
Provides a thorough exploration of large-format camera techniques and large-format film exposure/development techniques including the zone system. Introduces the aesthetic of the large-format black-and-white photograph and expands the student's vision of the potential of the photographic image.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** PHTO 210 [Min Grade: D]

**PHTO 234 Studio Photography 4.0 Credits**
Utilizes the digital camera. Examines artificial lighting techniques and provides context for exploration of the studio as a creative photographic environment.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** PHTO 231 [Min Grade: D]

**PHTO 236 Photojournalism 4.0 Credits**
Approaches the subject of photojournalism through lectures on its history and current practices and through application. Considers the documentary genre of photography in general.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** PHTO 210 [Min Grade: D]

**PHTO 238 Digital Photography II 4.0 Credits**
Explores the digital image within the context of photographic practice. Examines current capabilities and future potentials in image capture, manipulation, output, and dissemination. Projects include utilization of image-manipulation programs, direct digital cameras, and hybrid film/digital approaches. Addresses aesthetic, conceptual, and professional issues.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** PHTO 210 [Min Grade: D]

**PHTO 239 Fine Black & White Printing 3.0 Credits**
Explores the aesthetic of the fine black-and-white print, including issues of print scale, tonality, surface quality, toning, and archival techniques. Uses zone-system analysis to optimize the relationship of the negative and the print.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** PHTO 210 [Min Grade: D]

**PHTO 253 Fine Black & White Printing 3.0 Credits**
Provides an overview of the history of photography from 1839 to approximately 1930, including technological developments, aesthetic trends, theoretical and philosophical understandings, and effects on society and culture at large. This is a writing intensive course.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Restrictions:** Can enroll if major is PHTO and classification is Junior or Pre-Junior or Senior.  
**Prerequisites:** PHTO 234 [Min Grade: D] and PHTO 334 [Min Grade: D]

PHTO 340 Digital Photography III 4.0 Credits
This class will build on intermediate Photoshop skills while exploring the new field of building a photographic image by using more than one frame or multiple elements. Students will be expected to produce a body of work using the skills learned. Large format printing will be stressed.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Restrictions:** Can enroll if major is PHTO and classification is Junior or Senior.  
**Prerequisites:** PHTO 140 [Min Grade: D] and PHTO 240 [Min Grade: D]

PHTO 361 Advanced Photography 4.0 Credits
Extends study and experimentation in studio, color, and historical photography. Examines non-silver and non-traditional photographic technologies.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Restrictions:** Can enroll if major is PHTO.  
**Prerequisites:** PHTO 233 [Min Grade: D] and PHTO 253 [Min Grade: D]

PHTO 392 Junior Project in Photography 3.0 Credits
Integrates the technical and conceptual understandings that the student has acquired in photography through development of a personally defined photographic project. Students will meet in weekly seminars to plan, discuss, and critique in-progress work.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit  
**Restrictions:** Can enroll if major is PHTO.  
**Prerequisites:** PHTO 234 [Min Grade: D]

PHTO 399 Independent Study In Photography 0.5-12.0 Credits
Provides individualized study in photography in a specialized area. May be repeated for credit. Department permission required.
**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Can be repeated multiple times for credit  
**Restrictions:** Can enroll if major is PHTO.

PHTO 451 Photography and Business 3.0 Credits
Seminar course with invited professionals from the photographic and business fields. Helps prospective photographers understand legal aspects of photography, freelance business practices, and potential employment possibilities and expectations.
**College/Department:** Antoinette Westphal College of Media Arts Design

Prerequisites: PHTO 492 [Min Grade: D] and PHTO 493 [Min Grade: D]

Product Design

Bachelor of Science Degree: 187.0 quarter credits

About the Program

Product design combines the fields of art, business, and engineering to design the products people use every day. The program in product design focuses creativity and intellect, and prepares students for careers in a range of product design fields including corporate product design, design consulting, entrepreneurial endeavors, sustainable product development, and global design initiatives.

The major in product design is centered on teaching students the skills to develop and design products for a vast array of industries, specializing in multidisciplinary design research focused on product development and commercialization. It will also encourage collaboration in green design, sustainability and innovation in product development, facilitating and combining the fields of art, business, engineering and technology.
Students have the opportunity to create products ranging from furniture and toys to medical devices and consumer electronics in design competitions and charrettes. Students learn in state-of-the-art facilities that include a modeling shop and studio, laser cutters, 3D printers, rapid prototypers and molding clays and tools. The modeling shop and studio are large design-centered spaces, built to promote and sustain the studio culture students will enter upon graduation.

Students enrolled in the product design major will be expected to pursue a minor outside of product design that will allow them to apply their design capabilities toward a specific area of expertise.

For more information about this major, visit the College’s Product Design [page](http://www.drexel.edu/westphal/academics/undergraduate/productdesign).

### Degree Requirements

In addition to the following requirements for graduation, students enrolled in the Product Design major will be expected to pursue a minor outside of product design that will allow them to apply their design capabilities toward a specific area of expertise.

**Co-op/Career Opportunities**

Product designers have careers in a wide range of industries including consumer electronics, housewares, furniture, fashion accessories, medical devices, toys, automotive and transportation. The work of product designers improves the usefulness and appearance of countless products that contribute to the quality of our work and personal lives.

Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities.

**Minor in Product Design**

Students in this minor—through a combination of three studio courses and four applied lecture courses—learn to combine skills in creative problem solving with a visual product design process. Students develop product concepts and collaborate on the development of product ideas, including the creation and integration of new technologies, sustainability, healthcare and socially responsible design, all of which are beneficial for design professionals.

The minor is specifically created to offer students a unique multi-disciplinary studio experience. Students will develop skills in the rapid visualization of ideas, creative problem solving, transformative design thinking and an understanding of the product development process in a collaborative setting. This minor is offered to all students having an interest in developing product ideas, including students from the College of Engineering, the LeBow College of Business, and the School of Biomedical Engineering as well as College of Media Arts and Design students who would like to add a product focus to their design degree.

**Academic requirements**

To be eligible for the minor in product design, a student must have completed a minimum of 30.0 undergraduate credits, have declared a major, and have a minimum GPA of 2.7. No pre-requisite courses are required. Students may be encouraged to augment or prepare for this minor. Only upon review by the faculty advisor for the minor will students with design credits from other institutions or departments be allowed to apply these to the requirements.

### Fashion, Product Design & Merchandising Faculty

Kristen Ainscoe, BS *(Drexel University)*. Assistant Teaching Professor. Visual merchandiser; merchandise management.

Catherine Byers, MA *(American University)* Program Director, Design & Merchandising. Assistant Teaching Professor. Journalism; marketing and communications.

Nick Cassway, BFA *(Tyler School of Art)*. Assistant Teaching Professor. Curating; experimental portraiture; computer design.

Anne C. Cecil, MA *(University of the Arts)* Program Director, Design & Merchandising. Associate Teaching Professor. Web designer, product designer, merchandising and artist.

Renee Weiss Chase, MS *(Drexel University)*. Professor. Fashion designer; computer-aided design systems for the fashion curriculum.

Anita Dennis, AST *(Art Institute of Philadelphia)* Fashion Laboratory Technician. Assistant Teaching Professor. Fashion designer and technician; construction skills.

Genevieve Dion, MFA *(University of the Arts)* Director, Shima Seiki Haute Technology Laboratory. Assistant Professor. Industrial designer, wearable artist, new materials technology research.

Michael Glaser, MFA *(Ohio State University)* Program Director for Product Design. Assistant Professor. Quantifying the designer’s intuition; the interplay between digital and physical forms; human desire to shape our surroundings.

Cynthia Golembuski, MS *(Drexel University)* Associate Program Director, Fashion Design. Assistant Teaching Professor. Fashion designer, illustrator, computer aided design.

Robert H. Gruber, MS *(Drexel University)* Head of the Fashion and Product Design & Merchandising Department. Associate Professor. Fashion designer and illustrator; wearable artist, merchandiser, special events.

Joseph H. Hancock, II, PhD *(Ohio State University)*. Associate Professor. Apparel merchandising, textiles and clothing, culture and marketing strategies.

Lisa L. Hayes, BFA *(Syracuse University)* Program Director, Fashion Design. Associate Professor. Fashion designer, product designer, pattern design.

Jan Marshall, BA *(Long Island University)*. Assistant Teaching Professor. Fashion designer, knitwear, product development, fashion analysis.

Kathi Martin, MSIS *(Drexel University)* Associate Director of the Graduate Program in Fashion Design. Associate Professor. Fashion and textile designer; textile artist; computer-aided design, best practices online databases and graphic interfaces for fashion and historic costume, virtual characters for fashion design.

Alphonso McClendon, MS *(Drexel University)*. Assistant Professor. Fashion designer, textile designer, computer aided design.

Beth Phillips, MS *(Georgetown University)*. Associate Teaching Professor. Business and international marketing, linguist, analysis of products.

Clare Sauro, MA *(Fashion Institute of Technology)* Curator of the Robert and Penny vox Historic Costume Collection. Assistant Teaching Professor. Curatorial studies, collection management, art history and fashion.

### Courses

**PROD 101 History and Analysis of Product Design 3.0 Credits**

This class studies the chronological context of the development of the product design profession, relating it to the social, cultural and economic events that helped shape our modern day society. Studies are focuses on major industrial designers and innovations. This course has both a project and written analysis paper component.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**PROD 205 Applied Making I 3.0 Credits**

This course introduces the development of rapid study models and mid-fidelity prototypes related to product design. Students, through a series of exercises, build study models of products to professional standards of accuracy and finish, with an emphasis on rapid development. Aspects of workshop practice and safety are emphasized.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** PROD 101 [Min Grade: D]

**PROD 210 Introduction to Product Design 3.0 Credits**

This course introduces students to basic product design techniques. It combines lectures, demonstrations, discussions and problem solving exercises exploring product design as a creative process in the production of simple objects. Students develop a command of product development, skills in modeling and communication of their novel solutions.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit

**Prerequisites:** PROD 101 [Min Grade: D]

**PROD 215 Design Thinking in Product Design 4.0 Credits**

This course is a studio-seminar introducing principles and theories of product design, systematic design process, problem-solving, decision making and design as authorship. The course uses design research methods, and topical design issues to explore and experience design thinking.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Repeat Status:** Not repeatable for credit
PROD 220 Product Design Form Studio 4.0 Credits
This course uses principles of design in the visual organization of physical elements and analysis of form. Building on abstract relationships including additive and subtractive forms as well as gestalt. Students develop a sensitivity to form language, semantics and aesthetics of volumes and synthesize this abstract language into functional objects.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: PROD 210 [Min Grade: D] and PROD 205 [Min Grade: D] and PROD 235 [Min Grade: D]

PROD 225 Computer Aided Imaging in Product Design 3.0 Credits
This is an applied computer class in which students pursue the development of design projects using current product design photorealistic rendering softward for object design and three-dimensional modeling of products applicable to rapid prototyping.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: Can enroll if major is PROD.

PROD 230 Product Design Process Studio 4.0 Credits
In this course students are presented complex design issues in mass-produced objects. Students develop an understanding of the product development process focusing on the designers skills and technical knowledge to formulate appropriate design solutions. Students practice collaboration of ideas with engineers, marketing, users and shareholders.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: PROD 220 [Min Grade: D]

PROD 235 Applied Design Visualization 3.0 Credits
This course will provide students with schemas and strategies for using visualization as a thinking tool, as well as persuasive techniques for communicating design intent. It will put into practice the essential techniques that product designers use to think and communicate visually.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

PROD 245 Seminar Professional Landscape 3.0 Credits
In this course students explore current trends in the product design profession today. Students will research and present insights into important design issues, trends, and criticism in contemporary product design. Through extensive readings and discussions, students develop an understanding of the relationship of product design to society and culture.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: PROD 220 [Min Grade: D]

PROD 255 Applied Materials in Product Design 3.0 Credits
The course emphasizes the practical relationship between product design and the manufacturing industry and the technical considerations that influence the choice of material and process for small batch and mass production.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: PROD 235 [Min Grade: D] and ENGR 220 [Min Grade: D]

PROD 340 Interdisciplinary Product Design Studio 4.0 Credits
Through a focused design project, students of various backgrounds and departments collaborate on complex design issues as they seek to create an appropriate and novel solution to the assigned design problem. Bringing both the PROD majors and PROD minors together, students work as teams through the product development cycle.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: PROD 230 [Min Grade: D]

PROD 345 Applied Human Centered Design 3.0 Credits
This course explores the physical, psychological, perceptual, and behavioral characteristics of humans. Through a series of lectures and projects, this information is applied to the field of product design to develop safe and effective products.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: PSY 101 [Min Grade: D]

PROD 350 Sponsored Product Design Studio 4.0 Credits
Students undertake projects that are sponsored by industry partners to investigate a broad range of design, marketing and production issues. In this course, students, working in a team environment, research user needs, human factors, aesthetic issues, manufacturing requirements, and market demands to identify user needs and product opportunities.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is PROD.
Prerequisites: PROD 340 [Min Grade: D]

PROD 399 Independent Study in Product Design 3.0 Credits
Provides individualized study in product design in a specialized area of study. May be repeated for credit.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 2 times for 6 credits
Restrictions: Can enroll if major is PROD and classification is Junior or Senior.
Prerequisites: PROD 340 [Min Grade: D]

PROD 425 Applied Design Research 3.0 Credits
This course covers diverse theories and methods for conducting product design research. Emphasis is given to understanding quantitative and qualitative research methods and the role the designer in synthesizing and applying research as a critical part of the design process. This course combines writing and short projects.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is PROD.
Prerequisites: COM 220 [Min Grade: D] and PROD 345 [Min Grade: D]

PROD 460 Research Synthesis Studio 4.0 Credits
In this first of two senior studios, students apply their skills to initiate research on an opportunity of their selection. Under supervision, students demonstrate control of applied design research and synthesis. This course focuses on the information gathering, study, and analysis that product designers do to inspire and inform themselves.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is PROD.
Prerequisites: PROD 340 [Min Grade: D]
Screenwriting and Playwriting

Bachelor of Science Degree: 182.0 quarter credits

About the Program

The Westphal College Screenwriting & Playwriting program is designed to guide and prepare students for a writing career for the stage or screen. The program emphasizes both the principles of dramatic writing and a practical hands-on approach to instruction. Graduates are armed with the skills, experience, and confidence to gain an edge in a growing and competitive field.

Students in the Screenwriting & Playwriting program begin the lifelong process of accumulating a writer’s capital: the ideas, understandings, facts, and methods of perception, as well as the technical knowledge, needed to write compellingly for performance. Students learn to create scripts that meet industry standards for theater, feature film and television and acquire hands-on experience in the techniques of stage, film and video production. Graduates of this program are prepared to pursue careers in any of numerous fields that require dramatic writing or to enter one of the highly competitive graduate programs in the field.

For more information about this major, visit the College’s Screenwriting & Playwriting (http://www.drexel.edu/westphal/undergraduate/SCRP) page.

Co-op/Career Opportunities
Dramatic writing is writing for production — work intended for performance on the stage or screen. These days, "screen" can mean movie, TV, or computer, and the work can be anything from full three-act stage plays to 15-second commercials.

Co-Op Experiences
By working for professional writers, entertainment management companies, television stations, magazines and advertising and public relations firms, Screenwriting & Playwriting students gain valuable insights into how the entertainment industry works.

In the Program's first few years, co-op students were placed with Disney Video Animation, several prominent Hollywood talent managers, the editor and publisher of a screenwriters' magazine, at Marvel Comics and in the production office of "Star Trek: Enterprise.”

Visit the Drexel Steinbright Career Development Center (http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities.

Cinema and Television Faculty
Glen Muschio, PhD (Temple University). Associate Professor. Digital media, society, communication.
Lise Raven, MFA (New York University). Assistant Professor. Filmmaker.
Phillip W. Salas, BS (Temple University). Assistant Teaching Professor. Utilization of advanced set top box data to measure fragmented viewing behavior. Impact of new television distribution technologies on traditional broadcasters and multichannel program providers.
David A. Schwartz, BA (Rider University). Associate Teaching Professor. Steadicam operator; cameraman.
Andrew Susskind, BA (Harvard University) Program Director of TV Production & Media Management. Associate Teaching Professor. Independent television producer and director.
Albert S. Tedesco, MA (University of Pennsylvania) Director of the Paul F. Harron Graduate Program in Television Management. Associate Teaching Professor. Impact of digital media on broadcast television; broadcasters’ response to the challenge of new media; management of publicly and privately held communications companies.
Jervis Thompson, BS (Drexel University). Associate Teaching Professor. Digital media, interactive multimedia.
Gregory S. Wolmart, MFA (University of Pennsylvania). Assistant Professor. Cinema studies; film history.
Jichen Zhu, PhD (Georgia Institute of Technology). Assistant Professor. Developing humanistic and interpretive framework of computational technology, particularly artificial intelligence (AI), and constructing AI-based cultural artifacts; interactive storytelling, games and software studies.

Interdepartmental Faculty
Lawrence Epstein, MBA (Cornell University) Interim Department Head, Arts & Entertainment Enterprise. Associate Teaching Professor.

TV Production & Media Management

Bachelor of Science Degree: 189.0 quarter credits

About the Program

The TV Production and Media Management program educates students to conceive, produce, and market entertainment and information through current and evolving television platforms. The program addresses the creative aspects, the craft, and the business of producing fictional and nonfictional content, and prepares students to work in all distribution formats.

The TV Production and Media Management program combines the resources of DUTV, Drexel's fully-equipped, high-definition television station, with a comprehensive academic program to provide students with foundational experiences in the development, writing, production, editing, programming, multi-platform distribution, management, and promotion of television content. The major offers a course of study of 18.0 credits with tracks in Comedy & Drama Production, New & Non-Fiction Production, and Industry & Enterprise. Students are taught by and work with a faculty of notable industry professionals whose experience, passion, and contacts help prepare them to enter and navigate the competitive world of television. The major is designed as a four year, co-op program. For more information about this major, visit the College's TV Production and Media Management (http://www.drexel.edu/westphal/academics/undergraduate/television) page.

Degree Requirements

All TV Production & Media Management majors take the same core courses for the first five terms (through the winter term of their sophomore year). These core courses encompass production fundamentals, digital media fundamentals, an introduction to television industry and enterprise, and beginning screenwriting. Finally, there is an introductory TV studio course, TV field course, and television studies course. The core requirements build a foundation for further advanced and specialized courses, taught in the student's area of concentration.

By the spring term their sophomore year, students select one of the following concentrations:

- **TV Comedy & Drama:** Students who choose this track gain an education in fictional programming. They will further hone their production skills in lighting and editing; they will be introduced to acting so they can better understand directing actors.

- **TV Industry & Enterprise:** Students choosing this track gain an education in the business of television, completing three courses in the LeBow College of Business: business law, entrepreneurship, and...
marketing. They learn about the financial aspects of television and are introduced to managing the IT area as it relates to television.

- **TV News & Non-Fiction Production**: Students who choose this track gain an education in documentary, news and nonfiction programming. They will hone their production skills in lighting and editing; they will learn how to direct TV studio programs and remote programs using multiple cameras.

### Co-op/Career Opportunities

As the fourth largest television market and home of Comcast, one of the most rapidly expanding cable companies in the United States, Philadelphia is a major national television center. The TV Production & Media Management program takes advantage of this in numerous ways, including adjunct faculty, guest speakers, scholarship possibilities, internships, co-op experiences, and joint ventures.

The major interacts with the Paul F. Harron TV Studios, which houses DUTV [http://dutv.drexel.edu/television/Main.html](http://dutv.drexel.edu/television/Main.html) and two television studios. Students produce projects in the TV studios as part of their course work. As for DUTV, it will provide a laboratory in which students can learn, and will also benefit from the productions that students will work on, and in some cases, produce, themselves.

Drexel also offers a graduate level program in Television Management, and some students in the undergraduate major may wish to apply to the graduate program.

Visit the Drexel Steinbright Career Development Center [http://www.drexel.edu/scdc](http://www.drexel.edu/scdc) page for more detailed information on co-op and post-graduate opportunities.

### Television Facilities

DUTV, an educational access channel operated by Drexel University, provides a laboratory for students majoring in Television. The Paul F. Harron TV Studios houses DUTV as well as two television studios (newly renovated with a one million dollar gift to the College) providing students with workspace as well as hands-on management experience that is so essential to the program.

Film and video facilities include a shooting studio with a green screen, large and small screening rooms, a fully equipped television studio; digital editing facilities; specially outfitted multimedia rooms for all courses; digital video camcorders; 16mm film cameras, and lighting and audio equipment.

### Cinema and Television Faculty

Glen Muschio, PhD [Temple University]. Associate Professor. Digital media, society, communication.

Lise Raven, MFA [New York University]. Assistant Professor. Filmmaker.

Philip W. Salas, BS [Temple University]. Assistant Teaching Professor. Utilization of advanced set top box data to measure fragmented viewing behavior. Impact of new television distribution technologies on traditional broadcasters and multichannel program providers.

David A. Schwartz, BA [Rider University]. Associate Teaching Professor. Steadicam operator; cameraman.

Andrew Susskind, BA [Harvard University] Program Director of TV Production & Media Management. Associate Teaching Professor. Independent television producer and director.

Albert S. Tedesco, MA [University of Pennsylvania] Director of the Paul F. Harron Graduate Program in Television Management. Associate Teaching Professor. Impact of digital media on broadcast television; broadcasters' response to the challenge of new media; management of publicly and privately held communications companies.

Jervis Thompson, BS [Drexel University]. Associate Teaching Professor. Digital media, interactive multimedia.

Gregory S. Wolmart, MFA [University of Pennsylvania]. Assistant Professor. Cinema studies; film history.

Jichen Zhu, PhD [Georgia Institute of Technology]. Assistant Professor. Developing humanistic and interpretive framework of computational technology, particularly artificial intelligence (AI), and constructing AI-based cultural artifacts; interactive storytelling, games and software studies.

### Interdepartmental Faculty

Lawrence Epstein, MBA [Cornell University] Interim Department Head, Arts & Entertainment Enterprise. Associate Teaching Professor.

Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

TVPR 220 TV News Writing 3.0 Credits
This is a basic introduction to writing for television news broadcasts. Students will learn to conceptualize, confirm and write stories on deadline, and develop basic interviewing skills. Issue of journalistic ethics will be presented and discussed. Weekly story assignments will be given to augment classroom work.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

TVPR 221 TV News Production 3.0 Credits
This course is an introduction to single camera field production for TV news, exposing students to the basics of writing, shooting, field lighting and remote news production logistics. Students will learn techniques of video and audio acquisition as well as satellite, microwave and STL type operations.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D] and TVPR 220 [Min Grade: D]

TVPR 230 TV Field: Drama 3.0 Credits
This course gives students instruction and experience in scouting, prepping, producing, interpreting, staging, directing, and shooting dramatic scenes on location. Students also experience the challenge of managing a cast and crew while simultaneously dealing with the kind of time, resource and technical limitations that exist in the professional world.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

TVPR 232 TV Field: Industrials 3.0 Credits
Students will learn to write, produce, and direct industrials, marketing, point of purchase and sales presentation video presentations. Strategizing, writing, shooting and editing skills will all be utilized as students produce 2 finished productions over the course of 10 weeks.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

TVPR 236 TV Field: Nonfiction 3.0 Credits
This course gives students instruction and experience in doing non-fiction TV shows in the field. This includes TV documentaries, reality TV shows, news stories, and field segments for magazine shows.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

TVPR 240 Producing for Television 3.0 Credits
This course introduces students to the art and craft of producing for television and examines every aspect of the producer’s role in the developing, selling, pre-production, production, post-production, delivery, and marketing of a show. Students will also learn the functions of all other jobs involved in a production.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

TVPR 242 TV On-Camera Performance 3.0 Credits
Students will receive practical experience in all aspects of television performance, including anchoring, reporting, announcing, hosting, and acting. This class is designed specifically for those production students with little or no acting or on-camera experience, but who will benefit from a greater understanding of the performance process.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

TVPR 315 Episodic Webisode Production 3.0 Credits
The students will experiment with many options for developing programming for streaming on the web. They will then create finished episodes that can run on Drexel’s website, other on-line outlets or podcasts. The students will also develop viral marketing strategies to promote their work.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

TVPR 340 Remote TV Production 3.0 Credits
Students will learn all of the skills necessary to become effective crewmembers on remote multi-camera shoots produced by the Paul F. Harron Studios and DUTV. Relevant electrical, electronic and video engineering subjects will also be covered. Safety procedures will be taught, stressed and required of all class participants.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: TVPR 100 [Min Grade: D]

TVPR 347 Advanced TV Lighting 3.0 Credits
This course is designed to build on lighting skills presented in TVPR 100 TV Studio: Basic Operations. Students will design and execute progressively more complex and demanding lighting plots and participate in lighting setups. Remote lighting concepts for both single and multi-cam production will also be presented.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: TVPR 100 [Min Grade: D]

TVPR 348 TV Directing Workshop 3.0 Credits
This course provides real world experience directing television programming in both studio and remote multi-camera environments. Students will be assigned to direct a wide variety of program and promotional material for DUTV, including talk shows, news broadcasts, sports coverage, musical production, narrative programs, theater and dance.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 3 times for 9 credits
Prerequisites: TVPR 205 [Min Grade: D]

TVPR 351 TV Comedy Series I 3.0 Credits
Students will start with scripts for multiple episodes written in SCRP 350. They will do all pre-production including casting, location, scouting, budgeting, scheduling, and production design. They will then shoot every page of script, getting all the coverage needed to produce finished episodes for DUTV.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 2 times for 6 credits
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

TVPR 352 TV Comedy Series II 3.0 Credits
This course is a continuation of "TV Comedy Series I" and will focus on post-production of the episodes. The students will log, organize, and prep the raw footage for editing. Teams of students will then work together to edit each episode. Completed episodes will be broadcast on DUTV.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 2 times for 6 credits
TVPR 354 TV Drama Series I 3.0 Credits
Students will start with scripts for multiple episodes written in SCRP 353. They will do all pre-production including casting, location scouting, budgeting, scheduling, and production design. They will then shoot every page of script, getting all the coverage needed to produce finished episodes for DUTV.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 2 times for 6 credits
Prerequisites: FMVD 110 [Min Grade: D] and FMVD 115 [Min Grade: D] and FMVD 120 [Min Grade: D]

TVPR 355 TV Drama Series II 3.0 Credits
This course is a continuation of "TV Drama Series I" and will focus on post-production of the episodes. The students will log, organize, and prep the raw footage for editing. Teams of students will then work together to edit each episode. Completed episodes will be broadcast on DUTV.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 2 times for 6 credits

TVPR 356 TV Magazine Show I 3.0 Credits
TV Magazine Show I takes students through the experience of producing a 30 minute version of "60 Minutes" style magazine program, including studio segments, bumpers, field pieces, and final assembly. Special emphasis will be given to aspects of time management. This is a two quarter course, continued in TV Magazine Show II.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 2 times for 6 credits
Prerequisites: TVPR 205 [Min Grade: D] and TVPR 221 [Min Grade: D] and TVPR 236 [Min Grade: D]

TVPR 357 TV Magazine Show II 3.0 Credits
TV Magazine Show II continues the production of the TV magazine program begun in TV Magazine I. This is the "final production" quarter of the class, with students completing packages for the show and putting together field and studio transitional elements. Selected programs may be shown on DUTV.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 2 times for 6 credits

TVPR 365 Special Topics: TVPR 3.0 Credits
This is a Special Topic course in TV Production that will have rotating topics that address current interests in the field.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 6 times for 18 credits

TVPR 399 Independent Project in TV Production 0.5-12.0 Credits
This course offers students the opportunity to do an Independent Project in TV Production.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

TVPR 495 Senior Project: TV Production I 3.0 Credits
Both production tracks in the Television major, TV Comedy & Drama Production and TV News & Nonfiction Production, take this first course in a 3-course sequence for senior project. Students will take on significant roles, such as producer, writer, director, videographer, or editor in the production of television programs.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

Restrictions: Can enroll if major is TELE and classification is Senior.

TVPR 496 Senior Project: TV Production II 3.0 Credits
Both production tracks in the Television major, TV Comedy & Drama Production and TV News & Nonfiction Production, take this second course in a 3-course sequence for senior project. Students will take on significant roles, such as producer, writer, director, videographer, or editor in the production of television programs.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

Restrictions: Can enroll if major is TELE and classification is Senior.

TVPR 497 Senior Project: TV Production III 3.0 Credits
Both production tracks in the Television major, TV Comedy & Drama Production and TV News & Nonfiction Production, take this third course in a 3-course sequence for senior project. Students will take on significant roles, such as producer, writer, director, videographer, or editor in the production of television programs.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

Restrictions: Can enroll if major is TELE and classification is Senior.

TV Studies Courses

TVST 260 History of Television 3.0 Credits
This course explores the history of television as art and communication. Topics include: the origins and development of television programming, the regulatory environment and the history of the business of television. Television programs, both fictional and non-fictional, will be viewed from the fifties through the present time.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

TVST 261 History of TV Journalism 3.0 Credits
This course presents a history of broadcast introduction in the United States. It includes an introduction to the origins, portcals, and principles of journalism on television. It also acquaints students with the prominent trends, programs, and reporting styles through the decades leading to present-day norms and motivations.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

TVST 361 Art of TV Comedy 3.0 Credits
This course explores the history of television comedy and examines its role as both programming staple and artistic form. By examining how sitcoms reflect our society and its most important social issues, the course seeks to enable students to gauge where both culture and the sitcom are headed.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

TVST 362 Art of TV Drama 3.0 Credits
Students will view and analyze prime-time, hour-long, dramatic TV shows, starting with television's golden age of the fifties and moving to television's "second golden age" starting in the eighties. Students will examine the relationship of the series to other programs, contemporary culture, and television history.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
TVST 363 Science Fiction Television 3.0 Credits
Students will view a progression of science fiction television shows from the fifties to the present time. Students will examine how each show uses an imagined world as a vehicle for exploring facets of our own world. The concepts and the production values will be discussed for each show.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

TVST 365 Special Topics: TVST 3.0 Credits
This is a Special Topic course in television studies that will have rotating topics that address current interests in the field.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 6 times for 18 credits

TVST 399 Independent Project: TVST 0.5-12.0 Credits
This course offers students the opportunity to do an Independent Project in Television Studies.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

Television Management Courses
Interactive Digital Media
Bachelor of Science Degree: 186.0 quarter credits

About the Major
The field of web development has expanded beyond a simple online presence to fully dynamic experiences; from solely mouse-based interfaces, to touch, gestural and beyond. The major in interactive digital media prepares students for positions in an ever-changing field that requires an understanding of both the aesthetics of visual design for user interfaces as well as the technical knowledge to program both the front- and back-end system that brings the content to life. Students hone and apply their strategic and creative skills to all aspects of the field. At Drexel, the methodology coincides with the direction of the industry, where web developers are often in charge of design, development and the implementation of online content.

The Internet’s explosive rise as the dominant communications medium has been accompanied by an ever-increasing level of sophistication in the content and applications used by individuals and businesses. To best prepare themselves for careers in these cutting-edge disciplines, students pursue a foundation of design and technology, take core courses in all aspects of digital media, complete a six month co-op, and delve into rigorous coursework in many areas of specialization. Within their coursework, students develop engaging modern web sites, create web based and native applications for mobile devices, explore content management systems, build rich Internet applications, harness server technologies that drive aesthetic content, and experiment with emerging technologies.

Co-op/Career Opportunities

Students who study interactive digital media can move on to careers as web designers, graphic designers, digital media designers, user research & experience specialists, multimedia artists, interactive designers, web programmers, and web user interface designers.

Co-op Experiences

Some past co-op employers of film and video students include:

- Electronic Ink
- eCity Interactive
- Comcast
- Digitas Health
- Happy Cog

Visit the Drexel Steinbright Career Development Center (http://drexel.edu/scdc) web page for more detailed information on co-op and post-graduate opportunities.

Dual Accelerated Degree

The accelerated degree program enables academically qualified students to earn both their bachelor's degree and a master's degree in digital media — graduating sooner than they would in traditional programs.

Current Drexel digital media students may apply for the accelerated BS/MS degree through the Office of Graduate Studies after completing 90.0 credits, but no more than 120.0 credits. Contact the Office of Graduate Studies (http://www.drexel.edu/provost/graduatestudies) for further information.

Minor in Interactive Digital Media

The Interactive Digital Media Minor requires the completion of eight courses (minimum 24 credits). The minor provides basic foundations in interactivity, including: design and development of websites and mobile applications with the opportunity for individualized tailoring according to the student's interests. It is open to all University students and is administered and advised by the Digital Media program.

Required Courses

DIGM 100  Digital Design Tools  3.0
INFO 110  Human-Computer Interaction I  3.0
or CS 337  The Psychology of Human-Computer Interaction
WBDV 240  Web Authoring I  3.0

Select five of the following:  15.0

INFO 153  Applied Data Management
INFO 310  Human-Computer Interaction II
VSCM 247  On Screen Typography
WBDV 216  History of Web Development
WBDV 220  User Experience
WBDV 241  Vector Authoring I
WBDV 242  Dynamic Vector Graphics
WBDV 243  Content Management Systems
WBDV 265  Web Game Design
WBDV 332  Rich Internet Applications
WBDV 370  Mobile Interactive Design I
WBDV 371  Mobile Interactive Design II
WBDV 448  Interactive Digital Media Workshop I
WBDV 449  Interactive Digital Media Workshop II
WBDV 460  Experimental Web Technologies
WBDV 452  Web Information Database Applications
WMGD 220  Web Graphics I
WMGD 330  Web Graphics II

Total Credits  24.0

Facilities

Digital media program facilities include a motion capture and green screen studio, a screening room, DSLR digital still cameras, HD video cameras and lighting equipment, triple boot PowerMac stations (Mac / Windows / Unix) with dual monitors, wacom tablets, game consoles, mobile devices, and 2 undergraduate open labs with 24/7 access.

Additionally, the program houses the RePlay Lab (http://replay.drexel.edu/facilities.html) in the URBN Center which is a collaborative effort between the Digital Media program and the Computer Science department (in the College of Engineering). At Drexel University, game development does not "live" in solely one department, and so mirrors the true nature of game development in commercial settings.

Cinema and Television Faculty

Glen Muschio, PhD (Temple University). Associate Professor. Digital media, society, communication.

Lise Raven, MFA (New York University). Assistant Professor. Filmmaker.

Philip W. Salas, BS (Temple University). Assistant Teaching Professor. Utilization of advanced set top box data to measure fragmented viewing behavior. Impact of new television distribution technologies on traditional broadcasters and multichannel program providers.

David A. Schwartz, BA (Rider University). Associate Teaching Professor. Steadicam operator; cameraman.

Andrew Susskind, BA (Harvard University) Program Director of TV Production & Media Management. Associate Teaching Professor. Independent television producer and director.

Albert S. Tedesco, MA (University of Pennsylvania) Director of the Paul F. Harron Graduate Program in Television Management. Associate Teaching Professor. Impact of digital media on broadcast television; broadcasters' response to the challenge of new media; management of publicly and privately held communications companies.

Jervis Thompson, BS (Drexel University). Associate Teaching Professor. Digital media, interactive multimedia.

Gregory S. Wolmart, MFA (University of Pennsylvania). Assistant Professor. Cinema studies; film history.
Jichen Zhu, PhD (Georgia Institute of Technology). Assistant Professor. Developing humanistic and interpretive framework of computational technology, particularly artificial intelligence (AI), and constructing AI-based cultural artifacts; interactive storytelling, games and software studies.

Interdepartmental Faculty

Lawrence Epstein, MBA (Cornell University) Interim Department Head, Arts & Entertainment Enterprise. Associate Teaching Professor.

Courses

**WBDV 216 History of Web Development 3.0 Credits**
This course explores all aspects of web development including the foundations of web technologies, formulation of web standards and how the individual web surfer's wants and needs have changed over time. Also discussed will be ground-breaking websites and the evolution of interface design for the web.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit

**WBDV 220 User Experience 3.0 Credits**
In this course, students learn to identify and implement the elements required to create incredible digital experiences. Through the application of user-centered design practices, students will develop predictive and enjoyable designs based on a holistic consideration of users' experience. Topics covered in this course include brand personality, content strategy, information architecture, and usability.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit  
**Prerequisites**: DIGM 100 [Min Grade: D]

**WBDV 240 Web Authoring I 3.0 Credits**
This course explores principles and techniques for creating effective interactive media-rich websites. It includes aesthetics of human-computer interaction; bandwidth; project planning, budgeting and management; prototyping; testing and revision management.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit  
**Prerequisites**: DIGM 100 [Min Grade: D]

**WBDV 241 Vector Authoring I 3.0 Credits**
Focuses on creating user experience optimized for mobile devices. Students learn to build unique applications that take advantage of gestures and accelerometers. Special consideration is given to limited screen real estate, low bandwidth internet access, no internet access, and touch screen devices.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit  
**Prerequisites**: WBDV 240 [Min Grade: D] or DIGM 240 [Min Grade: D]

**WBDV 242 Dynamic Vector Graphics 3.0 Credits**
Students work with concepts and software for better integration of Internet multimedia-authoring programs with assorted browsers and server side databases.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit  
**Prerequisites**: WBDV 240 [Min Grade: D] or DIGM 240 [Min Grade: D] and (INFO 151 [Min Grade: D] or CS 143 [Min Grade: D] or CS 171 [Min Grade: D])

**WBDV 243 Content Management Systems 3.0 Credits**
Students set up a content management system and develop a custom theme. Also includes project planning, organizing and maintaining effective stylesheets and recognizing common browser bugs.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit  
**Prerequisites**: (WBDV 240 [Min Grade: D] or DIGM 240 [Min Grade: D]) or (INFO 151 [Min Grade: D] or CS 143 [Min Grade: D] or CS 171 [Min Grade: D])

**WBDV 265 Web Game Design 3.0 Credits**
Examines multimedia authoring tools used to create self-contained interactive games. Students address real world production as they master advanced game design concepts.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit  
**Restrictions**: Cannot enroll if classification is Freshman  
**Prerequisites**: WBDV 242 [Min Grade: D] or DIGM 242 [Min Grade: D]

**WBDV 332 Rich Internet Applications 3.0 Credits**
This course explores web development techniques used within the local web browser to create applications capable of retrieving data from an online server asynchronously in the background without interfering with the display and or behavior of the existing page.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit  
**Restrictions**: Cannot enroll if classification is Freshman or Sophomore  
**Prerequisites**: INFO 152 [Min Grade: D] and (WBDV 243 [Min Grade: D] or DIGM 243 [Min Grade: D])

**WBDV 370 Mobile Interactive Design I 3.0 Credits**
Focuses on creating user experience optimized for mobile devices. Students learn to build unique applications that take advantage of gestures and accelerometers. Special consideration is given to limited screen real estate, low bandwidth internet access, no internet access, and touch screen devices.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit  
**Prerequisites**: WBDV 242 [Min Grade: D] or DIGM 242 [Min Grade: D]

**WBDV 371 Mobile Interactive Design II 3.0 Credits**
In this course, students learn how to convert web-based applications into cross-platform native applications for mobile devices (i.e. Smart Phones and Tablets). Special consideration is given to incorporating functionality that is currently unavailable to web-based applications (i.e. Device accelerometer, camera, geolocation, etc).

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Not repeatable for credit  
**Prerequisites**: WBDV 370 [Min Grade: D]

**WBDV 399 Independent Project in Interactive Digital Media 0.5-12.0 Credits**
Supervised planning and execution of a project in the area of Interactive Digital Media.

**College/Department**: Antoinette Westphal College of Media Arts Design  
**Repeat Status**: Can be repeated multiple times for credit  
**Restrictions**: Cannot enroll if classification is Freshman  
**Prerequisites**: WBDV 243 [Min Grade: D]
Westphal Studies Program

Bachelor of Science Degree: 180.0 quarter credits

About the Program

The Westphal Studies program provides an individualized course of study initiated by a student. The student must have completed two terms of the junior year in an Antoinette Westphal College of Media Arts and Design major to be eligible for admission into this major.

A small number of students in the Antoinette Westphal College of Media Arts and Design decide that their goals lie at the periphery of the major or the intersection between several majors and would be served by more latitude than offered in the highly specified courses in their major. For these students, the Westphal Studies program major broadens future career goals and allows exploration combined with a focused exposure to a second field. It acknowledges the specialization that is characteristic of the majors in the College and the expectations of the professional fields for which our students are being prepared. Simultaneously, it recognizes the breadth and rapidly changing nature of many disciplines and permits a student who has acquired a basic working knowledge of a specific aspect of media arts and design to investigate a clearly defined alternative.

Admission to the program is limited to currently matriculated College of Media Arts and Design students who have completed the major-intensive sophomore year and experienced a co-op placement or completed their junior-year courses. The following items are required as part of the application:

- A student-generated, individualized plan of study, developed with and signed by a member of the Westphal Studies Program Advisors Committee
- A statement in writing of the student's goals in applying to the major and the rationale of how the proposed plan of study addresses those goals
- A definition of appropriate co-operative education placement if the student has not completed a six-month employment in the field of his or her major
- A letter from the student's current program director

Approval by the Westphal Studies Program Advisors Committee is required for admission to the major; it is not automatic upon request. The committee must be convinced by the validity of the applicant's reasons for applying, the proposed study plan, and accompanying documentation. Details about the application procedure may be obtained from the director of Westphal Studies Program.

Recommended Plan of Study

This program requires an individualized plan of study. Students sign off on this agreed-upon plan with the Director of the Studies of the Westphal Studies program. A student must have completed two terms of junior year in a College of Media Arts and Design major to be eligible for admission into this major.

The student, in consultation with her/his advisor and the director of the program, devises a personalized interdisciplinary study plan. The approved plan of study provides a rationale for the concentration and how the elective credits are to be used. This plan of study must be completed and approved before admission into the major.

WBDV 445 Advanced Hybrid Interactivity 3.0 Credits
This course focuses on the integration of PC potential to access high bandwidth objects including video, audio, 3D animations and other dynamic content from the Internet.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Cannot enroll if classification is Freshman
Prerequisites: WBDV 242 [Min Grade: D] or DIGM 242 [Min Grade: D]

WBDV 447 Vector Authoring III 3.0 Credits
This class teaches advanced Flash authoring concepts and explores online applications for entertainment, streaming video, simulations and e-commerce. Projects will use role-playing, group, and individual instruction in the concepts, tools and social concepts for the creation of vector based media.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: WBDV 243 [Min Grade: D] or (DIGM 243 [Min Grade: D] and CS 131 [Min Grade: D])

WBDV 448 Interactive Digital Media Workshop I 3.0 Credits
This course explores the management process of developing or redesigning a successful interactive digital experience. Students work in team environments to analyze project requirements; define steps towards development and focus on audience, usability and testing.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: WBDV 243 [Min Grade: D] or DIGM 243 [Min Grade: D]

WBDV 449 Interactive Digital Media Workshop II 3.0 Credits
In this course, students work in a team environment to convert a digital media prototype into production quality product utilizing collaboration software, Gantt charts, and distributed revision control and source code management (SCM) systems.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: WBDV 448 [Min Grade: D]

WBDV 452 Web Information Database Applications 3.0 Credits
Database and the server technology that accesses them are central to all dynamic web sites. This course will use PHP and MySQL to provide students with the tools for the creation of database driven sites.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: WBDV 243 [Min Grade: D]

WBDV 460 Experimental Web Technologies 3.0 Credits
This course focuses on researching new innovations in experimental digital media technologies.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: WBDV 370 [Min Grade: D]

WBDV 465 Special Topics in Interactive Digital Media 3.0 Credits
Addresses current topics in a rapidly changing field. Possible offerings include; multimedia databases, virtual and augmented reality, 3-D XML, interactive art in virtual space, and multi-threaded narrative, etc... May be repeated for credit if topics vary.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

Courses

WEST 210 Innovative Problem Solving 4.0 Credits
A seminar course that examines different methods of problem solving and its role across disciplines. The intention is to give the student a basis with which interdisciplinary projects can be approached in an innovative way and problem solving can be examined from multiple viewpoints.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

WEST 220 Multimodal Research 4.0 Credits
This course will develop student’s critical thinking skills through examining research and information gathering models. The topics around which students will gather, analyze and synthesize information include: Systems and the Environment, Community Interaction, Technology and Problem Solving.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

WEST 310 Active Learning and Exploration 4.0 Credits
Provides faculty guidance to enable students to identify and investigate an aspect of an interdisciplinary problem that they have identified. May include establishment of philosophical base, data collection, study of comparable or similar problems, writing of a project program, and preliminary project development. Includes interdisciplinary panel presentation.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: WEST 210 [Min Grade: D] and WEST 220 [Min Grade: C]

WEST 320 Active Engagement Projects 4.0 Credits
Students will explore, with faculty guidance an interdisciplinary problem solving based project that will be related to an area of interest and broader goals that they have identified as part of WEST 310 Active Learning and Exploration. The students will thoroughly explore the subject and execute the project through a variety of media and platforms.
College/Department: Antoinette Westphal College of Media Arts Design

Repeat Status: Can be repeated 7 times for 21 credits

Minor in Art History

The history of art focuses upon the study of works of fine and applied arts and forms of mass communication in their aesthetic, social, economic, religious and political contexts. It explores the meanings and purposes of the visual arts, their historical development, their role in society, and their relationships to other disciplines. The study of art history encourages the development of critical observation and visual analysis; it introduces scholarly research and provides a working knowledge of a variety of monuments. As the field of art history is inherently cross-cultural and interdisciplinary, its study illuminates the diverse and global world we inhabit and makes apparent the integral relationships between art and culture.

The minor in art history provides a broad humanistic background not only for students planning to attend graduate and professional schools in the fields of applied, media and design arts, social and information sciences, education, business and medicine, but also for those entering a more general job market. The minor is designed to be flexible enough to appeal both to Antoinette Westphal College of Media Arts and Design majors and minors from the other colleges.

Minor in Fine Art

To be eligible for the minor in fine art, a student must have completed 30.0 undergraduate credits, have a declared major, and have a minimum GPA of 2.7. The academic credit requirements for the minor must be completed at or before the time of graduation.

Basic design pre-requisite courses are required for most visual studies courses, and some of these may have already been taken for a student’s major. However, only nine credits of major-related coursework can be applied to the credits required for the minor in fine arts. Students with design credits from other schools or departments may be allowed to apply them to their pre-requisite requirements only upon review by the fine art minor faculty advisor.

Minor in Interdisciplinary Smart Initiatives

The Interdisciplinary Smart Initiatives Minor (INSI) will provide students across the University an experience of both breadth and depth through multi-disciplinary practices and learning. Students will develop skills and knowledge in the topics associated with problem solving, innovative technology, leadership and immersive participatory experiences. Skills and knowledge will be delivered through collaborative teaching and coursework, skill building, experimentation, experiential learning, and engaging research initiatives.

This minor will provide the opportunities to engage in a variety of University venues and initiatives that will place students on the leading edge of their chosen paths. INSI is intended to build on experiential learning that is the foundation of a Drexel education.

Admission Requirements

INSI will be open to all University students that meet the criteria for acceptance. Because of the nature of the minor, success is dependent upon students showing self-discipline, being highly motivated and self-reliant. All applications for the minor will be submitted to the director of the minor.

The following are the requirements that students must meet to be considered:

• Required Essay: Student statement of interest and desired goals
• Required Recommendation: Two letters of recommendation from faculty that speaks to the student’s ability to be collegial and collaborative, exhibit initiative and resourcefulness and ability to work independently.

Certificate in Retail Leadership

Certificate Level: Undergraduate
Admission Requirements: High school diploma, GED, retail experience
Certificate Type: Certificate
Number of Credits of Completion: 19.0-21.0
Instructional Delivery: Online, Campus, Hybrid
Calendar Type: Quarter
Expected Time to Completion: 1 year
Financial Aid Eligibility: Not aid eligible

Note: Effective Fall 2014, students are no longer being accepted into this certificate program.

In the increasingly competitive world of retailing, retail managers need to gain knowledge and skills necessary to lead in this field. The Certificate in Retail Leadership develops professional leaders, introducing the concept of the product and/or corporate brand, analyzing best practices in retail, and developing appropriate strategies for success for various organizational models.

Students will also discover various stakeholders that impact a retail organization's ability to build and maintain its reputation, analyze the in-store environment to create and maintain a desired image, create strong retail positioning strategy, and develop and maintain a positive perception of the brand.

Program content combines leadership, style, trends, and strategy to focus on key areas of the retail industry including:
• Retail store management
• Retail operations and strategy
• In-store visual merchandising
• Retail store leadership

Drexel’s Certificate in Retail Leadership provides a program for those working in retail interested in either enriching their undergraduate education or those without a bachelor’s degree who are interested in returning to a university setting for professional development and perhaps a degree.

The program requires two core courses, and 12.0 - 14.0 credits of electives chosen from a list of courses.

Minor in Retail

The retail minor, administered by the Design & Merchandising Program, provides basic foundations in retail operations, buying and merchandise planning and e-commerce. The curriculum allows the opportunity for individualized tailoring according to a student’s interests. The minor is open to all Drexel University students, and requires the completion of eight or nine courses for a minimum of 24.0 credits.

Required Courses:

- DSMR 231 Retail Principles* 3.0
- DSMR 232 Retail Merchandise Planning* 4.0
- DSMR 305 eTailing 3.0
- DSMR 324 Retail Directions 3.0
- DSMR 325 Retail Buying and Assortment Strategies 4.0

Select 2-3 courses (minimum 7.0 credits): 7.0-9.0

- DSMR 205 eFashion Promotion
- DSMR 233 [WI] Retail Image Analysis
- DSMR 313 International Fashion Merchandising
- DSMR 326 Fashion Product Promotion

Total Credits 24.0-26.0

* All courses are currently open to all DSMR students. DSMR 231 and DSMR 232 are required for all students enrolled in DSMR and the retail leadership certificate. The three elective courses can be delivered during other quarters as required. All courses will be restricted to appropriately include the students enrolled in the retail minor. As the industry and curriculum change courses will be added and adapted accordingly.

Screenwriting

Minor in Screenwriting

The minor in screenwriting is intended to guide the student from the acquisition of basic screenwriting skills through the completion of a full-length feature screenplay. Fifteen of the credits are directly craft-oriented, teaching the student what she needs to know to translate her ideas into a format suitable for production; the other nine credits are dedicated to background knowledge intended to inform her creative thinking.

Film & video majors should note that they will be taking half of the courses in the screenwriting minor as part of their degree requirements, making this minor a relatively simple addition to their education.

Required courses

- FMST 150 American Classic Cinema 3.0
- FMST 160 European Cinema 3.0
- SCRP 270 [WI] Screenwriting I 3.0

The Antoinette Westphal College of Media Arts and Design

About the College

The Antoinette Westphal College of Media Arts & Design (The Westphal College) offers graduate programs in Arts Administration, Fashion Design, Interior Architecture & Design, Digital Media, Museum Leadership, and Television Management. The programs are distinctive in content and professionally oriented.

The Westphal College is a community of learning within the areas of media, design, the fine arts, the performing arts, and the management of creative enterprise that values experiential and immersive education; it is a place where students are encouraged to give form to ideas by learning to negotiate change in an ever-changing world. Through creative, critical, and collaborative approaches, the Westphal College’s diverse programs seek to foster innovation and leadership in progressively interconnected professional disciplines and areas of study.

The academic programs are rigorous, and provide the appropriate balance of a solid foundation with individual creative direction, cultural awareness, strong technical skills, and an understanding of management and professional practice. The College is committed to a continual review of our curricula, processes and outcomes in order make those improvements and refinements necessary to further enrich our students’ education, and to continue to foster independent thinkers, astute leaders, and creative problem solvers.

Majors

- Arts Administration (MS)
- Digital Media (MS)
- Fashion Design (MS)
- Interior Architecture & Design (MS)
- Museum Leadership (MS)
- Television Management (MS and MS/MBA)

Full/Part-Time Options

- Graduate study in and digital media, fashion design, interior architecture + design includes two years of full-time graduate study. There are some programs that require pre-requisite coursework before entering into the graduate level studies.
- Students may enroll in the arts administration program on a full-time or part-time basis. Full-time arts administration students may complete the degree in five terms. The arts administration graduate program is also available as a fully-online degree through Drexel Online.
- Students may enroll in the Paul F. Harron Graduate Program in Television Management program on a full-time or part-time basis. Television management students enrolled full-time in either option should plan to take two full years to complete the program.

Master of Science in Arts Administration

Master of Science: 45.0 quarter credits

About the Program

The MS in Arts Administration program is designed to provide academic preparation for leadership positions with nonprofit organizations, foundations, corporations, and government agencies involved in the arts and culture sector.

Students may enroll in the program on a full- or part-time basis. The program is designed to accommodate working students, so all classes are offered in the evening or online. Students must matriculate in either the campus or online program, but students in either program may take some courses in the other program.

Students should plan to enter the program at the start of the fall term. Full-time arts administration students may complete the degree in five consecutive terms when beginning in the fall term, and part-time students typically take seven to eight terms to complete the degree.

Professional Opportunities

Graduates of the program serve in various administrative capacities with museums, galleries, historical societies, government agencies, performing arts organizations, arts centers, and philanthropic and corporate foundations.

Admission Requirements

Requirements for Admission

In addition to meeting the general requirements for admission to graduate studies, applicants should present a résumé demonstrating a strong affinity for the field through work, volunteer experiences, education, or special training. Undergraduate preparation must include at least one course in financial accounting, two courses in the history or literature of an art form, and/or two courses in the practical or creative aspects of an art. Applicants who lack this preparation (or the equivalent) must complete work in the above areas during the first two terms in the program.

An important part of the admissions process is a personal interview with the Program Director. Potential applicants will be contacted to schedule an interview through the Department of Arts & Entertainment Enterprise 215.895.2453 once the application is processed through Graduate Admissions.

Financial Assistance

A limited number of assistantships are available to students in the campus program. Students should have experience in gallery management, public relations or newsletter writing/editing, and should indicate their interest in these positions in their initial letters of inquiry. Students are also encouraged to explore other assistantships available across the University. In the past, arts administration students have held positions in the honors program, the Greek Life Office, the Leadership Program, and the College of Evening and Professional Studies. Awards are made annually on a competitive basis.

Students in the online program only may qualify for a tuition discount through Drexel’s partnership with Americans for the Arts.
Dean's Fellowship

In addition to teaching and research assistantships, the College of Arts and Sciences also awards 10 Dean's Fellowships per year to full-time students in the campus program. These highly competitive awards are granted across the College, and come with a $5,000 stipend supplement for each of the first two years of study in addition to any other support a student receives.

For additional information on requirements and how to apply, visit Graduate Admissions (http://www.drexel.edu/grad/programs/westphal/arts-administration) at Drexel University.

Degree Requirements

Each student is assisted with the planning and completion of a program of study in accordance with the student’s needs and career goals. Each candidate for the MS in arts administration must complete 45 credits, including courses in cultural policy, management skills, and fund development. To enable the student to tailor the program of study to meet his or her career goals, a variety of electives are offered. Students may identify tracks in marketing, fund development, finance, or research through their selection of electives.

Many of our students work in an appropriate related arts job associated with a professional arts organization. After completing all core courses, some students choose to complete an internship within the arts and cultural community. The student’s thesis grows out of the internship experience or can address a research topic that the student chooses to explore further.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ACCT 111 [Min Grade: D] or ACCT 115 [Min Grade: D]

AADM 620 Law and the Arts 3.0 Credits
Examines the relationship between the arts and law, including contracts, license fees, copyrights, intellectual property, royalties, labor-management agreements, liability, immigration law, and use fees. Each class is conducted by an area legal expert on a specialty as it relates to the arts.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: ACCT 111 [Min Grade: D] or ACCT 115 [Min Grade: D]

AADM 650 Fund Development for the Arts 3.0 Credits
Provides an in-depth examination of techniques in researching, procuring, and retaining contributed funds for cultural organizations. Covers techniques and strategies for individual, corporate, governmental, and foundation grants and gifts.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is MUSL.

AADM 660 International Cultural Policy 3.0 Credits
The course explores some of the major themes in international cultural policy today: globalization, culture and development, diversity and identity, and cultural diplomacy, in five different regions of the world (Western Europe, Eastern Europe, Latin America, Asia and Africa).
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 670 Audience Development 3.0 Credits
Overview of organizational practices and theory related to audience development non-profit arts organizations.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 680 Trends in Fund Development 3.0 Credits
Examines current trends in the area of major gifts, capital and endowment campaigns, planned giving, venture philanthropy, and internet strategies. The class will look to real-world examples demonstrating unique or inventive strategies that utilize current or emerging technologies and social and economic trends.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM.
Prerequisites: AADM 650 [Min Grade: C]

AADM 710 Strategic Planning and Evaluation 3.0 Credits
Provides a survey of the theory and practice of planning and evaluation as it relates to arts programs. Includes development of critical issues, goals, strategies, outcomes research planning, and protocol development.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 720 Leadership in the Arts 3.0 Credits
Explores the concepts of leadership and examines leadership experiences and potential as they relate to the field of non-profit arts and culture.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 731 Human Resources Management in the Arts 3.0 Credits
Examines human resource management and labor relations specific to non-profit arts and cultural organizations. Students will learn about labor union contract negotiations when working with performing and visual arts institutions.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 740 Production Laboratory in the Arts 3.0 Credits
Provides practical experience in artistic production or management. This course may be used for a student's individual exploration of any area of arts production or management, as approved by the program director.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

AADM 741 Arts Entrepreneurship 3.0 Credits
This course focuses on the development and creation of new arts enterprises. Coursework incorporates literature regarding creativity, entrepreneurship theory and practice and other relevant interdisciplinary inquiry. The instructor and students will develop concepts for new arts initiatives, examine whether those concepts are viable, and develop a new arts business idea. The goal is to understand the process of developing new business ideas in the arts, both for-profit and nonprofit, and to gain experience in arts entrepreneurship through the design of new creative ventures.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM or major is MUSL.
AADM 742 Advanced Fund Development 3.0 Credits
This course covers an advanced level of fundraising and development topics, including major gifts, planned giving, and capital campaigns. Building upon knowledge gained from the program's two core courses in development and fundraising, this is an elective for students who wish to gain a deeper knowledge of development policies and practices in order to further focus their education, and possibly their master's thesis and/or careers, on this aspect of arts administration.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM.

AADM 750 Arts Administration Seminar 3.0 Credits
Examines issues affecting the development of cultural policy in America, including demographic change; leisure preferences; and trends in education, social policy, politics, and economic development.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 751 Management Techniques In the Arts 3.0 Credits
Examines approaches used to manage and oversee various arts organizations, including managing change, decision-making, negotiation and presentation skills, and assessing management style.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 752 Performing Arts Management 3.0 Credits
Provides an introduction to and overview of management practices of non-profit performing arts organizations. The primary focus will be on current theory and practice in day-to-day operations, management, and associated planning for the performing arts: theatrical, dance and music organizations.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 753 Visual Arts Organization Management 3.0 Credits
Special problems and challenges related to managing visual arts organizations. The course will build on learning from foundation-level courses, discussing issues related to managing art museums, art schools, galleries, public art programs, and more.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 754 Museum Management 3.0 Credits
Major issues in museum management including earned income, deaccession, looting and repatriation, museum directors, staff and volunteer management, and an introduction to new museology.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM.

AADM 755 Community Cultural Planning 3.0 Credits
Examines the process of community cultural planning and local arts policy development, including trends and issues in national, state and local arts policies and external influences (economic, social and educational trends) that affect local planning.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 757 Political Activism in the Arts 3.0 Credits
Course examines the strategies, trends and dynamics of arts based issues from a variety of political perspectives. Using case studies, class will explore systems that influence activism in politics and the arts and instances when art has been politically controversial, its causes and consequences.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM.

AADM 758 Ethics in Arts Organizations 3.0 Credits
Examines ethical issues in managing arts organizations.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 759 Cultural Organizations in Transition 3.0 Credits
Identifies issues and trends that will have an impact on cultural organizations of today and extends the examination of those impacts into the future through forecasting and scenario creation. Uses multiple disciplines such as economics, technology, and organizational development to assess influence.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM.

AADM 760 Special Problems in Arts Management 3.0 Credits
Allows the student to select topical management problems in the arts and study approaches appropriate to their solution. May include data-gathering techniques, interviewing, developmental procedures, etc., as required.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

AADM 765 Special Topics 0.5-9.0 Credits
Covers topics of current interest to faculty and students; specific topics for each term will be announced prior to registration. May be repeated for credit if topics vary.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

AADM 770 Technology and the Marketing of the Arts 3.0 Credits
Covers digital recording, videocassettes, satellite transmission, cable television, holography and other technological developments, and their implications for the marketing of the arts.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
About the Program

**Master of Science in Digital Media**

**About the Program**

*Master of Science: 63.0 quarter credits*

Digital Media, also known as New Media, is an exciting, and rapidly expanding hybrid field of research, study and practice. Over the past decade, it has grown from a highly specialized activity to an approachable subject that sparks global attention in areas of entertainment, business, engineering and health care.

The MS in digital media is a hybrid course of study created to offer students research and career opportunities in 21st century media applications. This two-year program offers comprehensive studies in advanced digital design including 3D modeling, animation, interactivity, gaming and digital media history, theory and methods.

The curriculum for the Master of Science in Digital Media offers a mix of academic course work and project-related activities. Projects consist of funded grant research opportunities, industry-sponsored projects and independent, student-generated and faculty-approved projects.

**Professional Opportunities**

Opportunities abound for individuals who master the artistic and the interactive aspects of digital media design. Three-dimensional, fully interactive and immersive environments have become the norm in research and practical applications. As the field expands, the need for qualified artists, researchers and New Media entrepreneurs grows.

For more information, visit Drexel's Graduate Studies in Digital Media (http://www.drexel.edu/westphal/academics/graduate/digitalmedia) web page.

**Admission Requirements**

The MS in Digital Media is an advance course of study. A successful applicant for admission will have a baccalaureate degree, a minimum 3.2 undergraduate GPA and assumed production skills in 3-D modeling, animation and interactivity.

Proof of basic competencies is demonstrated by undergraduate transcript and/or portfolio review. For qualified candidates lacking production skills, we offer a series of pre-graduate classes. Satisfactory completion of the classes qualifies one to apply for graduate admission. Pre-graduate classes may include some or all for the following:

- CS 171: Computer Programming I (3.0 credits)
- CS 172: Computer Programming II (3.0 credits)
- DIMG 100: Digital Design Tools (3.0 credits)
- DIMG 505: Design and Interactivity (3.0 credits)
- DIMG 506: Animation and Game Design (3.0 credits)

For additional information on requirements and how to apply, visit Graduate Admissions at Drexel University (http://www.drexel.edu/grad/programs/westphal).

**Degree Requirements**

Students are required to take a Digital Media History, Theory and Methods course and an advanced seminar for a total of six credits, as well as a minimum of nine courses in advanced modeling animation and interactivity.

During the first year, students also take three New Media Project courses (9.0 credits); these courses provide opportunities to work on funded and unfunded research and industry projects under the guidance of a graduate faculty member. With faculty approval, students may also work on personally designed projects relevant to problem solving in a student's specific area of interest.

In addition, students are required to take 12.0 credits (a minimum of four courses) of directed studies in support of developing knowledge in an area—outside of media and design—to which digital media skills may be applied. The set of directed studies will be determined by the students and their graduate advisors. Possible areas for this focus include, but are not limited to, computer science, information science, bio-medical technology, social science, humanities and education.

**Thesis Project**

During the second year of study, each student develops and produces a master's thesis project. By the third week of the fall term students submit a proposal to the Digital Media Graduate Committee. Upon approval of the proposal, the student works toward thesis completion, including:

**AADM 775 Technology Management in the Arts 3.0 Credits**

Examines the function and strategic use of technology tailored to the future arts and cultural leader. Through an interactive learning process, students gain an understanding of the role and impact of technology in the non-profit arts and cultural organization. A prior technology course or background in technology is not required.

**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit

**AADM 780 Applied Research Methods 3.0 Credits**

This course provides students with an overarching understanding of many of the applied research methodologies that are relevant to scholars and practitioners in the arts administration field. This course stresses the identification of and the advantages and disadvantages of each appropriate research methodology.

**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit

**AADM 798 Thesis Development 1.5 Credit**

Enables students to begin work on original research related to the thesis, a scholarly work related to the student's individual research interest. Students identify and shape a research question related to the arts and culture field, then conduct an in-depth literature review, shape a methodology for researching questions, and report the findings in a thesis document.

**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Not repeatable for credit

**AADM 799 Thesis Completion 0.5-1.5 Credits**

This repeatable course allows the student to work with a thesis advisor in completing the research, writing and revision of the required thesis which began during AADM 798.

**College/Department:** Antoinette Westphal College of Media Arts Design  
**Repeat Status:** Can be repeated multiple times for credit  
**Restrictions:** Can enroll if major is AADM.

**Prerequisites:** AADM 750 [Min Grade: C-]

**AADM 775 Technology Management in the Arts 3.0 Credits**

Examines the function and strategic use of technology tailored to the future arts and cultural leader. Through an interactive learning process, students gain an understanding of the role and impact of technology in the non-profit arts and cultural organization. A prior technology course or background in technology is not required.

**College/Department:** Antoinette Westphal College of Media Arts Design

**Prerequisites:** AADM 750 [Min Grade: C-]
• an oral presentation to the college
• a written statement to the committee
• a copy of the completed media work for the graduate program archive

The thesis project must demonstrate domain knowledge of the agreed upon classes. The media component of the project must demonstrate expertise in 3D modeling/animation and/or interactivity.

**Summer Prerequisite Courses**
- DIGM 505 Design and Interactivity
- DIGM 506 Animation and Game Design

**Required Courses**
- DIGM 501 New Media: History, Theory and Methods 3.0
- DIGM 502 Advanced New Media Topics 3.0
- DIGM 520 Advanced Interactivity I 3.0
- DIGM 525 Advanced Animation I 3.0
- DIGM 526 Advanced Animation II 3.0
- DIGM 530 Advanced Game Design I 3.0
- DIGM 531 Advanced Game Design II 3.0
- DIGM 580 Thesis Preparation 3.0
- DIGM 540 New Media Project (3.0 credits, taken 3 terms) 9.0
- DIGM 620 Digital Media Workshop 3.0
- DIGM 630 Digital Media Group Workshop 3.0
- DIGM 650 Public Venue Seminar 3.0
- DIGM 651 Publication and Presentation 3.0

**Thesis** 9.0

**Directed Studies** 9.0

**Total Credits** 63.0

**Facilities**

The Digital Media Program operates several labs including a state of the art combined green screen/motion capture studio as well as a 2.5 ton 3-degree-of-freedom motion platform. All labs and classrooms are equipped with powerful Dell and Boxx Technologies Workstations running Windows and Unix operating systems and Mac computers running OS X. Software includes a host of Adobe products and Autodesk 3ds Max and Combustion; Alias Maya; Softimage XSI and Behavior, Pixar RenderMan Pro Server along with RenderMan Artist Tools for Maya and RenderMan for Maya; Pixologic Z-Brush; Apple Shake; MotionBuilder; GarageGames; NextLimit RealFlow, and SideEffect's Houdini.

**Digital Media Faculty**

Ted Artz, BFA (Tyler School of Art, Temple University). Associate Professor. Digital media.

John Avarese, BS (Drexel University). Assistant Teaching Professor. Composer, film and video scores, mixing and sound design.

David Culver, AS (Graham Junior College) Manager of the Paul F. Harron Studios/DUTV. Associate Teaching Professor. Film and video.

David Deneen, BFA (Philadelphia College of Art). Assistant Teaching Professor. Film & video.

Paul Diefenbach, PhD (University of Pennsylvania). Associate Professor. Game development, real-time rendering.

Jeremy Fernsler, BA (Pennsylvania State University ) Associate Program Director, Game Art & Production. Assistant Teaching Professor. Digital effects artist; compositor and animator for the feature film visual effects industry.
Troy Finamore, MS (Drexel University) Program Director, Interactive Digital Media. Assistant Teaching Professor. Advertising, design and interactivity.

Bruce Graham, BA (Indiana University of Pennsylvania). Teaching Professor. Playwright.

Gerard M. Hooper, MFA (Temple University). Teaching Professor. Film and video; European and non-western cinema.

D. B. Jones, PhD (Stanford University) Dean, Pennoni Honors College. Professor. Film and video; cinema studies.

Nick Jushchyshyn, MFA (Academy of Art University) Program Director, Animation and Visual Effects. Assistant Teaching Professor. Visual effects, digital media and animation.

Matthew J. Kaufhold, MA (University of North Carolina) Interim Program Director, Screenwriting and Playwriting. Assistant Teaching Professor. Screenwriting.

Karim P. Kelly, MFA (New York University) Program Director, Film and Video. Associate Professor. Film and video; filmmaker and author.

Yvonne D. Leach, MFA (Temple University). Associate Professor. Television studies.

Frank J. Lee, PhD (Carnegie Mellon University). Associate Professor. Human-computer interaction; cognitive engineering and science; intelligent software agents for games and education.

David Mauriello, BA (Lafayette College). Assistant Professor. 3D modeling and animation.

Michael Wagner, PhD (Vienna University of Technology) Interim Department Head, Digital Media. Associate Professor. Educational use of digital media and computer games.

Interdepartmental Faculty

Glen Muschio, PhD (Temple University). Associate Professor. Digital media, society, communication.

Jervis Thompson, BS (Drexel University). Associate Teaching Professor. Digital media, interactive multimedia.

Jichen Zhu, PhD (Georgia Institute of Technology). Assistant Professor. Developing humanistic and interpretive framework of computational technology, particularly artificial intelligence (AI), and constructing AI-based cultural artifacts; interactive storytelling, games and software studies.

Courses

DIGM 501 New Media: History, Theory and Methods 3.0 Credits

New Media: History, Theory and Methods. This advanced seminar class examines parallel developments in modern art and computer technology beginning in World War II to the present. It will survey writings and works of major contributors to the field.

College/Department: Antoinette Westphal College of Media Arts Design

Repeat Status: Not repeatable for credit

DIGM 502 Advanced New Media Topics 3.0 Credits

Advanced Seminar in New Media Topics. This Seminar is dedicated to topical readings and in-depth discussions in Digital Media ranging from virtual reality to digital art and the socio-cultural impact of the Internet.

College/Department: Antoinette Westphal College of Media Arts Design

Repeat Status: Not repeatable for credit

Prerequisites: DIGM 501 [Min Grade: C]

DIGM 505 Design and Interactivity 3.0 Credits

This course focuses on the understanding and comprehension of the basic tools and strategies for design within a two-dimensional environment. In addition to design, web development and interactivity will be covered, including a discussion of various display platforms, including mobile development.

College/Department: Antoinette Westphal College of Media Arts Design

Repeat Status: Not repeatable for credit

Restrictions: Can enroll if major is DIGM and program is MS.

DIGM 506 Animation and Game Design 3.0 Credits

This course focuses on the understanding and comprehension of the basic tools and strategies for animation and game production. This course will focus on the production of digital assets using standard modeling and animation software, along with their integration into a game engine.

College/Department: Antoinette Westphal College of Media Arts Design

Repeat Status: Not repeatable for credit

Restrictions: Can enroll if major is DIGM and program is MS.

DIGM 512 Shader Writing and Programming 3.0 Credits

Shader Writing and Programming. Development of custom output shaders allows for the use and manipulation of materials for use in production render engines. This course focuses on the basic components of shaders including reflective, translucency, and illumination models.

College/Department: Antoinette Westphal College of Media Arts Design

Repeat Status: Not repeatable for credit

Prerequisites: DIGM 501 [Min Grade: C] (Can be taken Concurrently)

DIGM 515 Digital Matte Painting 3.0 Credits

Digital Matte Painting. Digital matte painting and set extension are methods of integrating live action footage into lush and believable CG environments. By using physical construction as a basis for a digital environment, greater integration between live and CG plates can be achieved.

College/Department: Antoinette Westphal College of Media Arts Design

Repeat Status: Not repeatable for credit

Prerequisites: DIGM 512 [Min Grade: C]

DIGM 518 Particle Systems and Artificial Intelligence for Visual Effects 3.0 Credits

Particle Systems/Artificial Intelligence for Visual Effects. Particle systems can be used to stimulate natural phenomena as well as create ethereal effects through the use of scripting and mathematical expressions. In the same way, digital crowds can be created to populate a scene with autonomous characters. This hybrid course addresses software applications and trigonometric functions for advanced animation by digital media designers.

College/Department: Antoinette Westphal College of Media Arts Design

Repeat Status: Not repeatable for credit

Prerequisites: DIGM 515 [Min Grade: C]
DIGM 520 Advanced Interactivity I 3.0 Credits
This course focuses on the development of interactive media across a variety of platforms. Human-Computer interaction and layout are discussed along with implementations on mobile and PC based platforms. Dynamically created web content and integration with databases, as a server-side component, will also be covered.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 525 Advanced Animation I 3.0 Credits
This course delves into advanced topics in animation, including procedural modeling and dynamics. Emphasis will be placed on the development of natural phenomena in a simulated environment and physically accurate movement of characters.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 526 Advanced Animation II 3.0 Credits
This course delves into advanced topics in animation, including light transport and crowd simulation. Also discussed will be integration of acquired data, specifically from motion capture sources. Multi-layer rendering output and shaders for production will be discussed.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 525 [Min Grade: C]

DIGM 526 [Min Grade: C]

DIGM 530 Advanced Game Design I 3.0 Credits
This course sequence covers advanced gaming topics, including mobile games, motion capture, artificial intelligence, real-time effects and shaders, and advanced user interfaces.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 531 Advanced Game Design II 3.0 Credits
This course sequence covers advanced gaming topics, including mobile games, motion capture, artificial intelligence, real-time effects and shaders, and advanced user interfaces. The group project will follow an Agile software development methodology with weekly Scrum sprints for iterative project development.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 540 New Media Project 3.0 Credits
New Media Project. Students work on funded and unfunded research and industrial projects. With faculty approval, students may work on personally designed projects relevant to problem solving in a student's area of interest. Each student is required to complete it three times. This course may be repeated up to four times for credit.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 4 times for 12 credits
Restrictions: DIGM 520 [Min Grade: C] (Can be taken Concurrently)

DIGM 547 Organic Modeling 3.0 Credits
This course will be an intensive exploration of organic modeling. Through lectures, demonstrations, class critiques and individual feedback from the instructor, the best approaches to modeling organic forms will be explored.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 550 Advanced Concepts and Applications in Interactive 3D Environments 3.0 Credits
Advanced Concepts/Applications in Interactive 3D Environments. Advanced concepts/applications on adding interactivity to 3D environments via an assortment of software packages including 3D Max, Director and Flash. This course focuses on the optimized integration of 3D objects in environments with interactive authoring tools.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 560 Advanced Techniques in Computer Generated Imagery 3.0 Credits
Advanced Techniques in Computer Generated Imagery. Students create electronic media assets that effect the stimuli, bearings, and responses of human cognition to phenomena of light and sound. Student works explore integrations of visual and aural illusions to affect alterations in audience-perceived realities.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 605 Immersive World Building 3.0 Credits
Immersive World Building. Students investigate various emerging technologies for immersive content creation. Focus is on the production of 3D animated environments. Special production issues and concerns to dome planetaria and theatrical (IMAX) venues are considered. Interdisciplinary activities are strongly encouraged.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 616 New Media Project 3.0 Credits
New Media Project. Students work on funded and unfunded research and industrial projects. With faculty approval, students may work on personally designed projects relevant to problem solving in a student's area of interest. Each student is required to complete it three times. This course may be repeated up to four times for credit.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 4 times for 12 credits
Restrictions: DIGM 520 [Min Grade: C] (Can be taken Concurrently)

DIGM 620 Digital Media Workshop 3.0 Credits
This course addresses issues in the field of Digital Media, with emphasis on a single, comprehensive project. Examples of topics include stereoscopic production, mobile game development or training through game development.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 580 Thesis Preparation 3.0 Credits
This course instructs on Thesis proposal writing within a Digital Media context, covering style, performing research, assigning credit and reference, and topic exploration and expansion.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.

DIGM 605 [Min Grade: C]

DIGM 518 [Min Grade: C] (Can be taken Concurrently)

DIGM 620 [Min Grade: C]
DIGM 630 Digital Media Group Workshop 3.0 Credits
The course addresses topical issues in the field of Digital Media, with emphasis placed on a single, comprehensive group project. Examples of topics include stereoscopic production, mobile game development or training through game development.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.
Prerequisites: DIGM 531 [Min Grade: C]

DIGM 641 Interactive TV DVD-ROM 3.0 Credits
Interactive TV DVD-ROM. Students work to develop strategies for meaningful retrieval of mass amounts of media (video, still images, sounds, and text) for television DVD-ROM players. This course will cover basic and advance forms of digital information storage and retrieval to and from TV DVD-ROM media.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: DIGM 501 [Min Grade: C]

DIGM 650 Public Venue Seminar 3.0 Credits
This group project course is focused on creating public venue works, either performance-based, interactive or web-distributed. The distinguishing mark of graduate research is an original contribution to knowledge and this course is intended to design and implement a media piece to be viewed by a large group of people.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.
Prerequisites: DIGM 501 [Min Grade: C]

DIGM 651 Publication and Presentation 3.0 Credits
This course instructs on the submission of portfolio and thesis work including journal publication, conference presentations, contests and competition and public performance venues.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is DIGM.
Prerequisites: DIGM 501 [Min Grade: C]

DIGM 670 Gaming I 3.0 Credits
Gaming I. Students learn to solve 3D game design problems working with game programming techniques and leading cross platform software.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: DIGM 518 [Min Grade: C] and DIGM 560 [Min Grade: C]

DIGM 671 Gaming II 3.0 Credits
Gaming II. Building upon skills developed in Gaming I, students form small teams and work to develop and implement original 3D game designs.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: DIGM 670 [Min Grade: C]

DIGM 680 Thesis Development 3.0 Credits
Thesis Development results in a project including the production of original media assets, a written paper to the Graduate Committee, an oral presentation and demonstration delivered to the general College, and submission of a copy of the thesis project including all media assets to the Digital Media Graduate Program Archive.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 4 times for 12 credits
Prerequisites: DIGM 670 [Min Grade: C] (Can be taken Concurrently) DIGM 605 [Min Grade: C] and DIGM 641 [Min Grade: C]

DIGM 690 Advanced Special Topics in Digital Media 3.0 Credits
Advanced Special Topics in Digital Media. This class is reserved for occasional special topics in Graduate Digital Media Studies. It may include seminars, studio and classes taught by visiting faculty.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: DIGM 502 [Min Grade: C]

DIGM 699 Independent Study 0.5-6.0 Credits
Provides faculty guidance in subject matter not covered in standard courses offered.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 3 times for 6 credits
Restrictions: Can enroll if major is DIGM.

Master of Science in Fashion Design

Master of Science: 63.0 quarter credits

About the Program
The MS in Fashion Design is a full-time program that stresses the development of technical skills and research and experimentation. A typical graduate sequence may consist of seven terms of graduate courses and five terms of prerequisite coursework, beginning with the summer term accelerated design and drawing courses.

The curriculum is organized so that studio, laboratory, and classroom work give the graduate student a directed experience in the study of aesthetics, criticism, and contemporary art concepts; contemporary and historic art and design; current technology; the discipline of drawing; and the making of art. Students learn to integrate design's aesthetic, psychological, and social needs with the construction of clothing.

The goal of the MS program in fashion design is to integrate the understanding of design with the construction of clothing so that the final products answer physical, aesthetic, psychological, and social needs within the context of contemporary fashion and industrial limitations. This approach provides a sound basis for a broad range of employment in the fashion industry and in education. Other professional opportunities lie in merchandising, costume design, curatorial work, and computer-aided design.

The faculty of the Department of Fashion, Product and Design & Merchandising includes art historians, CAD specialists, designers, fiber artists, merchandising specialists, painters, and sculptors. The department also draws on practicing professionals as adjunct professors for specialized coursework and for critique of student work.
A limited number of graduate assistantships are available to students after completing the first year.

The Fashion and Design & Merchandising programs produce a professionally juried annual fashion show which provides competitive fashion industry and department awards and excellent exposure for the graduate students’ design thesis. At Drexel, students can participate in the activities of the Fashion Group of Philadelphia, the local chapter of an international fashion industry organization. Students may also participate in the Fashion and Design Student Organization and attend trips to fashion events in New York City.

The 63.0 graduate quarter credits does not include any of the required prerequisite coursework. See the Admission Requirements for a list of courses students are expected to have completed prior to beginning their graduate study.

Admission Requirements
Students enter the program from diverse backgrounds, including liberal arts, fine arts, and business. A personal interview is required. The admission criteria for the graduate program consist of the requirements of the University for graduate admission plus satisfaction of undergraduate coursework in basic fashion design skills and concepts. These prerequisites comprise 31.0 credits in design, drawing, and art history in addition to 32.0 credits in specific undergraduate fashion design professional courses, or their equivalent.

Beginning in the summer term, the department offers a four-term prerequisite year to prepare candidates for the graduate coursework. A portfolio review and departmental evaluation determine what prerequisites have been satisfied. Contact the graduate advisor for specific information about prerequisites or to make an appointment for evaluation.

For additional information on requirements and how to apply, visit Graduate Admissions at Drexel University (http://www.drexel.edu/grad/ programs/westphal).

Degree Requirements
The two years of full-time graduate coursework combine four terms of faculty-directed studio work in fashion design and two terms of student-directed independent studio work with required courses in design, aesthetics, and the art process. Elective coursework in fashion or specific topics; advanced studies in art, computer-aided design, art history, and fashion design; and independent studies allow individual flexibility in curriculum design.

Graduate Problems in Fashion Design I and II (FASH 865 and FASH 866) emphasize the development of an original statement of design intent, allowing students to synthesize their academic experiences and prepare for the marketplace. Each graduate student develops his or her personal collection which is then produced and presented in a professional fashion show.

Professional Portfolio (FASH 864) is a capstone course in which students create a professional quality collection of drawings geared to their market preferences.

Students are required to participate in at least three national and international fashion design competitions (FASH 899). These competitions provide awareness of world-wide design sensibilities and the overall level of competition in various facets of the marketplace.

The fashion industry internship (FASH 600) promotes spirit of entrepreneurship and provides perspective on success in the fashion industry. A full-time ten week position in industry is required and provides experience in design and production processes.

Facilities

The open design of the URBN Center studio spaces fosters collaboration across our diverse design, media, and art disciplines. It provides spaces where students can see what their classmates are creating; where making labs can be shared by students from many majors; and where creative connections can be made.

All majors in the college integrate use of discipline-specific and general use software in the 35 computer labs at Drexel's Westphal College of Media Arts & Design which house over 550 computers (Apple iMacs, Apple MacPros, BoxxTech, Dell, and HP). Also available within our college are five premier Music Industry recording studios and a motion capture/green screen compositing space. The Hybrid Lab contains traditional metal and woodworking machines as well as a rapid prototyper, a laser cutter, and access to a 3D router for multi-disciplinary design and product making. In The Shima Seiki Haute Technology Laboratory students experiment with production methods that advance the field of wearable technology using sixteen SDS-ONE APEx3 workstations, three state-of-the-art knitting machines.

The Robert and Penny Fox Historic Costume Collection (http://www.drexel.edu/westphal/resources/FHCC) (FHCC), one of the finest teaching collections in the United States, is an educational resource for the students of Drexel University. Our mission as a University-based collection is to educate and inspire, while providing a significant resource for an ever-expanding community of historians, scholars, artists, and designers. Westphal College’s new URBN Center facility has greatly improved the accessibility and visibility of the FHCC and allowed us to honor A. J. Drexel’s original educational intent in taking a leadership role in research and scholarship, while preserving the collection for future generations. The Charles Evans Library contains books, periodicals, DVDs and other sources of inspiration for the fashion student.

The fourth floor of the Academic Building is occupied by a 10,000-square-foot photography lab, lighting studios, and two digital imaging labs. It offers professional-quality equipment in a comfortable working environment.

Film and video facilities include two fully equipped television studios; digital editing facilities; video-editing suites; film editors; and specially outfitted multimedia rooms for all courses. Loan equipment available to students includes digital video cameras; Bolex, Gizmo and Arriflex film cameras; and field lighting and audio equipment. Additionally, the college operates a cable television station reaching over 400,000 households.

The music industry major’s digital audio labs and recording studios in MacAlister Hall and University Crossings offer opportunities for the creation, modification, analysis, and recording of sound and music using analog and digital media.

The Mandell Theater (http://www.drexel.edu/westphal/resources/MandellTheater/Facilities) provides a 420-seat proscenium theater with scene shop, dressing rooms, and costume shop. Costume is taught with primary source material from Drexel’s 7,000-piece Historic Costume Collection (http://digimuse.cis.drexel.edu/home.html).

The Ellen Forman Memorial Dance Studio, adjacent to the Mandell Theater is the primary studio for the Dance major.

In University Crossings, a 25,000 square foot space houses offices for film, video, screenwriting, and playwriting faculty as well as two state-of-the-art digital editing facilities, a shooting and motion capture studio with special effects capability, two screening rooms, several multi-media classrooms, a laboratory for game development and research, laboratories for other digital media purposes and for music industry, and a well-stocked equipment room.

Fashion, Product Design & Merchandising Faculty

Kristen Ainscoe, BS (Drexel University). Assistant Teaching Professor. Visual merchandiser; merchandise management.

Catherine Byers, MA (American University) Program Director, Design & Merchandising. Assistant Teaching Professor. Journalism; marketing and communications.

Nick Cassway, BFA (Tyler School of Art). Assistant Teaching Professor. Curating; experimental portraiture; computer design.

Anne C. Cecil, MA (University of the Arts) Program Director, Design & Merchandising. Associate Teaching Professor. Web designer, product designer, merchandising and artist.

Renee Weiss Chase, MS (Drexel University). Professor. Fashion designer; computer-aided design systems for the fashion curriculum.

Anita Dennis, AST (Art Institute of Philadelphia) Fashion Laboratory Technician. Assistant Teaching Professor. Fashion designer and technician; construction skills.

Genevieve Dion, MFA (University of the Arts) Director, Shima Seiki Haute Technology Laboratory. Assistant Professor. Industrial designer, wearable artist, new materials technology research.

Michael Glaser, MFA (Ohio State University) Program Director for Product Design. Assistant Professor. Quantifying the designer’s intuition; the interplay between digital and physical forms; human desire to shape our surroundings.

Cynthia Golembuski, MS (Drexel University) Associate Program Director, Fashion Design. Assistant Teaching Professor. Fashion designer, illustrator, computer aided design.
FASH 604  Materials Exploration  3.0 Credits
In this course students experiment with materials, connectors, color, texture and form as they relate to the body. Students will learn how to transform and manipulate fabric by uncovering processes that allow the metamorphosis of planar materials into three-dimensional works.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 604 [Min Grade: B] or VSST 102 [Min Grade: D] or VSST 105 [Min Grade: C]

FASH 610 Presentation Techniques 3.0 Credits
This course is designed to introduce presentation techniques and skills used in the Fashion Industry. Students will learn to prepare presentation boards, portfolios, and brochures via traditional and digital media.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 604 [Min Grade: B]

FASH 611 Textile Design 3.0 Credits
Instructs the student in both traditional and digital techniques and Textile Design. Investigates layout, repeat and co-ordinated fabric groups.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is FASH or major is INTR.
Prerequisites: VSST 102 [Min Grade: D] or VSST 105 [Min Grade: C]

FASH 615 Computer Aided Design for Patternmaking 3.0 Credits
Covers the production, storage, and retrieval of fashion patterns using computer-assisted design software and Macintosh hardware. Requires students to use previously acquired pattern-making and design skills to produce patterns on the computer and plotter.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 342 [Min Grade: C] or FASH 628 [Min Grade: B]

FASH 616 Computer Aided Design for Fashion Design 3.0 Credits
Provides an overview of computers in the fashion industry. Develops students' presentation skills using industry software and commercial graphics programs.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 611 [Min Grade: C]

FASH 617 Technical Design 3.0 Credits
Technical Design is crucial in managing technical information internally and externally within a fashion design company. The student is trained in the essential skills of creating technical packages using data programs and sketching, conducting fittings, maintaining specs, and grading patterns and how to communicate information efficiently in a global fashion industry.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is FASH.
Prerequisites: FASH 342 [Min Grade: D]

FASH 625 Principles of Flat Pattern and Draping 3.0 Credits
Provides analysis of and experience in methods of developing fashion designs through exploration of flat pattern and draping methods. Explores basic patternmaking techniques and manipulations. Establishes comparisons between drafting and draping techniques in the development of standard slopers.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 241 [Min Grade: C]

FASH 628 Draping Design 3.0 Credits
Differences in the material properties of fabric require the designer to use a variety of approaches to take a design concept to realization. Building on skills mastered in FASH 341-Flat Pattern Design, students will learn to create garments by combining those skills with draping directly on the dress form.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 341 [Min Grade: B]
FASH 629 Fashion Design I 3.0 Credits
Inspiration and research is essential to the creation of new ideas and the fulfillment of design problems. Fashion Design I examines the use of both unusual and familiar sources of inspiration to develop uniquely creative garments. Resources may include: architecture, film, furniture, historic costume (DHCC), industrial design, interior design, nature, painting, sculpture, transportation, etc. The ability to think on paper is stressed as well as the manipulation of a variety of materials and media through the conceptualization and development of both singular realizations and coordinated groups.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 628 [Min Grade: B]

FASH 630 Fashion Design A 3.0 Credits
Explores sources of inspiration and requires students to translate and develop source material into creative garments. Stresses the extension and elaboration of ideas within a specific market.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 251 [Min Grade: C] or FASH 629 [Min Grade: B]

FASH 631 Fashion Design B 3.0 Credits
Stresses industrial limitations as they apply to design and creativity. Covers fabrication, costing, market requirements, and specifications for all facets of the industry. Primary areas of concentration include sportswear and swimwear. Includes professional critiques.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: or FASH 629 [Min Grade: B], FASH 251 [Min Grade: C] or FASH 629 [Min Grade: B]

FASH 632 Drawing for Industry 3.0 Credits
Offers the Fashion student the ability to generate technical renderings of garments along with associated specifications requirements as per industry expectations.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is FASH.
Prerequisites: FASH 342 [Min Grade: C] or FASH 628 [Min Grade: B]

FASH 643 Tailoring 3.0 Credits
In this course, building on skills mastered in FASH 341-Flat Pattern Design and FASH 628-Draping Design, the student is instructed in the complex pattern-making, draping, construction and fitting techniques necessary to produce a tailored suit or coat.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 629 [Min Grade: B]

FASH 631 Fashion Design C 3.0 Credits
Expands and broadens technical skills and lays the groundwork for development of the graduate collection. Projects include couture eveningwear techniques.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 631 [Min Grade: C]

FASH 730 Fashion Design D 3.0 Credits
Emphasizes a particular limit of time, cost, or material and expands development of technical solutions to construction and production problems.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 730 [Min Grade: C]

FASH 750 Machine Knitting 3.0 Credits
Machine Knitting is an introduction to knitwear design specialization. Students learn to style and draw knit garments to develop a professional portfolio. Technical information regarding yarn analysis, stitch construction, pattern and garment construction are the focus of this class.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 2 times for 6 credits
Restrictions: Can enroll if major is FASH.
Prerequisites: FASH 241 [Min Grade: C] and VSST 112 [Min Grade: C]

FASH 751 Accessory Design 3.0 Credits
This course provides students with concepts and skills to design traditional and contemporary fashion accessories with emphasis in embroidery; applique; hand painting; and clay, plastic and ceramic work.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 241 [Min Grade: C]

FASH 752 Millinery Design 3.0 Credits
Familiarizes students with the techniques and processes involved in hat making. Emphasis will be placed on historical perspectives and materials.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 241 [Min Grade: C]

FASH 754 Advanced Fashion Drawing 3.0 Credits
Through in-class creative assignments with experimental techniques, students learn to respond rapidly, originally, and with increased focus to resolve drawing and design problems.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 212 [Min Grade: C]

FASH 755 Fashion Presentation 3.0 Credits
Requires two-dimensional presentation of original collections based on various facets of the industry. Stresses professional skill development in medium of choice.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 212 [Min Grade: C]

FASH 766 Fashion Business Topics 3.0 Credits
Presents the following topics in seminar: fashion merchandising as a link between producer and final consumer, retail distribution, interpreting consumer demand, merchandise assortment planning, unit and inventory control, and pricing; fashion marketing and manufacturing, including the marketing process, components of the fashion industry, market evaluation, demographic and psychographic factors, manufacturing components and processes, and case studies.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
FASH 767 Style and the Media 3.0 Credits
Fashion Journalism is reading and writing about all aspects of fashion, including reporting, criticism and commentary about photography related to fashion published in newspapers or magazines, displayed on websites, aired on radio and/or TV. The style of the writers and also the aspects of dress they found significant is examined.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

FASH 799 Special Topics in Fashion Design 1.0-4.0 Credit
Provides study in the field of fashion design, interdisciplinary studies, and other areas. May be repeated for credit if topics vary.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

FASH 864 Professional Portfolio 3.0 Credits
This course will involve preparation and execution of a finished designer portfolio for couture, 7th Avenue or the boutique American market. Included in the preparation is research of their chosen entry into the market via history, visuals and customer profile.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is FASH.
Prerequisites: FASH 765 [Min Grade: C]

FASH 865 Problems in Fashion Design Phase I 3.0 Credits
Requires proposal, design, and execution of related garments to form a collection. Emphasizes the designer's goals. Includes professional critique.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 730 [Min Grade: C]

FASH 866 Problems in Fashion Design Phase II 3.0 Credits
Continues FASH 865. Includes professional critique.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: FASH 865 [Min Grade: C]

FASH 899 Comprehensive Examination in Fashion Design 0.0 Credits
Provides a comprehensive examination in the field of fashion design. Required of candidates for the M.S. degree upon satisfactory completion of the coursework for the degree.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

Master of Science in Interior Architecture and Design

Master of Science: 69.0 quarter credits

About the Program
The Master of Science program in Interior Architecture & Design at Drexel is an internationally recognized CIDA accredited First Professional MS degree that prepares students of diverse undergraduate backgrounds to become leaders in the field of interior design. Through an integrated studio approach, coursework teaches application of design concepts, technical information and hands-on skills to create a range of public, commercial, residential and institutional spaces. Students learn to transform space to address aesthetic, social, physical and psychological needs. In conjunction with the integrated studio, the program emphasizes independent research culminating in a master's thesis. The Master of Science program in Interior Architecture & Design was recently ranked 7th in the nation by DesignIntelligence, America's Best Architecture & Design Programs 2014.

Comprised of 69.0 graduate credits, most students complete the MS Interior Architecture & Design program in two to three years, depending upon individual student backgrounds and the completion of all necessary prerequisites.

Student Background
MS Interior Architecture & Design students come to the program with undergraduate degrees in a wide variety of fields. With more than 90% of the applicants having backgrounds in a non-design related field and on average 10% being international students, the graduate student body brings rich and diverse life and cultural experiences to the Department and the College. Open mindedness and the desire and commitment to acquire knowledge through various avenues ensure that all students enrich the exchange of ideas and professional development.

Professional Opportunities
Alumni are principals of their own interior design firms, project managers in major design and architectural firms, facilities managers, and design coordinators. About one-third of the students obtain entry-level employment before graduation from the program; within five years, many hold managerial positions.
Professional exposure occurs in exchanges with practitioners through professional jurying of all major student projects. Students are also encouraged to become members of local, national, and international interior design professional organizations.

For more information, visit Drexel's Graduate Studies in Interior Architecture & Design (http://www.drexel.edu/westphal/academics/graduate/interiordesign) web page.

Admission Requirements
Admission criteria for the graduate program consist of the requirements of the University for graduate admission plus satisfaction of basic interior design undergraduate coursework. These prerequisites include courses in design, drawing, and art history.

The program begins in the summer term with three terms of prerequisite coursework that prepares candidates for the graduate coursework. A portfolio review or evaluation by the Associate Director of the Interior Architecture & Design program determines what prerequisites have been satisfied. Contact the Graduate Studies in Interior Architecture & Design (http://www.drexel.edu/westphal/academics/graduate/interiordesign) for specific information about prerequisites or to make an appointment for review and evaluation.

For additional information on requirements and how to apply, visit Graduate Admissions (http://www.drexel.edu/grad/programs/westphal/interior-architecture-and-design) at Drexel University.

Degree Requirements

The full-time graduate coursework combines seven terms of faculty-directed coursework in interior design, including a student-initiated thesis.

The 69.0 credits that make up the graduate requirement include a visual studies sequence as well as elective coursework in the following areas: interior design seminars on specific topics; advanced studies in art, art history, and interior design; and independent studies. This allows individual flexibility in curriculum design.

Graduate Review

- INTR 899 consists of two components: a series of sketch problems and design competitions that must be completed during the two + graduate years and a faculty review of a portfolio presentation of a body of student-selected work.

Facilities

The interior design program is housed in the new URBN Center, a state of the art design and arts facility on Drexel’s campus. The URBN Center officially opened in September 2012. A hub for creative minds to gather, share ideas and work together to bring those ideas from the mind to the page, and into the world of tomorrow, interiors students benefit from a wide-range of resources including interior design studios, the interior design resource library, a hybrid making lab, and state-of-the-art computer laboratories. College lab equipment includes scanners, printers, plotters, laser cutters, 3-d printers, computer/video projection systems and other peripheral devices as appropriate to each major.

The URBN Annex houses a black box theater, screening room and the Leonard Pearlstein Gallery. Additional studio and classroom space in the Peck Problem Solving and Research Center and the Design Arts Annex accommodate photography, basic design, painting, sculpture and a large woodworking shop with industrial-quality equipment. The woodshop is available for use by students for three-dimensional coursework or individual projects.

Philadelphia, one of the nation’s major design centers, gives interior design students the vitality of the contemporary art at local galleries; easy access to many museums, libraries, renowned buildings, and access to the resources of The Marketplace, as well as design centers located in New York City and Washington, D.C.

Architecture + Interiors Faculty

David Ade, AIA, BArch (Drexel University). Adjunct Associate Professor. Principal, SMP Architects.

Ulrike Altenmüller-Lewis, AIA, Dr.-Ing. (Bauhaus Universität Weimar) Program Director. Assistant Professor. Research on educational environments; translations of architectural theory texts. Design studios, lectures and seminar courses.

Stephen Bonitatibus, AIA, MArch (University of Pennsylvania). Adjunct Professor. Principal, Bonitatibus Associates.

Mark Brack, PhD (University of California at Berkeley). Associate Professor. British and American architecture from 1700 to the present; Hispanic colonial architecture in the American Southwest; vernacular architecture; historic preservation.

Michael Burns, RA, BArch (Drexel University). Adjunct Associate Professor. Principal, Michael Burns Architects.

Jon Coddington, AIA, MArch (University of Pennsylvania) Department Head, Department of Architecture + Interiors. Professor. Architecture, urban design and planning.

Rena Cumby, BArch, MS (Drexel University) Associate Department Head of the Department of Architecture + Interiors. Associate Professor. Interior designer; foundation studies and design education.
Eugenia Ellis, PhD (Virginia Polytechnic State University). Associate Professor. Registered architect; interior design, extended-care facilities design, research on spatial visualization, perception and imagination.

Jeff Fama, MArch (State University of New York at Buffalo). Adjunct Associate Professor. Retail, entertainment, and theater design. Graduate interiors thesis advisor.

Gary Garofalo, BS Arch Eng (Pennsylvania State University). Adjunct Assistant Professor. Principal Lighting Design Collaborative. Lighting expert. Lighting design.

Don Jones, AIA, MArch (University of Pennsylvania). Adjunct Professor. Ewing Cole.

Nicole Koltick, MArch (University of California). Assistant Professor. Researching possibilities for architecture and design through the use of unexpected and innovative interdisciplinary models. Foundation design studios, fabrication and technology seminars.

Karlin Kuenstler, MS (Bank Street College of Education and Parsons). Associate Professor. Interior designer; interior design for corporate and commercial facilities, history of corporate interiors, fiber art.

Maria Kuttruff, MS (Drexel University). Adjunct Assistant Professor. Residential interior design. Design studios.

Diana S. Nicholas, AIA, MFA (University of the Arts, Philadelphia). Assistant Teaching Professor. Principal of Switched on Design. Design studios, analog and digital visualization.

Karen Pelzer, BS (Drexel University) Associate Director of the MS in Interior Architecture and Design Program. Assistant Teaching Professor. Interior designer, hospitality design. Design studios.

Marilynne L. Rose, MS (Drexel University). Associate Teaching Professor. NCIDQ interior designer; residential and commercial design. Design studios, lecture and seminar courses.

Debra Ruben, MS (Drexel University). Associate Professor. NCIDQ, Interior designer; residential and commercial design. Research on user participation and the design process.

Paul Salvaggio, AIA, BArch (Pennsylvania State University). Adjunct Assistant Professor. Principal, Arcus Design Group. Foundation design studios.

Joseph Scanlon, BArch (Drexel University). Adjunct Professor. Foundation design studios.

Virginia Smith, MS (Drexel University). Adjunct Associate Professor. Exhibit/graphic design, interior design, interior and architectural visualization.

Erik Sundquist, MArch (Florida International University) Director of the Hybrid Making Lab of AW CoMAD. Assistant Teaching Professor. Design studios, analog and digital architectural representation and fabrication.

Simon Tickell, AIA, MArch (University of Pennsylvania) Associate Director of the Architecture Evening Program. Associate Teaching Professor. Design studios and professional practice/electives; educational and museum buildings.

Ada Tremonte, BS (Drexel University) Associate Director of the BS Program in Interior Design. Assistant Teaching Professor. NCIDQ Interior designer, corporate/commercial design. Design studios, lecture and seminar courses.

Emeritus Faculty

Judith Bing, MArch (Yale University). Professor Emeritus. Design studios, lecture and seminar courses.

Sylvia Clark, MArch (University of Pennsylvania). Professor Emeritus.

Marjorie Kriebel, B.Arch (University of Pennsylvania). Professor Emeritus.

Courses

INTR 722 Graduate Studio A 4.0 Credits
Focuses on a given residential environment with specific architectural identity meeting the residential space requirements of particular clients and recognition of and respect for the quality of interior architecture, volume and its ornament. Develops original approaches to furniture planning, lighting, interior elaboration, furniture, color and finish selection. Professionally juried. Repeat Status: Not repeatable for credit
Prerequisites: INTR 232 [Min Grade: B-]
Corequisite: INTR 723

INTR 723 Studio A Seminar 2.0 Credits
Focussed study on the impact of interior architectural and decorative detailing on the interior environment through the understanding of precedent studies and ornamentation. Repeat Status: Not repeatable for credit
Prerequisites: INTR 232 [Min Grade: B-]
Corequisite: INTR 722

INTR 732 Graduate Studio B 4.0 Credits
Investigates the manipulation of spatial volume within the context of small-scale environments. Projects build in complexity in terms of use, tectonics and structure emphasizing concept development, iterative design process and various ways of making. Professionally juried. Repeat Status: Not repeatable for credit
Prerequisites: INTR 722 [Min Grade: C]
Corequisite: INTR 733
INTR 733 Studio B Seminar 2.0 Credits
Focused study in digital communication and making and its role in the design of the interior environment.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 722 [Min Grade: C]
Corequisite: INTR 732

INTR 742 Graduate Studio C 4.0 Credits
Focuses on the design of an interior with emphasis on programmatic requirements and environmental behavior leading to a synthesized and identifiable environment. Emphasizes concept, pre-design research, programming, space planning and presentation. Professionally juried.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 742 [Min Grade: C]
Corequisite: INTR 743

INTR 743 Studio C Seminar 2.0 Credits
Investigation in interior detailing and the impact it has on the identity of the interior environment. Focused study and understanding of the design attributes of materials, construction systems and use of detail as a design process and generator.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 743 [Min Grade: C]
Corequisite: INTR 742

INTR 752 Graduate Studio D 4.0 Credits
Focused on design of a mid to large scale commercial interior with emphasis on programmatic requirements, parti, adjacency diagrams and office systems. Applies a design concept based on client identity through interior planning and appropriate selection of furniture, materials and finishes consistent with contract interiors. Requires building code analysis, and demonstrated understanding of building codes. Professionally juried.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 742 [Min Grade: C]
Corequisite: INTR 753

INTR 753 Studio D Seminar 2.0 Credits
Focused study and application of building codes and construction documentation of a mid-large scale commercial interior environment.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 742 [Min Grade: C]
Corequisite: INTR 752

INTR 762 Graduate Studio E 4.0 Credits
Studio context will provide for investigative study on subjects of specific environmental concern reflective of current trends, through the study of a large scale interior environment. Professionally juried.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 752 [Min Grade: C]
Corequisite: INTR 763

INTR 763 Studio E Seminar 2.0 Credits
Focused study and analysis of professional practice covering contemporary business methods, practices, and procedures in the operation of a design firm, including legal and ethical implications.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 752 [Min Grade: C]
Corequisite: INTR 762

INTR 799 Special Topics in Interior Design 1.0-4.0 Credits
Provides advanced individual study in interior design in a specialized area. May be repeated for credit if topics vary.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

INTR 860 Advanced Independent Study in Interior Design 1.0-4.0 Credit
Provides advanced individual study in interior design in a specialized area. May be repeated for credit. Department permission required.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

INTR 861 Advanced Visual Methods 3.0 Credits
An advanced course in visualization focusing on hybrid representation strategies. Specialized topics in digital and hand rendering and exploration of the visual language of presentation and rendering techniques for design development and visualization of interior spaces.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

INTR 862 Interior Systems I 3.0 Credits
Focused study in environmental systems and understanding of the impact and integration between systems and the built environment.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

INTR 863 Advanced Digital Methods 3.0 Credits
Intensive focus on advanced modeling and rendering software. Lighting, materiality, form and spatial experience are explored through realistic three-dimensional digital models.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 861 [Min Grade: C]

INTR 864 Material Investigations 3.0 Credits
This course provides for investigative study of materials that shape the interior environment. Exploration of materials through application, research, codes and hands-on presentation are addressed.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is INTR.
INTR 865 Interior Systems II 3.0 Credits
Develops and deals with many dimensions of light that must be understood if natural and artificial lighting are to be incorporated in the interior design of a building. Provides a series of investigations that allow the student to predict visual effects, meet minimum sight requirements, and ensure visual comfort. Professionally juried.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 862 [Min Grade: C]

INTR 868 Presentation Seminar 3.0 Credits
Provides an opportunity for independent and investigative study in various aspects of the presentation of ideas. Encourages experimentation with fine arts media, drafting media, and digital media, with an emphasis on professionalism and craft. Professionally juried.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

INTR 869 Business Practice Seminar in Interior Design 3.0 Credits
Examines business and management issues associated with the organization and operation of a design firm. Provides an understanding of the history and organization of the interior design profession; business methods, practices, and procedures; legal and ethical obligations; and relationships with clients, related professions, and the trades.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

INTR 870 Environmental Topics in Design 3.0 Credits
Provides an opportunity for investigative study on subjects of specific environmental concern to students and faculty. May be repeated for credit if topics vary.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

INTR 872 Advanced Design Theories and Applications 3.0-4.0 Credits
Advanced exploration of design theories and applications. An emphasis is placed on the development and exploration of theoretical stances in text, projects and/or artifacts.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated 2 times for 12 credits

INTR 874 Fabrication and Making 3.0-4.0 Credits
Exploration into design fabrication and making methodologies. A variety of procedures, techniques and tools are utilized to design and fabricate at full scale within the built environment.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

INTR 894 Thesis Programming 3.0 Credits
Focuses on the process of defining an appropriate thesis topic, writing a succinct proposal, research methodologies and the development of a research plan.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

INTR 897 Thesis - Development 3.0 Credits
Provides faculty guidance to enable students to identify and investigate an aspect of interior design. May include establishment of philosophical base, data collection, study of comparable or similar programs and spaces, writing of a design program, building selection and measurement, and preliminary design development. Includes professionally juried presentation.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 894 [Min Grade: C]

INTR 898 Thesis - Documentation 3.0 Credits
Allows development and refinement of design responses to the program of INTR 897 through in-depth analysis of the design problem. Involves evaluation of work on the basis of the understanding of the design process, the execution of the concept and the extent of development, and the emergence of a design character appropriate both to the student as a designer and to the resolution of the specific problem. Includes professionally juried final presentation.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: INTR 897 [Min Grade: C]

INTR 899 Comp Exam for Interior Design 0.0 Credits
Required of candidates for the M.S. degree.
College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

Master of Science in Museum Leadership

Master of Science: 45.0 quarter credits

About the Program
At the beginning of the 20th century museums were primarily keepers of things—their collections—and were thought of primarily as repositories of knowledge. Over the course of the century the American museum has changed. While collections remain at the core of their missions, museums have focused more and more on their educational roles, their communities and their audiences. The internet and digital technology are challenging museums to rethink how they operate, re-evaluate how they use their collections and the nature of their audiences.

Drexel University’s MS in Museum Leadership program prepares students for a range of management and leadership roles that are essential to the integrity and health of today’s museums. Students study the philosophy and history of leadership in cultural institutions, incorporating theory and practice from the museum field as well as business, government, and other nonprofit organizations. The program examines the process of creating new museums as well as expanding existing museums. Students learn the variety of roles required to run the contemporary museum, including curators, conservators, registrars, educators, programmers, audience development, fundraising, board members and volunteers.

Taking advantage of various departments and programs across Drexel University, such as The Academy of Natural Sciences of Drexel University (http://www.ansp.org), as well as other regional museums, the program includes hands-on participation in learning laboratories during practicum experiences and other opportunities. Importantly, the program encompasses the full range of museums—art, history, science,
archaeology, zoos, aquariums, arboretums, historic houses, children’s, and folklore—as well as covering both USA and international museum practices.

Goals and Objectives

Drexel’s Museum Leadership program will prepare leaders who enable museums to fulfill their missions of stewardship and education. These leaders will develop a knowledge and skill base to steer tomorrow’s museums.

Graduates of the program will be prepared:

- To lead museums that preserve, present and critically interpret the knowledge and heritage of diverse human societies and identities;
- To lead museums that will achieve financial security and stability;
- To address the changing nature of museums, including expanding new technologies, educational and community outreach goals, changing demographics, and a changing political and funding environment;
- To build museums that address changing public expectations of the museum experience, including responsiveness to their diverse communities as well as a more participatory visitor experience;
- To contribute to a museum workforce that is culturally rich, representing the full diversity of each museum’s surrounding community;
- To engage with the full spectrum of their local communities as well as a national and international community of museums and museum-goers.

Admission Requirements

In addition to meeting the general requirements for admission to graduate studies at Westphal College of Media Arts and Design, applicants should present a resume demonstrating a strong affinity for the field through work, volunteer experiences, education or special training.

Preparation must include at least one undergraduate level course in financial accounting, two courses in any field related to museum practice, and/or two years’ professional or board level experience with a museum. Students entering the program without the required undergraduate accounting course must complete the pre-requisite within the first two terms of matriculation.

Applicants must have a minimum 3.0 GPA in their undergraduate work, and for international students whose first language is not English, the minimum TOEFL score is 90/577.

For additional information on requirements and how to apply, visit Graduate Admissions at Drexel University (http://www.drexel.edu/grad/programs/westphal).

Museum Leadership Faculty

Jacqueline Genovesi, PhD (Drexel University) Vice President, Education, the Academy of Natural Sciences. Assistant Clinical Professor. Museum education, interpretive strategies and museum leadership.

Courses

MUSL 500 Museum History and Philosophy 3.0 Credits
Through the examination of readings, case studies, and visits to local institutions, students will develop an understanding of the history and theory of the museum from the 18th century to the present, with special attention paid to major issues surrounding contemporary museum practice.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

MUSL 510 Museum Leadership 3.0 Credits
This course will explore the philosophy and history of leadership in cultural institutions as well as in business, government, and non-profit organizations. Students will examine and understand the value of strategic planning and the core functions of a modern museum including collections management, education, marketing, communications, technology and fundraising.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM or major is MUSL.

MUSL 530 Inside the Museum 3.0 Credits
This course will cover a variety of roles required to run the contemporary museum including curators, conservators, registrars, educators, programmers, audience development, fundraising and volunteers. This course will include an examination of how various museum roles collaborate with and interact with each other.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM or major is MUSL.

MUSL 530 Inside the Museum 3.0 Credits
This course will examine the role of the curator in the contemporary museum field. Collections management, interpretation and exhibition will be addressed, along with current issues facing curators in a contemporary museum setting.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM or major is MUSL.

MUSL 630 Exhibitions and Programming 3.0 Credits
This course focuses on exhibition and program planning—from topic conception, to development and design, to educational programming and marketing.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM or major is MUSL.
Prerequisites: MUSL 530 [Min Grade: C]

MUSL 640 The Museum in the Community 3.0 Credits
This course examines how museums interact with their communities, creating a third place that brings communities together. Museums' roles in the political, economic, educational, social and cultural development of cities, towns and regions will be studied.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM or major is MUSL.
Prerequisites: MUSL 500 [Min Grade: C] and MUSL 510 [Min Grade: C]

MUSL 660 Museum in the Age of Technology 3.0 Credits
This course will explore the role of technology in the museum, especially the ways that technology is changing or can potentially change the ways that museums provide access to the collections, make knowledge accessible online and in person, and create multiple paths for the public to interact with museums, their exhibits and programs, and their collections.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM or major is MUSL.
Prerequisites: MUSL 500 [Min Grade: C]

MUSL 670 Museum Communications and Marketing 3.0 Credits
Provides an in-depth study of the theory and best practices in all areas of strategic communications and marketing in contemporary museums and related organizations.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Restrictions: Can enroll if major is AADM or major is MUSL.

MUSL 710 Bricks and Mortar 3.0 Credits
This course will provide an intensive study of all aspects of the planning, designing, and construction of museums. The connection of capital projects to other museum functions such as master planning, strategic planning, and fundraising will be examined.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: MUSL 510 [Min Grade: C]

MUSL 720 Overview of Curatorial Practices 3.0 Credits
This course examines the role of the curator in the contemporary museum field. Collections management, interpretation and exhibition will be addressed, along with current issues facing curators in a contemporary museum setting.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

MUSL 740 Independent Study in Museum Leadership 1.0-4.0 Credit
Course provides an opportunity for students to conduct independent research, either applied or scholarly, under the supervision of a faculty member.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit

MUSL 750 Museum Leadership Practicum I 3.0 Credits
This is the first term course of a two term required practicum for all museum leadership students. Students will work in teams at a local museum to complete a practical project that will expose them to contemporary museum practices.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: MUSL 500 [Min Grade: C] and MUSL 530 [Min Grade: C]

MUSL 755 Museum Leadership Practicum II 3.0 Credits
This is the second term of a two-term required practicum for all museum leadership students. Students will work in teams at a local museum to complete a practical project that will expose them to contemporary museum practices.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Not repeatable for credit
Prerequisites: MUSL 530 [Min Grade: C] and MUSL 750 [Min Grade: C]
MUSL 765 Special Topics in Museum Leadership 1.0-4.0 Credit
Course covers topics of current interest to faculty and students; specific topics for each term will be announced prior to registration. May be repeated for credit if topics vary.

College/Department: Antoinette Westphal College of Media Arts Design
Repeat Status: Can be repeated multiple times for credit

Paul F. Harron Television Management Program

Master of Science Degree: 49.0 quarter credits
Dual MS/MBA: 79.0 quarter credits

About the Program

The Paul F. Harron Graduate Program in Television Management will celebrate its tenth anniversary in academic year (AY) 2014-2015. The program draws a global student body, and its graduates hold responsible positions in top media companies around the world. In September 2015 we will launch the online version of the graduate on-campus program.

The Paul F. Harron Television Management program offers two approaches to graduate study: the MS in Television Management and the dual MS/MBA degree option.

The stand-alone MS degree prepares students with a solid grounding in business management and specialized courses in the management of television and converged media. The program integrates business course content with current practice in the television industry. Students interact with working professionals on campus and in the field through internships. Course content includes programming analysis and strategy, media analytics and audience measurement, structural analysis of media industries, scope and methods of the field, media finance, social media and television, media sales models and practice, media law and ethics, telecommunications policy and public interest law, field internships, and topical electives.

The dual degree option includes a full MBA. Students in both programs gain hands-on management experience through internships at broadcast television stations and networks, cable companies, independent production companies and evolving media hybrids that operate in the region and beyond. The program combines practical and academic experience, including courses designed to challenge students to discover the critical interplay between creative process and the business skills required to manage successful media companies.

About the Curriculum

The television industry is undergoing a radical transformation, the signs of which are everywhere to be found. You don't have to search the trades, academic, or popular press for very long to discover that the converged world of television has undergone a sea change in the face of new revenue models, rapidly changing telecommunications policy, transformative technology, shifting audience loyalties, dynamic delivery platforms, and a volatile national and global marketplace; Big Data, Netflix, Roku, Apple TV, Amazon Prime, the challenge of Aereo, Blufin Laboratories, traditional media transformations, social media begetting social television, broadcast TV incentive auctions, retransmission consent, network neutrality, backbone networks, edge and broadband providers, end users, neuro-marketing and biometrics, Google Glass, Oculus Rift Virtual Reality goggles, wearable technologies, OLED screens, 4k and 8k video projection, streaming media, WiMAX and Wi-Fi…the list of change agents affecting the legacy television industry is much longer than this. But the impact is clear: television has changed, is changing and will continue to change; and our students will become the next generation of change agents.

Today's television and media industries are some of the most competitive and fastest growing in the world, and this has created new opportunities for those who can manage, market and create for the world of converged media. The Paul F. Harron Graduate Program in Television Management offers two graduate study options to prepare students for the demanding television and media industries: the MS in Television Management and the dual MS/MBA.

The stand-alone MS degree offers a solid grounding in business management and specialized courses in the management of television and evolving media hybrids. The dual MS/MBA option allows students to integrate business course content with the practices of television and new media industries, and provides graduates the advantages of also having the renowned Drexel MBA.

Ultimately, we believe the way people learn is by doing. Students engage in hands-on management experience through internships at broadcast television stations and networks, multi-channel video programming distributors, streaming media and evolving web companies, independent production companies, and emerging media hybrids in the region and beyond. The program combines practical and academic experience in courses such as Audience Measurement, TV Programming, Structure of TV Organizations, Media Law, Media Sales, Media Ethics, Money and the Medias, Social TV, Emerging TV Technologies and TV Production. Students gain hands-on management insights through simulations in retransmission consent negotiation, technology management, contract negotiation, and debate around technology assessment. These courses challenge participants to discover the critical interplay between creative process and the business skills required to manage successful media companies.

Program Features

Features of the program include the availability of Fellowships and Graduate Assistantships, flexible scheduling with part-time and full-time options, evening classes, rolling admissions (allowing students to start in any term, including summer) as well as professional internships. Philadelphia is the fourth largest television market and home to Comcast, Banyan Productions, Center City Video, Shooters, broadcast network affiliates, three public television organizations, Tierney Communications, Harmelin Media, Star Group, Domus, and innovative web-streaming and specialized digital content producers and online agencies such as 03World.

Students find internships and employment with major broadcast, multichannel, and new media companies in Philadelphia, New York, Washington, Los Angeles, London, Beijing, and beyond, including:

- CNN
- NBC/Universal
- Sony
- NBC SportsChannel
- China Central TV
- Time, Inc.
- University of Pennsylvania
